An Act relating to the protection of the environment and the conservation of biodiversity, and for related purposes

Chapter 1—Preliminary

Part 1—Preliminary

1 Short title [see Note 1]

This Act may be cited as the *Environment Protection and Biodiversity Conservation Act 1999*.

2 Commencement [see Note 1]

- (1) Subject to subsection (2), this Act commences on a day to be fixed by Proclamation.
- (2) If this Act does not commence under subsection (1) within the period of 12 months beginning on the day on which it receives the Royal Assent, it commences on the first day after the end of that period.

3 Objects of Act

- (1) The objects of this Act are:
 - (a) to provide for the protection of the environment, especially those aspects of the environment that are matters of national environmental significance; and
 - (b) to promote ecologically sustainable development through the conservation and ecologically sustainable use of natural resources; and
 - (c) to promote the conservation of biodiversity; and
 - (ca) to provide for the protection and conservation of heritage; and
 - (d) to promote a co-operative approach to the protection and management of the environment involving governments, the community, land-holders and indigenous peoples; and

Section 3

- (e) to assist in the co-operative implementation of Australia's international environmental responsibilities; and
 - (f) to recognise the role of indigenous people in the conservation and ecologically sustainable use of Australia's biodiversity; and
 - (g) to promote the use of indigenous peoples' knowledge of biodiversity with the involvement of, and in co-operation with, the owners of the knowledge.
- (2) In order to achieve its objects, the Act:
- (a) recognises an appropriate role for the Commonwealth in relation to the environment by focussing Commonwealth involvement on matters of national environmental significance and on Commonwealth actions and Commonwealth areas; and
 - (b) strengthens intergovernmental co-operation, and minimises duplication, through bilateral agreements; and
 - (c) provides for the intergovernmental accreditation of environmental assessment and approval processes; and
 - (d) adopts an efficient and timely Commonwealth environmental assessment and approval process that will ensure activities that are likely to have significant impacts on the environment are properly assessed; and
 - (e) enhances Australia's capacity to ensure the conservation of its biodiversity by including provisions to:
 - (i) protect native species (and in particular prevent the extinction, and promote the recovery, of threatened species) and ensure the conservation of migratory species; and
 - (ii) establish an Australian Whale Sanctuary to ensure the conservation of whales and other cetaceans; and
 - (iii) protect ecosystems by means that include the establishment and management of reserves, the recognition and protection of ecological communities and the promotion of off-reserve conservation measures; and
 - (iv) identify processes that threaten all levels of biodiversity and implement plans to address these processes; and
 - (f) includes provisions to enhance the protection, conservation and presentation of world heritage properties and the

conservation and wise use of Ramsar wetlands of international importance; and

- (fa) includes provisions to identify places for inclusion in the National Heritage List and Commonwealth Heritage List and to enhance the protection, conservation and presentation of those places; and
- (g) promotes a partnership approach to environmental protection and biodiversity conservation through:
 - (i) bilateral agreements with States and Territories; and
 - (ii) conservation agreements with land-holders; and
 - (iii) recognising and promoting indigenous peoples' role in, and knowledge of, the conservation and ecologically sustainable use of biodiversity; and
 - (iv) the involvement of the community in management planning.

3A Principles of ecologically sustainable development

The following principles are *principles of ecologically sustainable development*:

- (a) decision-making processes should effectively integrate both long-term and short-term economic, environmental, social and equitable considerations;
- (b) if there are threats of serious or irreversible environmental damage, lack of full scientific certainty should not be used as a reason for postponing measures to prevent environmental degradation;
- (c) the principle of inter-generational equity—that the present generation should ensure that the health, diversity and productivity of the environment is maintained or enhanced for the benefit of future generations;
- (d) the conservation of biological diversity and ecological integrity should be a fundamental consideration in decision-making;
- (e) improved valuation, pricing and incentive mechanisms should be promoted.

4 Act to bind Crown

This Act binds the Crown in each of its capacities.

Section 5

5 Application of Act

Extension to external Territories

- (1) This Act extends to each external Territory.

Limited extraterritorial application

- (2) This Act applies to acts, omissions, matters and things in the Australian jurisdiction, and does not apply to acts, omissions, matters and things outside the Australian jurisdiction except so far as the contrary intention appears.

Application limited to Australians outside exclusive economic zone

- (3) A provision of this Act that has effect in relation to a place that is outside the outer limits of the exclusive economic zone and is not on or in the continental shelf applies only in relation to:
- (a) Australian citizens; and
 - (b) persons who:
 - (i) are not Australian citizens; and
 - (ii) hold permanent visas under the *Migration Act 1958*; and
 - (iii) are domiciled in Australia or an external Territory; and
 - (c) corporations incorporated in Australia or an external Territory; and
 - (d) the Commonwealth; and
 - (e) Commonwealth agencies; and
 - (f) Australian aircraft; and
 - (g) Australian vessels; and
 - (h) members of crews of Australian aircraft and Australian vessels (including persons in charge of aircraft or vessels).

Application to everyone in Australia and exclusive economic zone

- (4) A provision of this Act that has effect in relation to a place that is within the outer limits of the exclusive economic zone (whether the place is in the zone or in Australia or an external Territory) or that is on or in the continental shelf applies in relation to:
- (a) all persons (including persons who are not Australian citizens); and

- (b) all aircraft (including aircraft that are not Australian aircraft);
and
- (c) all vessels (including vessels that are not Australian vessels).

Note: A reference to Australia or to an external Territory generally includes a reference to the coastal sea of Australia or the Territory (as appropriate). See section 15B of the *Acts Interpretation Act 1901*.

Definitions

- (5) In this Act:

Australian aircraft means:

- (a) an aircraft that is owned, possessed or controlled by:
 - (i) the Commonwealth or a Commonwealth agency; or
 - (ii) a State, a self-governing Territory or an agency of a State or self-governing Territory; or
- (b) an aircraft that is registered in Australia.

Australian jurisdiction means the land, waters, seabed and airspace in, under or above:

- (a) Australia; or
- (b) an external Territory; or
- (c) the exclusive economic zone; or
- (d) the continental shelf.

Note: A reference to Australia or to an external Territory generally includes a reference to the coastal sea of Australia or the Territory (as appropriate). See section 15B of the *Acts Interpretation Act 1901*.

Australian vessel means:

- (a) a vessel that is owned, possessed or controlled by:
 - (i) the Commonwealth or a Commonwealth agency; or
 - (ii) a State, a self-governing Territory or an agency of a State or self-governing Territory; or
- (b) a vessel that is registered in Australia; or
- (c) a vessel that is flying the Australian flag.

Section 6

6 Extended application of Act to match extended management of fisheries under the *Fisheries Management Act 1991*

- (1) This section applies if:
- (a) under the *Fisheries Management Act 1991*, a plan of management in force under that Act applies to particular fishing activities in a particular area of water; and
 - (b) the area of water is not within, or is not wholly within:
 - (i) the Australian jurisdiction; or
 - (ii) a Commonwealth area; or
 - (iii) a Commonwealth marine area; and
 - (c) the area of water is not:
 - (i) an area of water, rights in respect of which have been vested in a State by section 4 of the *Coastal Waters (State Title) Act 1980* or in the Northern Territory by section 4 of the *Coastal Waters (Northern Territory Title) Act 1980*; or
 - (ii) an area of water within the limits of a State or the Northern Territory.
- (2) If, apart from this subsection, a provision of this Act would, or would not, apply in relation to the fishing activities (or in relation to fish or other things taken in the course of the activities) because the area of water mentioned in subsection (1) is not within, or is not wholly within:
- (a) the Australian jurisdiction; or
 - (b) a Commonwealth area; or
 - (c) a Commonwealth marine area;
- that provision has effect in relation to the fishing activities (and in relation to fish or other things taken in the course of the activities) as if the area of water were wholly within:
- (d) the Australian jurisdiction; or
 - (e) a Commonwealth area; or
 - (f) a Commonwealth marine area;
- as the case requires.

Note: This section is subject to subsection 5(3).

Example 1: Fishing activities in an area of water that is not a Commonwealth area generally do not contravene Part 13. However, because of this subsection, that Part applies to fishing activities to which this section applies as if the area of water were within a Commonwealth area. The fishing activities may therefore contravene that Part.

Example 2: If fish taken in the course of fishing activities in an area of water that is not within the Australian jurisdiction are brought into Australia, this generally constitutes an import (being an import by way of introduction from the sea) of the fish into Australia, which may contravene Part 13A. However, because of this subsection, that Part applies to the fish as if the area of water were within the Australian jurisdiction. The bringing of the fish into Australia therefore does not constitute an import for the purposes of that Part.

Example 3: This section allows a plan of management to be accredited under Part 13 in respect of the entire area of water to which the plan relates (even if some of the area is outside the Australian jurisdiction, a Commonwealth area or a Commonwealth marine area).

(3) In this section:

fishing has the same meaning as in the *Fisheries Management Act 1991*.

7 Application of the *Criminal Code*

Chapter 2 of the *Criminal Code* (except Part 2.5) applies to all offences against this Act.

Note 1: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

Note 2: Part 2.5 of the *Criminal Code* (which deals with corporate criminal responsibility) is excluded from applying to offences against this Act by subsection 498B(9).

8 Native title rights not affected

(1) To avoid doubt, nothing in this Act affects the operation of section 211 of the *Native Title Act 1993* in relation to a provision of this Act.

Note: Section 211 of the *Native Title Act 1993* provides that holders of native title rights covering certain activities do not need authorisation required by other laws to engage in those activities.

(2) This Act does not affect the operation of:

- (a) the *Aboriginal Land Rights (Northern Territory) Act 1976*; or
- (b) the *Native Title Act 1993*.

9 Relationship with other Acts

Aboriginal Land Rights (Northern Territory) Act 1976

- (1A) Subsection 70(1) of the *Aboriginal Land Rights (Northern Territory) Act 1976* does not prevent a person exercising powers or performing functions or duties under Division 4 or 5 of Part 15, or Division 5 of Part 19, of this Act from entering or remaining on land:
- (a) in the Kakadu region or Uluru region; and
 - (b) in which an Aboriginal Land Trust established under that Act holds an estate in fee simple.

Airports Act 1996 not affected

- (1) This Act does not affect the operation of the *Airports Act 1996*.

Antarctic Treaty (Environment Protection) Act 1980 not affected

- (2) To avoid doubt, nothing in this Act affects the operation of subsection 7(1) of the *Antarctic Treaty (Environment Protection) Act 1980* or regulations made for the purposes of that subsection.

10 Relationship with State law

This Act is not intended to exclude or limit the concurrent operation of any law of a State or Territory, except so far as the contrary intention appears.

Chapter 2—Protecting the environment

Part 2—Simplified outline of this Chapter

11 Simplified outline of this Chapter

The following is a simplified outline of this Chapter:

This Chapter provides a basis for the Minister to decide whether an action that has, will have or is likely to have a significant impact on certain aspects of the environment should proceed.

It does so by prohibiting a person from taking an action without the Minister having given approval or decided that approval is not needed. (Part 9 deals with the giving of approval.)

Approval is not needed to take an action if any of the following declare that the action does not need approval:

- (a) a bilateral agreement between the Commonwealth and the State or Territory in which the action is taken;
- (b) a declaration by the Minister.

Also, an action does not need approval if it is taken in accordance with Regional Forest Agreements or it is for a purpose for which, under a zoning plan for a zone made under the *Great Barrier Reef Marine Park Act 1975*, the zone may be used or entered without permission.

Part 3—Requirements for environmental approvals

Division 1—Requirements relating to matters of national environmental significance

Subdivision A—World Heritage

12 Requirement for approval of activities with a significant impact on a declared World Heritage property

- (1) A person must not take an action that:
 - (a) has or will have a significant impact on the world heritage values of a declared World Heritage property; or
 - (b) is likely to have a significant impact on the world heritage values of a declared World Heritage property.

Civil penalty:

 - (a) for an individual—5,000 penalty units;
 - (b) for a body corporate—50,000 penalty units.
- (2) Subsection (1) does not apply to an action if:
 - (a) an approval of the taking of the action by the person is in operation under Part 9 for the purposes of this section; or
 - (b) Part 4 lets the person take the action without an approval under Part 9 for the purposes of this section; or
 - (c) there is in force a decision of the Minister under Division 2 of Part 7 that this section is not a controlling provision for the action and, if the decision was made because the Minister believed the action would be taken in a manner specified in the notice of the decision under section 77, the action is taken in that manner; or
 - (d) the action is an action described in subsection 160(2) (which describes actions whose authorisation is subject to a special environmental assessment process).
- (3) A property has *world heritage values* only if it contains natural heritage or cultural heritage. The *world heritage values* of the property are the natural heritage and cultural heritage contained in the property.

