(2007/553/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

programme of work referred to in Article 8(2) of Directive 91/414/EEC.

Having regard to the Treaty establishing the European Community,

(3) Monocarbamide dihydrogensulphate and dimethipin are substances designated in the third stage programme.

Having regard to Council Directive 91/414/EEC of 15 July 1991 concerning the placing of plant protection products on the market <sup>(1)</sup>, and in particular the fourth subparagraph of Article 8(2) thereof,

(4) The sole notifiers for monocarbamide dihydrogensulphate and dimethipin informed the Commission on 29 May 2006 and 6 July 2006 respectively, that they no longer wished to participate in the programme of work for these active substances, and therefore further information will not be submitted. As a consequence, these active substances should not be included in the Annex I of Directive 91/414/EEC.

Whereas:

(1) Article 8(2) of Directive 91/414/EEC provides that a Member State may, during a period of 12 years following the notification of that Directive, authorise the placing on the market of plant protection products containing active substances not listed in Annex I of that Directive that are already on the market two years after the date of notification, while those substances are gradually being examined within the framework of a programme of work.

(5) Measures should be taken to ensure that existing authorisations for plant protection products containing monocarbamide dihydrogensulphate or dimethipin are withdrawn within a prescribed period and are not renewed, and that no authorisations for such products are granted.

(2) Commission Regulations (EC) No 451/2000 <sup>(2)</sup> and (EC) No 1490/2002 <sup>(3)</sup> lay down the detailed rules for the implementation of the second and third stages of the

(6) For these active substances for which there is only a short period of advance notice for the withdrawal of plant protection products containing such substances, it is reasonable to provide for a period of grace for disposal, storage, placing on the market and use of existing stocks for a period no longer than 12 months to allow existing stocks to be used in no more than one further growing. In cases where a longer advance notice period is provided, such period can be shortened to expire at the end of the growing season.