(4) In this section:

cultural heritage has the meaning given by the World Heritage Convention.

natural heritage has the meaning given by the World Heritage Convention.

13 What is a *declared World Heritage property*?

Properties on World Heritage List

(1) A property included in the World Heritage List is a ***declared World Heritage property*** as long as the property is included in the List.

Properties not yet on World Heritage List

(2) A property specified in a declaration made under section 14 (with any amendments made under section 15) is a ***declared World Heritage property*** for the period for which the declaration is in force.

14 Declaring a property to be a declared World Heritage property

Making declarations

- (1) The Minister may declare a specified property to be a declared World Heritage property by notice in the *Gazette* if:
- (a) the property is a property submitted by the Commonwealth to the World Heritage Committee under Article 11 of the World Heritage Convention as suitable for inclusion in the World Heritage List; or
 - (b) the Minister is satisfied that:
 - (i) the property has, or is likely to have, world heritage values; and
 - (ii) some or all of the world heritage values of the property are under threat.

Note 1: The Minister may make more than one declaration relating to the same property. See subsection 33(1) of the *Acts Interpretation Act 1901*.

Note 2: The Minister may make an extra declaration to cover property that is an extension of a property previously submitted to the World Heritage Committee.

Section 14

Consulting State or Territory before making declaration

- (2) Before the Minister makes a declaration relating to property wholly or partly within a State or self-governing Territory, the Minister must inform the appropriate Minister of the State or Territory of the proposal to make the declaration, and give him or her a reasonable opportunity to comment on the proposal.

Consultation not required if threat is imminent

- (3) However, the Minister need not comply with subsection (2) if:
- (a) he or she proposes to make a declaration in the circumstances described in paragraph (1)(b); and
 - (b) he or she is satisfied that the threat mentioned in subparagraph (1)(b)(ii) is imminent.

Failure to comply with subsection (2)

- (4) The validity of a declaration is not affected by a failure to comply with subsection (2) in relation to the making of the declaration.

When a declaration is in force

- (5) A declaration:
- (a) comes into force when it is published in the *Gazette*; and
 - (b) remains in force (whether amended under section 15 or not) until the earliest of the following events:
 - (i) the end of the period specified in the declaration as the period for which the declaration is in force;
 - (ii) the revocation of the declaration;
 - (iii) if the declaration specifies a property submitted to the World Heritage Committee for inclusion in the World Heritage List—the Committee either includes the property in the List or decides the property should not be included in the List.

Specified period for which declaration is in force

- (6) The Minister must specify in a declaration the period for which it is to be in force. The period must not be longer than the period the Minister believes:

- (a) the World Heritage Committee needs to decide whether or not to include the property in the World Heritage List, in the case of a declaration specifying a property that has been submitted to the Committee for inclusion in the List; or
- (b) the Commonwealth needs to decide whether the property has world heritage values and to submit the property to the World Heritage Committee for inclusion in the World Heritage List, in the case of a declaration specifying a property not yet submitted to the Committee for inclusion in the List.

Declarations because of threat in force for a year or less

- (7) The Minister must not specify that a declaration of a property is to be in force for more than 12 months if:
 - (a) the declaration is made in the circumstances described in paragraph (1)(b); and
 - (b) the property is not a property submitted by the Commonwealth to the World Heritage Committee under Article 11 of the World Heritage Convention as suitable for inclusion in the World Heritage List.

15 Amending or revoking a declaration of a declared World Heritage property

Revoking declarations specifying nominated property

- (1) The Minister must, by notice in the *Gazette*, revoke a declaration made under section 14 specifying a property that has been submitted to the World Heritage Committee for inclusion in the World Heritage List if the Commonwealth decides to withdraw the submission of the property for inclusion in the List.

Amending declarations specifying nominated property

- (2) The Minister must, by notice in the *Gazette*, amend a declaration made under section 14 specifying a property that has been submitted to the World Heritage Committee for inclusion in the World Heritage List so as to remove from the specification any part of the property that the Commonwealth decides to withdraw from the submission.

Section 15A

Revoking declarations specifying property not yet nominated

- (3) The Minister must, by notice in the *Gazette*, revoke a declaration made under section 14 specifying a property that is not submitted to the World Heritage Committee for inclusion in the World Heritage List if:
- (a) the Minister is satisfied that the property does not have world heritage values; or
 - (b) the Commonwealth decides not to submit the property to the Committee for inclusion in the List; or
 - (c) the Minister is satisfied that none of the world heritage values of the property are under threat.

15A Offences relating to declared World Heritage properties

- (1) A person is guilty of an offence if:
- (a) the person takes an action; and
 - (b) the action results or will result in a significant impact on the world heritage values of a property; and
 - (c) the property is a declared World Heritage property.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

- (1A) Strict liability applies to paragraph (1)(c).

Note: For strict liability, see section 6.1 of the *Criminal Code*.

- (2) A person is guilty of an offence if:
- (a) the person takes an action; and
 - (b) the action is likely to have a significant impact on the world heritage values of a property; and
 - (c) the property is a declared World Heritage property.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

- (2A) Strict liability applies to paragraph (2)(c).

Note: For strict liability, see section 6.1 of the *Criminal Code*.

- (3) An offence against subsection (1) or (2) is punishable on conviction by imprisonment for a term not more than 7 years, a fine not more than 420 penalty units, or both.

Note 1: Subsection 4B(3) of the *Crimes Act 1914* lets a court fine a body corporate up to 5 times the maximum amount the court could fine a person under this subsection.

Note 2: An executive officer of a body corporate convicted of an offence against this section may also be guilty of an offence against section 495.

Note 3: If a person takes an action on land that contravenes this section, a landholder may be guilty of an offence against section 496C.

- (4) Subsections (1) and (2) do not apply to an action if:
- (a) an approval of the taking of the action by the person is in operation under Part 9 for the purposes of this section; or
 - (b) Part 4 lets the person take the action without an approval under Part 9 for the purposes of this section; or
 - (c) there is in force a decision of the Minister under Division 2 of Part 7 that this section is not a controlling provision for the action and, if the decision was made because the Minister believed the action would be taken in a manner specified in the notice of the decision under section 77, the action is taken in that manner; or
 - (d) the action is an action described in subsection 160(2) (which describes actions whose authorisation is subject to a special environmental assessment process).

Note: The defendant bears an evidential burden in relation to the matters in this subsection. See subsection 13.3(3) of the *Criminal Code*.

Requirements for bilateral agreement making declaration

- (10) If the declaration is for actions approved in accordance with a bilaterally accredited management arrangement, the declaration does not have effect for the purposes of this Act unless the bilateral agreement requires the State or self-governing Territory that is party to the agreement and agencies of the State or Territory:
- (a) to act in accordance with the management arrangement; and
 - (b) not to approve the taking of actions that would be inconsistent with the management arrangement.

47 Agreement may declare classes of actions do not need assessment

Note: A declaration described in subsection (1) can accredit practices, procedures, systems of the State or self-governing Territory for environmental assessment.

Prerequisite to declaration

- (2) The Minister may enter into a bilateral agreement declaring that actions assessed in a specified manner need not be assessed under Part 8 only if he or she is satisfied that assessment of an action in the specified manner will include assessment of the impacts the action:

 - (c) assessment by any person in accordance with criteria specified in an instrument agreed by the parties to the bilateral agreement.

This does not limit subsection (1).

Report on actions that do not need further assessment

- (4) If a bilateral agreement has (or could have) the effect that an action need not be assessed under Part 8 but the action must still be approved under Part 9, the agreement must provide for the Minister to receive a report including, or accompanied by, enough information about the relevant impacts of the action to let the Minister make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action.

 - (b) the matter referred is the same in substance as a matter that has been referred before; or

- (6) To avoid doubt, this section has effect despite sections 58 and 59.

64 Cancellation or suspension of bilateral agreement does not affect certain actions

Application

- (1) This section explains how this Act operates in relation to an action that a person was able to take without approval under Part 9 for the purposes of a provision of Part 3 because of Division 1 of Part 4 and a provision of a bilateral agreement immediately before the cancellation or suspension of the operation of the provision of the agreement for the purposes of this Act or of any provision of this Act.

Actions approved in specified manner may be taken

- (2) If the action was able to be taken without approval under Part 9 because its taking had already been approved in accordance with a management arrangement or an authorisation process that is a bilaterally accredited management arrangement or a bilaterally accredited authorisation process for the purposes of the agreement, this Act continues to operate in relation to the action as if the suspension or cancellation had not occurred.

Subdivision B—Expiry of bilateral agreements

65 Expiry and review of bilateral agreements

- (1) A bilateral agreement ceases to have effect for the purposes of this Act at the time when the agreement provides for it to cease to so have effect.

Note: The parties to a bilateral agreement may also agree to revoke it.

- (2) The Minister must cause a review of the operation of a bilateral agreement to be carried out at least once every 5 years while the agreement remains in effect. The Minister must give a copy of the report of each review to the appropriate Minister of the State or Territory that is party to the agreement.

Note: A bilateral agreement may also provide for review of its operation.

- (3) The Minister must publish the report on each subsection (2) review in accordance with the regulations.

65A Expiry of bilateral agreement does not affect certain actions

Application of subsection (2)

- (1) Subsection (2) explains how this Act operates in relation to an action that a person was able to take without approval under Part 9 for the purposes of a provision of Part 3 because of Division 1 of Part 4 and a provision of a bilateral agreement immediately before the agreement ceases to have effect for the purposes of this Act under section 65.

Actions already approved may be taken

- (2) This Act continues to operate in relation to the action as if the agreement had not ceased to have effect if the action was able to be taken without approval under Part 9 because its taking had already been approved in accordance with a management arrangement or an authorisation process that was a bilaterally accredited management arrangement or a bilaterally accredited authorisation process for the purposes of the agreement.

Chapter 4—Environmental assessments and approvals

Part 6—Simplified outline of this Chapter

66 Simplified outline of this Chapter

The following is a simplified outline of this Chapter:

This Chapter deals with assessment and approval of actions that Part 3 prohibits without approval (*controlled actions*). (It does not deal with actions that a bilateral agreement declares not to need approval.)

A person proposing to take an action, or a government body aware of the proposal, may refer the proposal to the Minister so he or she can decide:

- (a) whether his or her approval is needed to take the action; and
- (b) how to assess the impacts of the action to be able to make an informed decision whether or not to approve the action.

An assessment may be done using:

- (a) a process laid down under a bilateral agreement; or
- (b) a process specified in a declaration by the Minister; or
- (c) a process accredited by the Minister; or
- (ca) information included in the referral; or

- (d) preliminary documentation provided by the proponent; or
- (e) a public environment report; or
- (f) an environmental impact statement; or
- (g) a public inquiry.

Once the report of the assessment is given to the Minister, he or she must decide whether or not to approve the action, and what conditions to attach to any approval.

Part 7—Deciding whether approval of actions is needed

Division 1—Referral of proposals to take action

67 What is a *controlled action*?

An action that a person proposes to take is a *controlled action* if the taking of the action by the person without approval under Part 9 for the purposes of a provision of Part 3 would be (or would, but for section 25AA or 28AB, be) prohibited by the provision. The provision is a *controlling provision* for the action.

67A Prohibition on taking controlled action without approval

A person must not take a controlled action unless an approval of the taking of the action by the person is in operation under Part 9 for the purposes of the relevant provision of Part 3.

Note: A person can be restrained from contravening this section by an injunction under section 475.

68 Referral by person proposing to take action

- (1) A person proposing to take an action that the person thinks may be or is a controlled action must refer the proposal to the Minister for the Minister's decision whether or not the action is a controlled action.
- (2) A person proposing to take an action that the person thinks is not a controlled action may refer the proposal to the Minister for the Minister's decision whether or not the action is a controlled action.
- (3) In a referral under this section, the person must state whether or not the person thinks the action the person proposes to take is a controlled action.
- (4) If the person states that the person thinks the action is a controlled action, the person must identify in the statement each provision that the person thinks is a controlling provision.

- (5) Subsections (1) and (2) do not apply in relation to a person proposing to take an action if the person has been informed by the Minister under section 73 that the proposal has been referred to the Minister.
- (6) This section is affected by section 68A.

68A Actions proposed to be taken under a contract etc.

- (1) This section applies in relation to an action that is proposed to be taken under a contract or an agreement, arrangement or understanding, other than:
 - (a) a subcontract; or
 - (b) an agreement, arrangement or understanding entered into for the purposes of a contract or another agreement, arrangement or understanding.

Note: A person proposing to take an action under a subcontract, or an agreement, arrangement or understanding entered into for the purposes of a contract or another agreement, arrangement or understanding, is not required or permitted to refer the proposal to take the action to the Minister under section 68.

- (2) For the purposes of section 68 and subject to subsection (3), a reference to, or relating to, a person proposing to take the action is a reference to, or relating to, any of the following persons:
 - (a) a party to the contract, agreement, arrangement or understanding for whose benefit the action is proposed to be taken;
 - (b) a person who:
 - (i) requested or procured, or proposes to request or procure, the creation of the contract, agreement, arrangement or understanding; and
 - (ii) is to be responsible for controlling and directing the taking of the proposed action.
- (3) If a person (the *first person*) referred to in paragraph (2)(a) or (b) refers a proposal to take the action to the Minister under section 68:
 - (a) no other person is required or permitted to refer a proposal to take the action to the Minister under section 68; and
 - (b) for the purposes of this Chapter, a reference to, or relating to, the person proposing to take the action is a reference to, or relating to, the first person.

Section 69

- (4) For the purposes of this section, a reference to a contract or subcontract or an agreement, arrangement or understanding includes a reference to a proposed contract, proposed subcontract, proposed agreement, proposed arrangement or proposed understanding.
- (5) Nothing in this section is intended to affect the capacity of a person to refer a proposal to take an action to the Minister under subsection 68(1) or (2) on behalf of the person proposing to take the action.

69 State or Territory may refer proposal to Minister

- (1) A State, self-governing Territory or agency of a State or self-governing Territory that is aware of a proposal by a person to take an action may refer the proposal to the Minister for a decision whether or not the action is a controlled action, if the State, Territory or agency has administrative responsibilities relating to the action.
- (2) This section does not apply in relation to a proposal by a State, self-governing Territory or agency of a State or self-governing Territory to take an action.

Note: Section 68 applies instead.

Note 1: If the proposal to take the action is not referred, the person cannot get an approval under Part 9 to take the action. If taking the action without approval contravenes Part 3, an injunction could be sought to prevent or stop the action, or the person could be ordered to pay a pecuniary penalty.

Note 2: Section 156 sets out rules about time limits.

- (2) In making a request, the Minister must act in accordance with the regulations (if any).

Deemed referral of proposal

- (3) If:

- (a) the Minister has made a request under subsection (1); and
- (b) the period for compliance with the request has ended; and
- (c) the requested person has not referred the proposal to the Minister in accordance with the request;

the Minister may, within 20 business days after the end of that period, determine in writing that this Act has effect as if:

- (d) if paragraph (1)(a) applies—the requested person had referred the proposal to the Minister under subsection 68(1) at the time the determination was made; or
- (e) if paragraph (1)(b) applies—the requested person had referred the proposal to the Minister under subsection 69(1) at the time the determination was made.

- (4) A determination under subsection (3) has effect accordingly.
- (5) A copy of a determination under subsection (3) is to be given to the requested person.
- (6) Subsection 68(3) and section 72 do not apply to a referral covered by subsection (3) of this section.
- (8) Subsection 74(3) applies to a referral covered by subsection (3) of this section as if the reference in paragraph 74(3)(a) to the referral were a reference to the determination concerned.

71 Commonwealth agency may refer proposal to Minister

Inviting comments from the Australian Heritage Council

- (1A) If the Minister thinks, in relation to an action that is the subject of a proposal referred to the Minister, that section 15B or 15C could be a controlling provision for the proposed action because of National Heritage values of a National Heritage place, the Minister may invite the Australian Heritage Council to give the Minister comments, within 10 business days (measured in Canberra), on whether the proposed action is a controlled action.

Note: Sections 15B and 15C protect the National Heritage values of National Heritage places.

Note: Sections 23, 24A, 24B, 24C, 26, 27A, 27B, 27C and 28 protect the environment, which includes the heritage values of places. See the definition of *environment* in section 528.

 - (b) invite that Minister to give the Environment Minister within 10 business days:

Section 74

Note: Subsection (2) also applies in relation to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

Inviting public comment

 - (a) the referral; and
 - (b) an invitation for anyone to give the Minister comments within 10 business days (measured in Canberra) on whether the action is a controlled action.

Note: If the action is also the subject of a permit application under section 200, 215, 237 or 257 and the application is made at the same time as the referral, the referral and invitation for comments that must be published under this subsection may be published together with the application and invitation for comments that must be published under section 200, 215, 237 or 257.

Non-disclosure of commercial-in-confidence information

- (3A) The Environment Minister may refuse to cause to be published on the internet, under subsection (3), so much of the information included in a referral as the Minister is satisfied is commercial-in-confidence.
- (3B) The Environment Minister must not be satisfied that particular information included in a referral is commercial-in-confidence unless a person demonstrates to the Minister that:
 - (a) release of the information would cause competitive detriment to the person; and
 - (b) the information is not in the public domain; and
 - (c) the information is not required to be disclosed under another law of the Commonwealth, a State or a Territory; and
 - (d) the information is not readily discoverable.

74A Minister may request referral of a larger action

- (1) If the Minister receives a referral in relation to a proposal to take an action by a person, and the Minister is satisfied the action that is the subject of the referral is a component of a larger action the person proposes to take, the Minister may decide to not accept the referral.
- (2) If the Minister decides to not accept a referral under subsection (1), the Minister:
 - (a) must give written notice of the decision to the person who referred the proposal to the Minister; and
 - (b) must give written notice of the decision to the person who is proposing to take the action that was the subject of the referral; and

- (g) no decision that the action (or a larger action of which the action is a component) is not a controlled action is in operation under section 75 in relation to the referral; and
- (h) no decision is in operation under Part 9 in relation to the referral approving, or not approving, the taking of the action (or a larger action of which the action is a component).

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

- (2) Subsection (1) does not apply to the taking of an action by a person if:

Penalty: 500 penalty units.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

Division 1A—Decision that action is clearly unacceptable

74B Application of this Division

- (1) This Division applies to the referral of a proposal to take an action if, within 20 business days after the Minister receives the referral:
 - (a) the Minister considers, on the basis of the information in the referral, that it is clear that the action would have unacceptable impacts on a matter protected by a provision of Part 3; and
 - (b) the Minister decides that this Division should apply to the referral.
- (2) If this Division applies to a referral, any other provisions of this Chapter that would, apart from this subsection, have applied to the referral cease to apply to the referral.
- (3) Subsection (2) has effect subject to paragraph 74D(6)(a).

74C Informing person proposing to take action that action is clearly unacceptable

- (1) As soon as practicable after making the decision under paragraph 74B(1)(b) in relation to a referral, the Minister must give written notice of the decision to:
 - (a) the person proposing to take the action that is the subject of the referral; and
 - (b) the person who referred the proposal to the Minister (if that person is not the person proposing to take the action that is the subject of the referral).
- (2) The notice must:
 - (a) state that the Minister considers that the action would have unacceptable impacts on a matter protected by a provision of Part 3; and
 - (b) set out the reasons for the Minister's decision.
- (3) After receiving the notice under subsection (1), the person proposing to take the action may:

- (a) withdraw the referral and take no further action in relation to the proposed action; or
- (b) withdraw the referral and refer a new proposal to take a modified action to the Minister in accordance with Division 1; or
- (c) request the Minister, in writing, to reconsider the referral.

Note 1: Section 170C sets out the procedure for withdrawing a referral.

Note 2: A referral of a proposal to take a modified action will be a new referral for the purposes of this Chapter.

74D Procedure if Minister is requested to reconsider referral

- (1) This section applies if the Minister receives a request under paragraph 74C(3)(c) to reconsider a referral.

Inviting public comment

- (2) The Minister must, within 10 business days after receiving the request, publish on the internet:
 - (a) a notice stating that the Minister proposes not to approve the taking of the action that is the subject of the referral; and
 - (b) the reasons for the Minister's decision; and
 - (c) an invitation for anyone to give the Secretary, within 10 business days (measured in Canberra), comments in writing on:
 - (i) the impacts that the action would have on a matter protected by a provision of Part 3; and
 - (ii) the Minister's proposal to refuse to approve the taking of the action.

Report about relevant impacts of action

- (3) Within 10 business days after the end of the period for comment under paragraph (2)(c), the Secretary must:
 - (a) prepare a written report about the relevant impacts that the action has or will have, or is likely to have, on a matter protected by a provision of Part 3; and
 - (b) give the Minister:
 - (i) the report; and
 - (ii) a copy of any comments received by the Secretary within the period for comment.

Section 74D

In preparing the report, the Secretary must have regard to the comments referred to in subparagraph (b)(ii).

Decision following reconsideration

- (4) Within 20 business days after receiving the report under subsection (3), the Minister must:
- (a) if the Minister still considers that it is clear that the action would have unacceptable impacts on a matter protected by a provision of Part 3—decide to refuse to approve the taking of the action; or
 - (b) decide that the referral is to be dealt with under the provisions of this Chapter that, because of subsection 74B(2), have ceased to apply to the referral.
- (5) If the Minister decides to refuse to approve the taking of the action, the Minister must, within 10 business days after making the decision, give notice of the decision to:
- (a) the person proposing to take the action; and
 - (b) the person who referred the proposal to the Minister (if that person is not the person proposing to take the action).

Note: The person proposing to take the action may request reasons for the refusal and the Minister must give them. See section 13 of the *Administrative Decisions (Judicial Review) Act 1977*.

- (6) If the Minister makes a decision under paragraph (4)(b):
- (a) the provisions of this Chapter that, because of subsection 74B(2), have ceased to apply to the referral start to apply to the referral; and
 - (b) for the purposes of the application of those provisions, a day is not to be counted as a business day if it is:
 - (i) on or after the day the Minister received the referral; and
 - (ii) on or before the day the Minister makes the decision under paragraph (4)(b).

Note: If the Minister had already complied with section 74 in relation to the referral before the Minister made the decision under paragraph 74B(1)(b) in relation to the referral, the Minister is not required to comply with section 74 again.

Division 2—Ministerial decision whether action needs approval

75 Does the proposed action need approval?

Is the action a controlled action?

- (1) The Minister must decide:
 - (a) whether the action that is the subject of a proposal referred to the Minister is a controlled action; and
 - (b) which provisions of Part 3 (if any) are controlling provisions for the action.

Note: The Minister may revoke a decision made under subsection (1) about an action and substitute a new decision. See section 78.

- (1AA) To avoid doubt, the Minister is not permitted to make a decision under subsection (1) in relation to an action that was the subject of a referral that was not accepted under subsection 74A(1).

Minister must consider public comment

- (1A) In making a decision under subsection (1) about the action, the Minister must consider the comments (if any) received:
 - (a) in response to the invitation under subsection 74(3) for anyone to give the Minister comments on whether the action is a controlled action; and
 - (b) within the period specified in the invitation.

Considerations in decision

- (2) If, when the Minister makes a decision under subsection (1), it is relevant for the Minister to consider the impacts of an action:
 - (a) the Minister must consider all adverse impacts (if any) the action:
 - (i) has or will have; or
 - (ii) is likely to have;on the matter protected by each provision of Part 3; and
 - (b) must not consider any beneficial impacts the action:
 - (i) has or will have; or

Section 75

- (ii) is likely to have;
on the matter protected by each provision of Part 3.

Note: *Impact* is defined in section 527E.

- (2A) For the purposes of subsection (2), if the provision of Part 3 is subsection 15B(3), 15C(5), 15C(6), 23(1), 24A(1), 26(1) or 27A(1), then the impacts of the action on the matter protected by that provision are only those impacts that the part of the action that is taken in or on a Commonwealth area, a Territory, a Commonwealth marine area or Commonwealth land:
- (a) has or will have; or
 - (b) is likely to have;
- on the matter.
- (2AA) For the purposes of subsection (2), if the provision of Part 3 is subsection 24B(1) or 24C(1) or (3), then the impacts of the action on the matter protected by that provision are only those impacts that the part of the action that is taken in the Great Barrier Reef Marine Park:
- (a) has or will have; or
 - (b) is likely to have;
- on the matter.
- (2B) Without otherwise limiting any adverse impacts that the Minister must consider under paragraph (2)(a), the Minister must not consider any adverse impacts of:
- (a) any RFA forestry operation to which, under Division 4 of Part 4, Part 3 does not apply; or
 - (b) any forestry operations in an RFA region that may, under Division 4 of Part 4, be undertaken without approval under Part 9.

Designating a proponent of the action

- (3) If the Minister decides that the action is a controlled action, the Minister must designate a person as proponent of the action.

Consent to designation

- (4) The Minister may designate a person who does not propose to take the action only if:
- (a) the person agrees to being designated; and

- (b) the person proposing to take the action agrees to the designation.

Timing of decision and designation

- (5) The Minister must make the decisions under subsection (1) and, if applicable, the designation under subsection (3), within 20 business days after the Minister receives the referral of the proposal to take the action.

Note: If the Minister decides, under subsection 75(1), that the action is a controlled action, the Minister must, unless the Minister has requested more information under subsection 76(3) or section 89, decide on the approach to be used for assessment of the relevant impacts of the action on the same day as the Minister makes the decision under subsection 75(1)—see subsection 88(2).

Time does not run while further information being sought

- (6) If the Minister has requested more information under subsection 76(1) or (2) for the purposes of making a decision, a day is not to be counted as a business day for the purposes of subsection (5) if it is:
 - (a) on or after the day the Minister requested the information; and
 - (b) on or before the day on which the Minister receives the last of the information requested.

Running of time may be suspended by agreement

- (7) The Minister and the person proposing to take the action may agree in writing that days within a period worked out in accordance with the agreement are not to be counted as business days for the purposes of subsection (5). If the agreement is made, those days are not to be counted for the purposes of that subsection.

76 Minister may request more information for making decisions

- (1) If the Minister believes on reasonable grounds that the referral of a proposal to take an action does not include enough information for the Minister to decide:
 - (a) whether the action is a controlled action; or
 - (b) which provisions of Part 3 (if any) are controlling provisions for the action;

Section 77

the Minister may request the person proposing to take the action to provide specified information relevant to making the decision.

- (2) Before the Minister makes the decisions under subsection 75(1) in relation to the action, the Minister may request the person proposing to take the action to provide information about whether or not the action is a component of a larger action that is proposed to be taken by the person.
- (3) If the Minister believes on reasonable grounds that the information given to the Minister in relation to the action is not enough to allow the Minister to make an informed decision on the approach to be used for assessment of the relevant impacts of the action, the Minister may request the person proposing to take the action to provide specified information relevant to making the decision.
- (4) Without limiting subsection (3), if the action is to be taken in a State or self-governing Territory, the Minister may request the person proposing to take the action to provide information about:
 - (a) whether the relevant impacts of the action have been, or are being, assessed by the State or Territory; and
 - (b) if so, the method of assessment that was, or is being, used and what stage the assessment has reached.
- (5) The Minister may make a request under subsection (3) even if the Minister has not yet made the decisions under subsection 75(1) in relation to the action.

77 Notice and reasons for decision

Giving notice

- (1) Within 10 business days after deciding whether an action that is the subject of a proposal referred to the Minister is a controlled action or not, the Minister must:
 - (a) give written notice of the decision to:
 - (i) the person proposing to take the action; and
 - (ii) if the Minister has designated as proponent of the action a person who does not propose to take the action—that person; and
 - (iii) if the Minister decided that the action is a controlled action because of Division 1 of Part 3 (which deals with

matters of national environmental significance)—the appropriate Minister of each State or self-governing Territory in which the action is to be taken; and

- (b) publish notice of the decision in accordance with the regulations.

Note 1: Section 156 sets out rules about time limits.

Note 2: Subparagraph (1)(a)(iii) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

Notice must identify any applicable controlling provisions

- (2) If the decision is that the action is a controlled action, the notice must identify each of the controlling provisions.

Reasons for decision

- (4) The Minister must give reasons for the decision to a person who:
- (a) has been given the notice; and
 - (b) within 28 days of being given the notice, has requested the Minister to provide reasons.

The Minister must do so as soon as practicable, and in any case within 28 days of receiving the request.

77A Action to be taken in a particular manner

- (1) If, in deciding whether the action is a controlled action or not, the Minister has made a decision (the ***component decision***) that a particular provision of Part 3 is not a controlling provision for the action because the Minister believes it will be taken in a particular manner, the notice, to be provided under section 77, must set out the component decision, identifying the provision and the manner.

Note: The Minister may decide that a provision of Part 3 is not a controlling provision for an action because he or she believes that the action will be taken in a manner that will ensure the action will not have (and is not likely to have) an adverse impact on the matter protected by the provision.

- (1A) For the purposes of subsection (1), it does not matter whether or not the Minister believes that the action will be taken in accordance with:
- (a) an accredited management arrangement or an accredited authorisation process for the purposes of a declaration under section 33; or

Section 77A

- (b) a bioregional plan to which a declaration made under section 37A relates; or
 - (c) a bilaterally accredited management arrangement or a bilaterally accredited authorisation process for the purposes of a bilateral agreement.
- (2) A person must not take an action, that is the subject of a notice that includes a particular manner under subsection (1), in a way that is inconsistent with the manner specified in the notice.

Civil penalty:

- (a) for an individual—1,000 penalty units, or such lower amount as is prescribed by the regulations;
- (b) for a body corporate—10,000 penalty units, or such lower amount as is prescribed by the regulations.

Division 3—Reconsideration of decisions

78 Reconsideration of decision

Limited power to vary or substitute decisions

- (1) The Minister may revoke a decision (the *first decision*) made under subsection 75(1) about an action and substitute a new decision under that subsection for the first decision, but only if:
- (a) the Minister is satisfied that the revocation and substitution is warranted by the availability of substantial new information about the impacts that the action:
 - (i) has or will have; or
 - (ii) is likely to have;on a matter protected by a provision of Part 3; or
 - (aa) the Minister is satisfied that the revocation and substitution is warranted by a substantial change in circumstances that was not foreseen at the time of the first decision and relates to the impacts that the action:
 - (i) has or will have; or
 - (ii) is likely to have;on a matter protected by a provision of Part 3; or
 - (b) the following requirements are met:
 - (i) the first decision was that the action was not a controlled action because the Minister believed the action would be taken in the manner identified under subsection 77A(1) in the notice given under section 77;
 - (ii) the Minister is satisfied that the action is not being, or will not be, taken in the manner identified; or
 - (ba) the following requirements are met:
 - (i) the first decision was that the action was not a controlled action because of a provision of a bilateral agreement and a management arrangement or an authorisation process that is a bilaterally accredited management arrangement or a bilaterally accredited authorisation process for the purposes of the agreement;
 - (ii) the provision of the agreement no longer operates in relation to the action, or the management arrangement

Section 78

or authorisation process is no longer in force under, or set out in, a law of a State or a self-governing Territory identified in or under the agreement; or

- (c) the following requirements are met:
 - (i) the first decision was that the action was not a controlled action because of a declaration under section 33 and a management arrangement or an authorisation process that is an accredited management arrangement or an accredited authorisation process for the purposes of the declaration;
 - (ii) the declaration no longer operates in relation to the action, or the management arrangement or authorisation process is no longer in operation under, or set out in, a law of the Commonwealth identified in or under the declaration; or
- (ca) the following requirements are met:
 - (i) the first decision was that the action was not a controlled action because of a declaration under section 37A and a bioregional plan to which the declaration relates;
 - (ii) the declaration no longer operates in relation to the action, or the bioregional plan is no longer in force; or
- (d) the Minister is requested under section 79 to reconsider the decision.

Note 1: Subsection 75(1) provides for decisions about whether an action is a controlled action and what the controlling provisions for the action are.

Note 2: A person (other than a Minister of a State or self-governing Territory) may request the Minister to reconsider a decision made under subsection 75(1) about an action on the basis of a matter referred to in any of paragraphs 78(1)(a) to (ca). See section 78A.

Note 3: If the Minister decides to revoke a decision under subsection (1) and substitute a new decision for it, the Minister is not required to carry out the processes referred to in sections 73 and 74 again before making the new decision.

Reversing decision that provision of Part 3 is not controlling provision

- (2) A provision of Part 3 letting an action be taken if the Minister has decided that a particular provision (the ***prohibiting provision***) of that Part is not a controlling provision for the action does not

prevent the Minister from acting under subsection (1) to revoke a decision that the prohibiting provision is not a controlling provision for an action and substitute a decision that the prohibiting provision is a controlling provision for the action.

Decision not to be revoked after approval granted or refused or action taken

- (3) The Minister must not revoke the first decision after:
- (a) the Minister has granted or refused an approval of the taking of the action; or
 - (b) the action is taken.

General effect of change of decision

- (4) When the first decision is revoked and a new decision is substituted for it:
- (a) any provisions of this Chapter that applied in relation to the action because of the first decision cease to apply in relation to the action; and
 - (b) any provisions of this Chapter that are relevant because of the new decision apply in relation to the action.

Change of designation of proponent

- (5) If the Minister believes a person (the **first proponent**) designated under section 75 as proponent of an action is no longer an appropriate person to be the designated proponent of the action, the Minister may revoke the designation and designate another person (the **later proponent**) as proponent of the action.

Consent to designation

- (6) The Minister may designate the other person as proponent of the action only if:
- (a) he or she consents to it and the person proposing to take the action agrees to it; or
 - (b) the other person is the person proposing to take the action.

Effect of change of designated proponent

- (7) If the Minister revokes the designation of the first proponent and designates the later proponent:

Section 78A

- (a) the provisions of this Chapter that applied to the first proponent cease to apply to the first proponent in relation to the action but apply to the later proponent; and
- (b) for the purposes of those provisions the later proponent is taken to have done anything the first proponent did in relation to the action; and
- (c) for the purposes of those provisions anything done in relation to the first proponent in relation to the action is taken to have been done in relation to the later proponent.

78A Request for reconsideration of decision by person other than State or Territory Minister

- (1) A person (other than a Minister of a State or self-governing Territory) may request the Minister to reconsider a decision made under subsection 75(1) about an action on the basis of a matter referred to in any of paragraphs 78(1)(a) to (ca).

Note: Section 79 deals with requests for reconsideration by a Minister of a State or self-governing Territory.

- (2) A request under subsection (1) must:
 - (a) be in writing; and
 - (b) set out the basis on which the person thinks the decision should be reconsidered; and
 - (c) if the regulations specify other requirements for requests under subsection (1)—comply with those requirements.
- (3) If a request is made under subsection (1) in relation to a decision that an action is a controlled action, or that particular provisions are controlling provisions for an action, then:
 - (a) if the request is made by the designated proponent of the action—Part 8 ceases to apply in relation to the action until the Minister makes a decision in relation to the request; but
 - (b) if the request is made by another person—the application of Part 8 in relation to the action is not affected by the making of the request (subject to the outcome of the reconsideration).
- (4) If:
 - (a) because of paragraph (3)(a), Part 8 has ceased to apply in relation to an action; and

- (b) the Minister confirms the decision that is the subject of the request under subsection (1);
- then:
- (c) the application of Part 8 in relation to the action resumes (as does any assessment process under that Part that had previously commenced in relation to the action); and
 - (d) for the purposes of the resumed application of Part 8, a day is not to be counted as a business day if it is:
 - (i) on or after the day the Minister received the request; and
 - (ii) on or before the day the Minister confirms the decision.

78B Minister must inform interested persons of request and invite comments

- (1) The Minister (the *Environment Minister*) must comply with this section if he or she receives a request under section 78A to reconsider a decision made under subsection 75(1) about an action.

Informing designated proponent of request and inviting comments

- (2) If the request is made by a person other than the designated proponent of the action, the Environment Minister must:
 - (a) inform the designated proponent of the request in accordance with subsection (3); and
 - (b) invite the designated proponent to give the Environment Minister, within 10 business days, comments on the request.
- (3) For the purpose of paragraph (2)(a), the Environment Minister must inform the designated proponent of the request by giving the designated proponent such information relating to the request as the Minister considers appropriate. The Minister need not (for example) reveal the identity of the person who made the request.

Inviting other Commonwealth Ministers to provide information

- (4) The Environment Minister must:
 - (a) inform any other Minister who the Environment Minister believes has administrative responsibilities relating to the action of the request; and
 - (b) invite each Minister informed to give the Environment Minister, within 10 business days, information about whether

Section 78C

a matter referred to in any of paragraphs 78(1)(a) to (ca) is applicable in relation to the action.

Inviting comments from appropriate State or Territory Minister

- (5) If the request relates to an action proposed to be taken in a State or self-governing Territory and the Environment Minister thinks the action may have an impact on a matter protected by a provision of Division 1 of Part 3 (about matters of national environmental significance), the Environment Minister must:
- (a) inform the appropriate Minister of the State or Territory of the request; and
 - (b) invite that Minister to give the Environment Minister, within 10 business days:
 - (i) comments on whether a matter referred to in any of paragraphs 78(1)(a) to (ca) is applicable in relation to the action; and
 - (ii) any other information that the Minister of the State or Territory considers relevant to the reconsideration.

Note: Subsection (5) also applies in relation to a request that relates to an action that is to be taken in an area offshore from a State or the Northern Territory. See section 157.

Inviting public comment

- (6) The Environment Minister must publish on the internet:
- (a) the request; and
 - (b) an invitation for anyone to give the Environment Minister, within 10 business days (measured in Canberra), comments in writing on whether a matter referred to in any of paragraphs 78(1)(a) to (ca) is applicable in relation to the action.

78C Minister must reconsider decision and give notice of outcome

Reconsideration of decision

- (1) As soon as practicable after the end of the time within which information or comments may be given under section 78B in relation to a request under section 78A to reconsider a decision about an action, the Minister must:
- (a) reconsider the decision; and

- (b) either:
 - (i) confirm the decision; or
 - (ii) revoke the decision in accordance with subsection 78(1), and substitute a new decision for it.

Notice of outcome of reconsideration

- (2) The Minister must give written notice of the outcome of the reconsideration to:
 - (a) the person who requested the reconsideration; and
 - (b) the person proposing to take the action (if that person is not the person referred to in paragraph (a)); and
 - (c) the designated proponent of the action (if the designated proponent is not the person referred to in paragraph (a) or (b)); and
 - (d) if the reconsideration relates to an action referred to in subsection 78B(5)—the appropriate Minister of the State or Territory.
- (3) After giving notice as described in subsection (2), the Minister must publish notice of the outcome of the reconsideration. The regulations may specify how the publication is to be made. Subject to any such regulations, the publication must be made in a way the Minister considers appropriate.

Reasons for outcome of reconsideration

- (4) The Minister must give reasons for the outcome of the reconsideration to a person who:
 - (a) has been given notice of the outcome of the reconsideration under paragraph (2)(a), (b) or (c); and
 - (b) within 28 days after being given the notice, has requested the Minister to provide reasons.

The Minister must do so as soon as practicable, and in any case within 28 days after receiving the request.

79 Reconsideration of decision on request by a State or Territory

- (1) This section applies if the Minister (the *Environment Minister*) has made a decision under subsection 75(1) about whether a provision of Division 1 of Part 3 is a controlling provision for an action proposed to be taken in a State or a self-governing Territory.

Section 79

Note 1: Division 1 of Part 3 deals with requirements for approvals for actions involving matters of national environmental significance.

Note 2: This section also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

- (2) Within 10 business days after the appropriate Minister of the State or Territory is notified of the decision under subparagraph 77(1)(a)(iii), that Minister may request the Environment Minister to reconsider the Environment Minister's decisions made under subsection 75(1).
- (3) Within 20 business days after receiving a request to reconsider a decision, the Environment Minister must:
- (a) reconsider the decision; and
 - (b) either confirm it or revoke it and substitute a new decision for it; and
 - (c) give written notice of the outcome of the reconsideration and reasons for the outcome to:
 - (i) the Minister who requested the reconsideration; and
 - (ii) the person proposing to take the action; and
 - (iii) the designated proponent of the action; and
 - (d) after giving notice as described in paragraph (c), publish notice of the outcome and the reasons for it in accordance with the regulations.

Note: Section 156 sets out rules about time limits.

Part 8—Assessing impacts of controlled actions

Division 1—Simplified outline of this Part

80 Simplified outline of this Part

The following is a simplified outline of this Part:

This Part provides for the assessment of impacts of controlled actions, to provide information for decisions whether or not to approve the taking of the actions. However, this Part does not apply to actions that a bilateral agreement or Ministerial declaration says are to be assessed in another way.

For actions that are to be assessed under this Part, the Minister must choose one of the following methods of assessment:

- (a) an accredited assessment process;
- (aa) an assessment on referral information (see Division 3A);
- (b) an assessment on preliminary documentation (see Division 4);
- (c) a public environment report (see Division 5);
- (d) an environmental impact statement (see Division 6);
- (e) a public inquiry (see Division 7).

Division 2—Application of this Part

81 Application

- (1) This Part applies to the assessment of the relevant impacts of an action that the Minister has decided under Division 2 of Part 7 is a controlled action.
- (2) This section has effect subject to sections 83 and 84.
- (3) This section does not limit section 82.

82 What are the *relevant impacts* of an action?

If the Minister has decided the action is a controlled action

- (1) If the Minister has decided under Division 2 of Part 7 that an action is a controlled action, the *relevant impacts* of the action are the impacts that the action:
 - (a) has or will have; or
 - (b) is likely to have;on the matter protected by each provision of Part 3 that the Minister has decided under that Division is a controlling provision for the action.

If the Minister has not decided whether the action is controlled

- (2) If an action is a controlled action or would be apart from Division 1, 2, 3 or 3A of Part 4 (which provide that approval under Part 9 is not needed for an action covered by a bilateral agreement or declaration)—the *relevant impacts* of the action are impacts that the action:
 - (a) has or will have; or
 - (b) is likely to have;on the matter protected by each provision of Part 3 that is a controlling provision for the action or would be apart from whichever of those Divisions is relevant.

Relationship between subsections (1) and (2)

- (3) Subsection (1) has effect despite subsection (2).
- (4) For the purposes of subsections (1) and (2), if subsection 15B(3), 15C(5), 15C(6), 23(1), 24A(1), 26(1) or 27A(1) is, or would be, a controlling provision for the action, then the impacts of the action on the matter protected by that provision are only those impacts that the part of the action that is taken in or on a Commonwealth area, a Territory, a Commonwealth marine area or Commonwealth land:
 - (a) has or will have; or
 - (b) is likely to have;on the matter.
- (5) For the purposes of subsections (1) and (2), if subsection 24B(1) or 24C(1) or (3) is or would be a controlling provision for the action, then the impacts of the action on the matter protected by that provision are only those impacts that the part of the action that is taken in the Great Barrier Reef Marine Park:
 - (a) has or will have; or
 - (b) is likely to have;on the matter.

83 This Part does not apply if action covered by bilateral agreement

- (1) This Part does not apply in relation to an action if:
 - (a) the action is to be taken in a State or self-governing Territory; and
 - (b) a bilateral agreement between the Commonwealth and the State or Territory declares that actions in a class that includes the action need not be assessed under this Part; and
 - (c) the provision of the bilateral agreement making the declaration is in operation in relation to the action.

Note 1: Subsection (1) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

Note 2: Section 47 deals with bilateral agreements making declarations described in paragraph (1)(b).

Note 2A: An action will be in a class of actions declared not to need assessment under this Part only if the action has been assessed in a manner specified in the bilateral agreement.

Section 84

Note 3: Division 3 of Part 5 explains how the operation of a bilateral agreement may be ended or suspended. Also, under section 49, bilateral agreements do not operate in relation to actions in Commonwealth areas or in the Great Barrier Reef Marine Park, or actions taken by the Commonwealth or a Commonwealth agency, unless they expressly provide that they do.

- (2) If the action is to be taken in 2 or more States or self-governing Territories, this section does not operate unless it operates in relation to each of those States or Territories.

84 This Part does not apply if action covered by declaration

When this Part does not apply

- (1) This Part does not apply in relation to an action if:
- (a) the Minister has declared in writing that actions in a class that includes the action need not be assessed under this Part; and
 - (b) the declaration is in operation.

Note: An action will be in a class of actions declared not to need assessment under this Part only if the action has been assessed in a manner specified in the declaration.

Declaration

- (2) The Minister may declare in writing that actions in a specified class of actions assessed by the Commonwealth or a Commonwealth agency in a specified manner do not require assessment under this Part.

Prerequisites for making a declaration

- (3) The Minister may make a declaration only if he or she is satisfied that:
- (a) assessment of an action in the specified manner will include assessment of the impacts the action:
 - (i) has or will have; or
 - (ii) is likely to have;on each matter protected by a provision of Part 3; and
 - (b) the specified manner of assessment meets the standards (if any) prescribed by the regulations; and

- (c) if the taking of an action assessed in the specified manner must be approved under Part 9, he or she will receive a report including, or accompanied by, enough information about the relevant impacts of the action to let him or her make an informed decision whether or not to approve under Part 9 (for the purpose of each controlling provision) the taking of the action.

Further requirements for making a declaration

- (3A) Sections 34A, 34B, 34BA, 34C, 34D, 34E and 34F apply in relation to the making of a declaration under this section in the same way that they apply to the making of a declaration under section 33.

Specified manner of assessment

- (4) The manner of assessment that may be specified in a declaration includes assessment by a Commonwealth agency under a law of the Commonwealth. This does not limit subsection (2).

Publishing declaration

- (5) The Minister must publish a declaration in accordance with the regulations.

Revoking declaration

- (6) The Minister may, by instrument in writing published in accordance with the regulations, revoke a declaration.

Minister must not give preference

- (7) In making or revoking a declaration relating to an action taken:
 - (a) by a person for the purposes of trade between Australia and another country or between 2 States; or
 - (b) by a constitutional corporation;the Minister must not give preference (within the meaning of section 99 of the Constitution) to one State or part of a State over another State or part of a State.

Division 3—Decision on assessment approach

Subdivision A—Simplified outline of this Division

85 Simplified outline of this Division

The following is a simplified outline of this Division:

The Minister must choose one of the following ways of assessing the relevant impacts of an action the Minister has decided is a controlled action:

- (a) an accredited assessment process;
- (aa) an assessment on referral information;
- (b) an assessment on preliminary documentation;
- (c) a public environment report;
- (d) an environmental impact statement;
- (e) a public inquiry.

Subdivision B—Deciding on approach for assessment

87 Minister must decide on approach for assessment

Minister must choose one assessment approach

- (1) The Minister must decide which one of the following approaches must be used for assessment of the relevant impacts of an action that the Minister has decided is a controlled action:
 - (a) assessment by an accredited assessment process;
 - (aa) assessment on referral information under Division 3A;
 - (b) assessment on preliminary documentation under Division 4;
 - (c) assessment by public environment report under Division 5;
 - (d) assessment by environmental impact statement under Division 6;

- (e) assessment by inquiry under Division 7.

Considerations in making choice

- (3) In making the decision, the Minister must consider:
- (a) information relating to the action given to the Minister in the referral of the proposal to take the action; and
 - (b) any other information available to the Minister about the relevant impacts of the action that the Minister considers relevant (including information in a report on the impacts of actions under a policy, plan or program under which the action is to be taken that was given to the Minister under an agreement under Part 10 (about strategic assessments)); and
 - (c) any relevant information received in response to an invitation under subparagraph 74(2)(b)(ii); and
 - (d) the matters (if any) prescribed by the regulations; and
 - (e) the guidelines (if any) published under subsection (6).

Accredited assessment process

- (4) The Minister may decide on an assessment by an accredited assessment process only if the Minister is satisfied that:
- (a) the process is to be carried out under a law of the Commonwealth, a State or a self-governing Territory; and
 - (b) the process and the law meet the standards (if any) prescribed by the regulations; and
 - (c) the process will ensure that the relevant impacts of the action are adequately assessed; and
 - (d) he or she will receive a report of the outcome of the process that will provide enough information on the relevant impacts of the action to let him or her make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action.

Assessment on referral information

- (4A) The Minister may decide on an assessment on referral information under Division 3A only if the Minister is satisfied (after considering the matters in subsection (3)) that the action meets the criteria prescribed in the regulations for the purposes of this subsection.

Assessment on preliminary documentation

- (5) The Minister may decide on an assessment on preliminary documentation under Division 4 only if the Minister is satisfied (after considering the matters in subsection (3)) that that approach will allow the Minister to make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action.

Guidelines for choosing assessment approach

- (6) The Minister may publish in the *Gazette* guidelines setting out criteria for deciding which approach must be used for assessing the relevant impacts of an action.

88 Timing of decision on assessment approach

Initial decision

- (1) The Minister must decide on the approach to be used for assessment of the relevant impacts of the action within 20 business days after the Minister receives the referral of the proposal to take the action.

Note: Section 156 sets out rules about time limits.

When initial decision must be made

- (2) The Minister must make the decision under subsection (1) on the same day as the Minister has decided, under subsection 75(1), that the action is a controlled action, unless the Minister has requested more information under subsection 76(3) or section 89 for the purposes of deciding on the approach to be used for assessment of the relevant impacts of the action.

Time does not run while further information sought

- (4) If the Minister has requested more information in relation to the action under subsection 76(1), (2) or (3) or section 89, a day is not to be counted as a business day for the purposes of subsection (1) if it is:
- (a) on or after the day the Minister requested the information;
- and

- (b) on or before the day on which the Minister receives the last of the information requested.

Running of time may be suspended by agreement

- (5) The Minister and the designated proponent of the action may agree in writing that days within a period worked out in accordance with the agreement are not to be counted as business days for the purposes of subsection (1). If the agreement is made, those days are not to be counted for the purposes of that subsection.

89 Minister may request more information for making decision

- (1) If the Minister believes on reasonable grounds that the information given to the Minister in relation to an action is not enough to allow the Minister to make an informed decision on the approach to be used for assessment of the relevant impacts of the action, the Minister may request the designated proponent to provide specified information relevant to making the decision.
- (2) Without limiting subsection (1), if the action is to be taken in a State or self-governing Territory, the Minister may request the designated proponent of the action to provide information about:
- (a) whether the relevant impacts of the action have been, or are being, assessed by the State or Territory; and
 - (b) if so, the method of assessment that was, or is being, used and what stage the assessment has reached.
- (3) The Minister may make a request in relation to an action under this section even if the Minister has made a request under subsection 76(3) in relation to the action.

90 Directing an inquiry after starting an assessment

Application

- (1) This section applies if:
- (a) the Minister has made a decision (the *first decision*) under section 87 that the relevant impacts of an action must be assessed by:
 - (i) assessment by public environment report under Division 5; or

Section 91

- (ii) assessment by environmental impact statement under Division 6; and
- (b) the designated proponent publishes:
 - (i) a draft report under section 98 (about public environment reports); or
 - (ii) a draft statement under section 103 (about environmental impact statements).

Revoking and substituting decision

- (2) The Minister may revoke the first decision and make another decision (the ***new decision***) under section 87 (in substitution for the first decision) that the relevant impacts of the action must be assessed by an inquiry under Division 7.

Effect of revocation and substitution

- (3) When the first decision is revoked and the new decision is substituted for it:
 - (a) whichever of Divisions 5 and 6 applied in relation to the action because of the first decision ceases to apply in relation to the action; and
 - (b) Division 7 applies in relation to the action.

91 Notice of decision on assessment approach

- (1) Within 10 business days after making a decision on the approach to be used for assessment of the relevant impacts of an action, the Minister must:
 - (a) give written notice of the decision to:
 - (i) the person proposing to take the action; and
 - (ia) the designated proponent of the action (if the designated proponent is not the person proposing to take the action); and
 - (ii) if the action is to be taken in a State or self-governing Territory and a controlling provision for the action is in Division 1 of Part 3 (which deals with matters of national environmental significance)—the appropriate Minister of the State or Territory; and
 - (b) publish notice of the decision in accordance with the regulations.

Note 1: Section 156 sets out rules about time limits.

Note 2: Subparagraph (1)(a)(ii) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

- (2) If the Minister decided that the relevant impacts of the action are to be assessed by an accredited assessment process, the written notice and the published notice must specify the process.

Division 3A—Assessment on referral information

92 Application of this Division

This Division applies in relation to an action if the Minister has decided under section 87 that the relevant impacts of the action must be assessed by assessment on referral information under this Division.

93 Recommendation report

- (1) The Secretary must comply with this section within 30 business days after the Minister makes the decision under section 87.
- (2) The Secretary must prepare a draft recommendation report that includes recommendations on:
 - (a) whether the taking of the action should be approved under Part 9; and
 - (b) if approval is recommended, any conditions that should be attached to the approval.
- (3) The Secretary must publish on the internet:
 - (a) the draft recommendation report; and
 - (b) an invitation for anyone to give the Secretary, within 10 business days (measured in Canberra), comments in writing relating to the draft recommendation report or the action.
- (3A) The Secretary may refuse to publish on the internet, under subsection (3), so much of the draft recommendation report as:
 - (a) is:
 - (i) an exempt document under subparagraph 33(a)(i) of the *Freedom of Information Act 1982* (documents affecting national security, defence or international relations); or
 - (ii) a conditionally exempt document under section 47C of that Act (deliberative processes) to which access would, on balance, be contrary to the public interest for the purposes of subsection 11A(5) of that Act; or
 - (b) the Secretary is satisfied is commercial-in-confidence.

- (3B) The Secretary must not be satisfied that a part of the draft recommendation report is commercial-in-confidence unless a person demonstrates to the Secretary that:
- (a) release of the information in that part would cause competitive detriment to the person; and
 - (b) the information in that part is not in the public domain; and
 - (c) the information in that part is not required to be disclosed under another law of the Commonwealth, a State or a Territory; and
 - (d) the information in that part is not readily discoverable.
- (4) After the end of the period for comment, the Secretary must finalise the draft recommendation report, taking account of any comments received within that period.
- (5) As soon as practicable after finalising the draft recommendation report, the Secretary must give the Minister:
- (a) the finalised recommendation report; and
 - (b) either:
 - (i) a copy of any comments received within the period for comment; or
 - (ii) if no comments were received within that period—a written statement to that effect.

Division 4—Assessment on preliminary documentation

94 Application of this Division

This Division applies in relation to an action if the Minister has decided under section 87 that the relevant impacts of the action must be assessed by assessment on preliminary documentation under this Division.

95 Direction to publish referral information and invitation to comment—no further information required

- (1) This section applies if the Minister was satisfied, at the time of making the decision (the *assessment approach decision*) under section 87, that the Minister had enough information in relation to the action to allow the Minister to assess the relevant impacts of the action.
- (2) At the same time as the Minister gives notice of the assessment approach decision to the designated proponent of the action under paragraph 91(1)(a), the Minister must give the designated proponent a written direction to publish, within the period specified in the direction (not being less than 10 business days), in accordance with the regulations:
 - (a) specified information included in the referral to the Minister of the proposal to take the action; and
 - (b) specified information relating to the action that was given to the Minister after the referral but before the Minister made the assessment approach decision; and
 - (c) an invitation for anyone to give the designated proponent, within the period specified in the direction, comments in writing relating to the information or the action.
- (3) The designated proponent must comply with the direction.

Note: If the designated proponent does not comply with the direction, the Minister may take action under section 155.
- (4) A direction given under subsection (2) is not a legislative instrument.

95A Direction to publish referral information and invitation to comment—further information required

- (1) This section applies if the Minister was not satisfied, at the time of making the decision (the *assessment approach decision*) under section 87, that the Minister had enough information in relation to the action to allow the Minister to assess the relevant impacts of the action.
- (2) Within 10 business days after the Minister gives notice of the assessment approach decision to the designated proponent of the action under paragraph 91(1)(a), the Minister must request the designated proponent to give the Minister specified information relevant to assessing the relevant impacts of the action, including information about strategies for mitigating any adverse impacts.
- (3) Within 10 business days after receiving the information requested under subsection (2), the Minister must give the designated proponent a written direction to publish, within the period specified in the direction (not being less than 10 business days), in accordance with the regulations:
 - (a) specified information included in the referral to the Minister of the proposal to take the action; and
 - (b) specified information relating to the action that was given to the Minister after the referral but before the Minister made the assessment approach decision; and
 - (c) specified information relating to the action that was received in response to the Minister's request under subsection (2); and
 - (d) an invitation for anyone to give the designated proponent, within the period specified in the direction, comments in writing relating to the information or the action.
- (4) The designated proponent must comply with the direction.

Note: If the designated proponent does not comply with the direction, the Minister may take action under section 155.
- (5) A direction given under subsection (3) is not a legislative instrument.

Section 95B

95B Procedure after end of period for comment

Procedure if comments are received

- (1) If comments are received by the designated proponent within the period for comment, the designated proponent must, as soon as practicable after the end of that period:
 - (a) prepare a document that:
 - (i) sets out the information given to the Minister previously in relation to the action, with any changes or additions needed to take account of the comments; and
 - (ii) contains a summary of the comments received and how those comments have been addressed; and
 - (b) give the Minister:
 - (i) a copy of the document prepared under paragraph (a); and
 - (ii) a copy of the comments received.
- (2) Within 10 business days after the designated proponent has given the Minister the documents referred to in paragraph (1)(b), the designated proponent must publish, in accordance with the regulations, a copy of the document prepared under paragraph (1)(a).

Procedure if no comments are received

- (3) If no comments are received by the designated proponent within the period for comment, the designated proponent must, as soon as practicable after the end of that period, give the Minister a written statement to that effect.
- (4) Within 10 business days after the designated proponent has given the Minister the statement referred to in subsection (3), the designated proponent must publish, in accordance with the regulations, a copy of the information referred to in paragraphs 95(2)(a) and (b) or 95A(3)(a), (b) and (c), as the case requires.

Definition

- (5) In this section:

period for comment means the period within which comments may be given under 95(2)(c) or 95A(3)(d), as the case requires.

95C Recommendation report

- (1) The Secretary must prepare, and give to the Minister, a recommendation report relating to the action. The report must include recommendations on:
 - (a) whether the taking of the action should be approved under Part 9; and
 - (b) if approval is recommended, any conditions that should be attached to the approval.
- (2) The recommendation report must be given to the Minister after the Minister receives the documents under subsection 95B(1) or the statement under subsection 95B(3), as the case requires, and before the end of the period applicable under paragraph 130(1B)(c) in relation to the action.

Note: This is the period within which the Minister must decide whether or not to approve the taking of the action.

Division 5—Public environment reports

96 Application

This Division applies in relation to an action if the Minister has decided under section 87 that the relevant impacts of the action must be assessed by a public environment report under this Division.

96A Minister must give designated proponent written guidelines for preparation of draft public environment report

- (1) The Minister must give the designated proponent of the action written guidelines for the preparation of a draft public environment report about the relevant impacts of the action. The guidelines so given are referred to as the *PER guidelines*.
- (2) The PER guidelines must be:
 - (a) one or more sets of standard guidelines prepared under section 96B that the Minister decides are appropriate for the preparation of the draft report in relation to the action; or
 - (b) if the Minister decides that standard guidelines are not appropriate for the preparation of the draft report in relation to the action—tailored guidelines prepared under section 97.
- (3) In deciding whether one or more sets of standard guidelines are appropriate for the preparation of the draft report in relation to the action, the Minister must seek to ensure that the draft report, if prepared in accordance with those guidelines, will:
 - (a) contain enough information about the action and its relevant impacts to allow the Minister to make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action; and
 - (b) address the matters (if any) prescribed by the regulations.

Note: Similar considerations apply in relation to tailored guidelines: see subsection 97(2).
- (4) The Minister must give the PER guidelines to the designated proponent:

- (a) within 20 business days after the assessment approach decision was made under section 87; or
- (b) if the Minister, under section 97, invites a person to comment on a draft of tailored guidelines for the preparation of the draft report within a specified period—within 20 business days after:

 - (b) address the matters (if any) prescribed by the regulations.
- (3) Tailored guidelines may also provide for the draft report to include information about other certain and likely impacts of the action if:
- (a) the action is to be taken in a State or self-governing Territory; and

- Note: Paragraph (3)(a) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.
- (3A) Tailored guidelines may also provide for the draft report to include information about other certain and likely impacts of the action if:
- (a) the referral of the proposal to take the action is, because of section 37AB of the *Great Barrier Reef Marine Park Act 1975*, taken to be an application for a permission for the purposes of that Act; and
 - (b) the Great Barrier Reef Marine Park Authority has asked the Minister to ensure that the draft report includes information about those other impacts for the purposes of deciding whether to grant the permission.

Division 7—Inquiries

Subdivision A—Preliminary

106 Simplified outline

The following is a simplified outline of this Division:

This Division provides for the Minister to appoint commissions to carry out inquiries in a flexible way into the impacts of actions.

Commissioners have powers to call witnesses, obtain documents and inspect places for the purposes of their inquiries.

Commissioners must report to the Minister and publish their reports.

Subdivision B—Establishment of inquiries

107 Appointing commissioners and setting terms of reference

- (1) If the Minister decides that the relevant impacts of an action must be assessed by inquiry under this Division, the Minister must:
 - (a) appoint in writing one or more persons (the *commissioners*) as a commission to conduct the inquiry and report to the Minister in relation to the action; and
 - (b) specify in writing (the *terms of reference*):
 - (i) the matters relating to the action that are to be the subject of the inquiry and report; and
 - (ii) the period within which the commission must report to the Minister.
- Note 1: The Minister may revoke an appointment and amend terms of reference. See subsection 33(3) of the *Acts Interpretation Act 1901*.
- Note 2: Subdivision E contains more provisions about the basis on which a commissioner holds office.
- (2) If the Minister appoints 2 or more commissioners for an inquiry, the Minister must appoint one of them to preside at the inquiry.

- (3) In specifying in the terms of reference the matters relating to the action that are to be the subject of the inquiry and report, the Minister:
- (a) must specify the relevant impacts of the action; and
 - (b) if subsection (4) or (4A) applies—may specify other certain or likely impacts of the action.
- (4) For the purposes of paragraph (3)(b), the Minister may specify other certain or likely impacts of the action if:
- (a) the action is to be taken in a State or self-governing Territory; and
 - (b) the appropriate Minister of the State or Territory has asked the Minister administering this section to ensure that the inquiry reports on those other impacts to help the State or Territory, or an agency of the State or Territory, make decisions about the action; and
 - (c) the action:
 - (i) is to be taken by any person for the purposes of trade or commerce between Australia and another country, between 2 States, between a State and a Territory or between 2 Territories or by a constitutional corporation; or
 - (ii) is an action whose regulation is appropriate and adapted to give effect to Australia's obligations under an agreement with one or more other countries.
- Note: Paragraph (4)(a) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.
- (4A) For the purposes of paragraph (3)(b), the Minister may specify other certain or likely impacts of the action if:
- (a) the referral of the proposal to take the action is, because of section 37AB of the *Great Barrier Reef Marine Park Act 1975*, taken to be an application for a permission for the purposes of that Act; and
 - (b) the Great Barrier Reef Marine Park Authority has asked the Minister to ensure that the report includes information about those other impacts for the purposes of deciding whether to grant the permission.
- (5) The Minister may also specify in the terms of reference the manner in which the commission is to carry out the inquiry.

108 Publicising inquiry

- (1) As soon as practicable, the commission must publish in accordance with the regulations and in any other way it thinks fit:
 - (a) the terms of reference; and
 - (b) the information relating to the action given to the Minister under this Chapter before the Minister made the decision under Division 3 to use an inquiry to assess the relevant impacts of the action.
- (2) The commission need not publish the information described in paragraph (1)(b) if, before the Minister appointed the commission, the designated proponent of the action published:
 - (a) a draft report under section 98 (which deals with draft public environment reports); or
 - (b) a draft statement under section 103 (which deals with draft environmental impact statements).

However, in this case the commission must publish as described in subsection (1) notice of the fact that the draft report or draft statement has already been published.

Subdivision C—Conduct of inquiries

109 Procedure of inquiries

- (1) A commission must comply with the terms of reference in conducting its inquiry.
- (2) Subject to this Division, a commission:
 - (a) may determine the procedure to be followed in its inquiry; and
 - (b) is not subject to any directions by an employee of the Commonwealth or by a Commonwealth agency; and
 - (c) is not bound by the rules of evidence.

110 Inquiry to be public

- (1) A hearing held as part of an inquiry must be conducted in public, except so far as the commission directs otherwise.
- (2) The commission must make publicly available (in any way the commission thinks fit) the content of any submission or evidence

given to the commission in writing, except so far as the commission directs otherwise.

- (3) If the commission believes that it is desirable in the public interest, the commission may:
- (a) give directions that all or part of the inquiry be held in private, specifying the persons who may be present; and
 - (b) give directions prohibiting or restricting the publication of all or specified passages of submissions or evidence given to the commission orally or in writing.

111 Calling witnesses

Summoning witnesses

- (1) A commissioner may, by writing signed by the commissioner, summon a person to appear before the commission at a time and place specified in the summons to give evidence and produce any documents mentioned in the summons.

Failure of witness to attend

- (2) A person served with a summons to appear as a witness at an inquiry by a commission must not:
- (a) fail to attend as required by the summons; or
 - (b) fail to appear and report from day to day unless excused or released from further attendance by or on behalf of the commission.

Note: A defendant bears an evidential burden in relation to the excuse or release from further attendance mentioned in paragraph (2)(b). See subsection 13.3(3) of the *Criminal Code*.

Offence

- (3) A person who contravenes subsection (2) is guilty of an offence punishable on conviction by imprisonment for not more than 6 months, a fine of not more than 30 penalty units, or both.

Allowances for witnesses

- (4) A person summoned by a commission to appear as a witness at an inquiry is entitled to be paid by the Commonwealth such

allowances for travelling and other expenses as are prescribed by the regulations.

112 Dealing with witnesses

Power to administer oath or affirmation

- (1) A commissioner may administer an oath or affirmation to a person appearing as a witness before the commission.

Note: This means that proceedings before the commission are *judicial proceedings* for the purposes of Part III of the *Crimes Act 1914*, which creates various offences relating to judicial proceedings.

Refusal to be sworn or to answer questions

- (2) A person appearing as a witness at an inquiry by a commission must not:
- refuse or fail to be sworn or to make an affirmation; or
 - refuse or fail to answer a question that the person is required to answer by the commissioner (or the commissioner presiding at the inquiry if there is more than one commissioner for the inquiry); or
 - refuse or fail to produce a document that the person was required to produce by a summons served on the person.

Offence

- (3) A person who contravenes subsection (2) is guilty of an offence punishable on conviction by imprisonment for not more than 6 months, a fine of not more than 30 penalty units, or both.

Note: Subsection 4B(3) of the *Crimes Act 1914* lets a court fine a body corporate up to 5 times the maximum amount the court could fine a person under this subsection.

No privilege against self-incrimination

- (4) An individual is not excused from answering a question or producing a document on the ground that answering the question or producing the document would tend to incriminate the individual or to expose the individual to a penalty.

Answers and documents cannot be used in criminal proceedings

- (5) However, none of the following is admissible in evidence in criminal proceedings against the individual (except proceedings under section 491):
- (a) the answer to the question;
 - (b) the production of the document;
 - (c) any information, document or thing obtained as a direct or indirect consequence of answering the question or producing the document.

Sworn witnesses may also give written evidence on oath

- (6) A commission may permit a person who is appearing as a witness before the commission and has been sworn or has made an affirmation to give evidence by tendering a written statement and verifying it by oath or affirmation.

113 Dealing with documents given to commission

Inspecting and copying documents produced or given at inquiry

- (1) A commissioner, or a person assisting a commission and authorised by a commissioner to do so, may:
- (a) inspect a document produced or given to the commission; and
 - (b) make a copy of, or take an extract from, the document.

Keeping documents produced or given at inquiry

- (2) A commission may keep for a reasonable period a document produced or given to the commission.

114 Inspections of land, buildings and places

- (1) If a commissioner, or a person authorised by a commissioner, enters any land, building or place by consent as described in section 115 or under a warrant issued under section 116, the commissioner or person may:
- (a) inspect the land, building or place; and
 - (b) inspect any material on the land, or on or in the building or place.

Section 115

- (2) However, the commissioner or authorised person may not make the inspection if:
- (a) the person occupying or in charge of the land, building or place asks the commissioner or authorised person to produce his or her identity card or other written evidence of his or her identity; and
 - (b) the commissioner or person does not produce it.
- (3) A person (the *offender*) is guilty of an offence punishable on conviction by imprisonment for not more than 6 months if:
- (a) the offender obstructs or hinders another person; and
 - (b) the offender knows the other person is a commissioner, or a person authorised by a commissioner, acting under subsection (1) or a warrant issued under section 116.

Note 1: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

Note 2: Subsection 4B(2) of the *Crimes Act 1914* lets a court that convicts an individual of an offence impose a fine instead of, or as well as, imprisonment. The maximum fine (in penalty units) the court can impose is 5 times the maximum term of imprisonment (in months).

115 Entering premises by consent

- (1) A commissioner, or a person authorised by a commissioner, may enter land, a building or a place at any reasonable time for any reasonable purpose of an inquiry, if the person (the *occupant*) occupying or in charge of the land, building or place consents.
- (2) Before obtaining the consent, the commissioner or authorised person must inform the occupant that the occupant may refuse to give consent.
- (3) The commissioner or authorised person may not enter the land, building or place if:
- (a) the occupant asks the commissioner or authorised person to produce his or her identity card or other written evidence of his or her identity; and
 - (b) the commissioner or authorised person does not produce it.
- (4) An entry by a commissioner or authorised person with the occupant's consent is not lawful if the occupant's consent was not voluntary.

116 Entering premises under warrant

- (1) A commissioner may apply to a magistrate for a warrant authorising the commissioner or a person authorised by the commissioner to enter any land, building or place if the commissioner has reason to believe that it is necessary or desirable for the purposes of an inquiry for the commissioner or person to enter the land, building or place for the purposes of the inquiry.

Note: Section 117 allows applications for warrants to be made by telephone.

- (2) If the magistrate is satisfied by information on oath or affirmation that the issue of the warrant is reasonably required for the purposes of the inquiry, he or she may grant a warrant authorising the person named in the warrant to enter the land, building or place for the purposes specified in the warrant.
- (3) The magistrate must specify in the warrant the date after which the warrant ceases to have effect.
- (4) The person named in a warrant may not enter the land, building or place if:
 - (a) the person occupying or in charge of the land, building or place asks the person named in the warrant to produce his or her identity card or other written evidence of his or her identity; and
 - (b) the person named in the warrant does not produce it.

117 Warrants by telephone or other electronic means

Application

- (1) A commissioner may apply to a magistrate for a warrant by telephone, telex, facsimile or other electronic means:
 - (a) in an urgent case; or
 - (b) if the delay that would occur if an application were made in person would frustrate the effective execution of the warrant.

Voice communication

- (2) The magistrate may require communication by voice to the extent that is practicable in the circumstances.

Section 117

Information

- (3) An application under this section must include all information required to be provided in an ordinary application for a warrant, but the application may, if necessary, be made before the information is sworn or affirmed.

Issue of warrant

- (4) The magistrate may complete and sign the same form of warrant that would be issued under section 116 if, after considering the information and having received and considered any further information he or she required, the magistrate is satisfied that:
- (a) a warrant in the terms of the application should be issued urgently; or
 - (b) the delay that would occur if an application were made in person would frustrate the effective execution of the warrant.

Notification

- (5) If the magistrate decides to issue the warrant, the magistrate must inform the applicant, by telephone, telex, facsimile or other electronic means, of the terms of the warrant and the day on which and the time at which it was signed.

Form of warrant

- (6) The applicant must then complete a form of warrant in terms substantially corresponding to those given by the magistrate, stating on the form the name of the magistrate and the day on which and the time at which the warrant was signed.

Completed form of warrant to be given to magistrate

- (7) The applicant must, not later than the day after the day of expiry of the warrant or the day after the day on which the warrant was executed, whichever is the earlier, give or transmit to the magistrate:
- (a) the form of warrant completed by the applicant; and
 - (b) if the information referred to in subsection (3) was not sworn or affirmed—that information duly sworn or affirmed.

Attachment

- (8) The magistrate must attach to the documents provided under subsection (7) the form of warrant completed by the magistrate.

Presumption

- (9) If:
- (a) it is material, in any proceedings, for a court to be satisfied that the exercise of a power under a warrant issued under this section was duly authorised; and
 - (b) the form of warrant signed by the magistrate is not produced in evidence;
- the court is to assume, unless the contrary is proved, that the exercise of the power was not duly authorised.

118 Identity cards

- (1) The Minister may cause to be issued to a commissioner or a person authorised by a commissioner an identity card:
- (a) in a form approved by the Minister; and
 - (b) containing a recent photograph of the person to whom it is issued.
- (2) As soon as practicable after the commission to which the commissioner was appointed has reported to the Minister on its inquiry, the commissioner or authorised person must return his or her identity card to the Minister.
- (3) A person must not contravene subsection (2).

Penalty: 1 penalty unit.

119 Contempt

- (1) A person is guilty of an offence punishable on conviction by a fine of not more than 30 penalty units if:
- (a) the person insults, disturbs or uses insulting language towards another person; and
 - (b) the person knows the other person is a commissioner exercising the powers or performing the functions or duties of a commissioner.

Section 120

- (2) A person is guilty of an offence punishable on conviction by a fine of not more than 30 penalty units if:
- (a) the person creates a disturbance, or takes part in creating or continuing a disturbance, in or near a place; and
 - (b) the person knows the place is a place where a commission is holding an inquiry.
- (3) A person must not:
- (a) interrupt an inquiry by a commission; or
 - (b) do any other act or thing that would, if a commission were a court of record, constitute a contempt of that court.

Penalty: 30 penalty units.

120 Protection of commissioners and witnesses

Protection of commissioners

- (1) In performing his or her duties as a commissioner, a commissioner has the same protection and immunity as a Justice of the High Court.

127 Termination of appointment

 - (iv) makes an assignment of his or her remuneration for the benefit of his or her creditors; or
 - (b) the commissioner fails, without reasonable excuse, to comply with section 128 (about disclosure of interests); or

- (3) The Minister must terminate the appointment of a commissioner on a full-time basis if:
- (a) the commissioner is absent, except on leave of absence, for 14 consecutive days or for 28 days in any 12 months; or

Part 9—Approval of actions

Division 1—Decisions on approval and conditions

Subdivision A—General

130 Timing of decision on approval

Basic rule

- (1) The Minister must decide whether or not to approve, for the purposes of each controlling provision for a controlled action, the taking of the action.
 - (1A) The Minister must make the decision within the relevant period specified in subsection (1B) that relates to the controlled action, or such longer period as the Minister specifies in writing.
 - (1B) The *relevant period*, in relation to a controlled action, is as follows:
 - (a) if the action is the subject of an assessment report—the period of 30 business days beginning on the first business day after the Minister receives the assessment report;
 - (b) if Division 3A of Part 8 (assessment on referral information) applies to the action—the period of 20 business days beginning on the first business day after the Minister receives the finalised recommendation report under subsection 93(5);
 - (c) if Division 4 of Part 8 (assessment on preliminary documentation) applies to the action—the period of 40 business days beginning on the first business day after the Minister receives the documents under subsection 95B(1) or the statement under subsection 95B(3), as the case requires;
 - (d) if Division 5 (public environment reports) or Division 6 (environmental impact statements) of Part 8 applies to the action—the period of 40 business days beginning on the first business day after the Minister receives the finalised public environment report or the finalised environmental impact statement, as the case requires;
 - (e) if a commission has conducted an inquiry relating to the action—the period of 40 business days beginning on the first
-

business day after the Minister receives the report of the commission.

*What is an **assessment report**?*

- (2) An **assessment report** is a report given to the Minister as described in:
- (a) subsection 47(4) (about assessments under a bilateral agreement); or
 - (b) subsection 84(3) (about assessments in a manner specified in a declaration); or
 - (c) subsection 87(4) (about assessments by accredited assessment processes).

Notice of extension of time

- (4) If the Minister specifies a longer period for the purposes of subsection (1A), he or she must:
- (a) give a copy of the specification to the person proposing to take the action; and
 - (b) publish the specification in accordance with the regulations.

Time does not run while further information is sought

- (5) If, under section 132, the Minister has requested more information for the purposes of making a decision whether or not to approve the taking of an action, a day is not to be counted as a business day for the purposes of subsection (1B) if it is:
- (a) on or after the day the Minister requested the information; and
 - (b) on or before the day on which the Minister receives the last of the information requested.

131 Inviting comments from other Ministers before decision

- (1) Before the Minister (the **Environment Minister**) decides whether or not to approve, for the purposes of a controlling provision, the taking of an action, and what conditions (if any) to attach to an approval, he or she must:
- (a) inform any other Minister whom the Environment Minister believes has administrative responsibilities relating to the

Section 131AA

action of the decision the Environment Minister proposes to make; and

- (b) invite the other Minister to give the Environment Minister comments on the proposed decision within 10 business days.

(2) A Minister invited to comment may make comments that:

- (a) relate to economic and social matters relating to the action; and
- (b) may be considered by the Environment Minister consistently with the principles of ecologically sustainable development.

This does not limit the comments such a Minister may give.

131AA Inviting comments before decision from person proposing to take action and designated proponent

(1) Before the Minister decides whether or not to approve, for the purposes of a controlling provision, the taking of an action, and what conditions (if any) to attach to an approval, he or she must:

- (a) inform the person proposing to take the action, and the designated proponent of the action (if the designated proponent is not the person proposing to take the action), of:
 - (i) the decision the Minister proposes to make; and
 - (ii) if the Minister proposes to approve the taking of the action—any conditions the Minister proposes to attach to the approval; and

- (b) invite each person informed under paragraph (a) to give the Minister, within 10 business days (measured in Canberra), comments in writing on the proposed decision and any conditions.

(2) If the Minister proposes not to approve, for the purposes of a controlling provision, the taking of the action, the Minister must provide to each person informed under paragraph (1)(a), with the invitation given under paragraph (1)(b):

- (a) a copy of whichever of the following documents applies to the action:
 - (i) an assessment report;
 - (ii) a finalised recommendation report given to the Minister under subsection 93(5);
 - (iii) a recommendation report given to the Minister under section 95C, 100 or 105; and

- (b) any information relating to economic and social matters that the Minister has considered; and
 - (c) any information relating to the history of a person in relation to environmental matters that the Minister has considered under subsection 136(4); and
 - (d) a copy of any document, or part of a document, containing information of a kind referred to in paragraph 136(2)(e) that the Minister has considered.
- (3) The Minister is not required to provide under subsection (2):
- (a) information that is in the public domain; or
 - (b) a copy of so much of a document as is in the public domain; or
 - (c) in the case of information referred to in paragraph (2)(b) or (c)—any conclusions or recommendations relating to that information included in documents or other material prepared by the Secretary for the Minister.
- (4) The Minister must not provide under subsection (2):
- (a) a copy of so much of a document as:
 - (i) is an exempt document under subparagraph 33(a)(i) of the *Freedom of Information Act 1982* (documents affecting national security, defence or international relations); or
 - (ia) is a conditionally exempt document under section 47C of that Act (deliberative processes) to which access would, on balance, be contrary to the public interest for the purposes of subsection 11A(5) of that Act; or
 - (ii) the Minister is satisfied contains information that is commercial-in-confidence; or
 - (b) information that:
 - (i) is of such a nature that its inclusion in a document would cause that document to be an exempt document of the kind referred to in subparagraph (a)(i); or
 - (ii) the Minister is satisfied is commercial-in-confidence.
- (5) The Minister must not be satisfied that information (including information in a document) is commercial-in-confidence unless a person demonstrates to the Minister that:
- (a) release of the information would cause competitive detriment to the person; and
 - (b) the information is not in the public domain; and
-

Section 131A

- (c) the information is not required to be disclosed under another law of the Commonwealth, a State or a Territory; and
 - (d) the information is not readily discoverable.
- (6) In deciding whether or not to approve, for the purposes of a controlling provision, the taking of the action, the Minister must take into account any relevant comments given to the Minister in response to an invitation given under paragraph (1)(b).
- (7) This section is taken to be an exhaustive statement of the requirements of the natural justice hearing rule in relation to:
- (a) the Minister's decision under section 133 whether or not to approve, for the purposes of a controlling provision, the taking of the action; and
 - (b) if the decision is to approve, for the purposes of a controlling provision, the taking of the action, and the Minister decides, under section 134, to attach conditions to the approval—the Minister's decision under section 134 to attach those conditions to the approval.

131A Inviting public comment before decision

Before the Minister decides whether or not to approve, for the purposes of a controlling provision, the taking of an action, and what conditions (if any) to attach to an approval, he or she may publish on the internet:

- (a) the proposed decision and, if the proposed decision is to approve the taking of the action, any conditions that the Minister proposes to attach to the approval; and
- (b) an invitation for anyone to give the Minister, within 10 business days (measured in Canberra), comments in writing on the proposed decision and any conditions.

132 Requesting further information for approval decision

If the Minister believes on reasonable grounds that he or she does not have enough information to make an informed decision whether or not to approve for the purposes of a controlling provision the taking of an action, the Minister may request any of the following to provide specified information relevant to making the decision:

- (a) the person proposing to take the action;

- (b) the designated proponent of the action;
- (c) if a commission has conducted an inquiry under Division 7 of Part 8 relating to the action—the commission;
- (d) if:
 - (i) the action is to be taken in a State or self-governing Territory; and
 - (ii) a controlling provision for the action is in Division 1 of Part 3 (about matters of national environmental significance); and
 - (iii) the relevant impacts of the action have been assessed under a law of the State or Territory;the appropriate Minister of that State or Territory;
- (e) any other person the Minister considers appropriate.

132A Requesting notice from appropriate State or Territory Minister about certain actions

- (1) This section applies to an action that is to be taken in a State or self-governing Territory only if the action:
 - (a) is to be taken by a person for the purposes of trade or commerce:
 - (i) between Australia and another country; or
 - (ii) between 2 States; or
 - (iii) between a State and a Territory; or
 - (iv) between 2 Territories; or
 - (b) is to be taken by a constitutional corporation; or
 - (c) is an action whose regulation is appropriate and adapted to give effect to Australia's obligations under an agreement with one or more other countries.

Note: This section also applies in relation to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

- (2) However, this section does not apply to an action if:
 - (a) the action:
 - (i) is a nuclear action; or
 - (ii) is to be taken entirely in a Commonwealth marine area; or
 - or
 - (iii) is to be taken entirely on Commonwealth land; or

Section 133

- (iv) is to be taken by the Commonwealth or a Commonwealth agency; and
 - (b) the relevant impacts of the action have been assessed under Part 8.
- (3) Before the Minister (the *Environment Minister*) decides whether or not to approve for the purposes of a controlling provision the taking of the action, and what conditions (if any) to attach to an approval, the Environment Minister may request the appropriate Minister of the State or Territory to give the Environment Minister a notice stating the method that has been used to assess the certain and likely impacts of the action on things other than matters protected by the controlling provisions for the action.

133 Grant of approval

Approval

- (1) After receiving the assessment documentation relating to a controlled action, or the report of a commission that has conducted an inquiry relating to a controlled action, the Minister may approve for the purposes of a controlling provision the taking of the action by a person.
- (1A) If the referral of the proposal to take the action included alternative proposals relating to any of the matters referred to in subsection 72(3), the Minister may approve, for the purposes of subsection (1), one or more of the alternative proposals in relation to the taking of the action.

Content of approval

- (2) An approval must:
- (a) be in writing; and
 - (b) specify the action (including any alternative proposals approved under subsection (1A)) that may be taken; and
 - (c) name the person to whom the approval is granted; and
 - (d) specify each provision of Part 3 for which the approval has effect; and
 - (e) specify the period for which the approval has effect; and
 - (f) set out the conditions attached to the approval.

Note: The period for which the approval has effect may be extended. See Division 5.

Persons who may take action covered by approval

- (2A) An approval granted under this section is an approval of the taking of the action specified in the approval by any of the following persons:
- (a) the holder of the approval;
 - (b) a person who is authorised, permitted or requested by the holder of the approval, or by another person with the consent or agreement of the holder of the approval, to take the action.

Notice of approval

- (3) The Minister must:
- (a) give a copy of the approval to the person named in the approval under paragraph 133(2)(c); and
 - (b) provide a copy of the approval to a person who asks for it (either free or for a reasonable charge determined by the Minister).

Limit on publication of approval

- (4) However, the Minister must not provide under subsection (3) a copy of so much of the approval as:
- (a) is:
 - (i) an exempt document under section 47 of the *Freedom of Information Act 1982* (trade secrets etc.); or
 - (ii) a conditionally exempt document under section 47G of that Act (business documents) to which access would, on balance, be contrary to the public interest for the purposes of subsection 11A(5) of that Act; or
 - (b) the Minister believes it is in the national interest not to provide.

The Minister may consider the defence or security of the Commonwealth when determining what is in the national interest. This does not limit the matters the Minister may consider.

Notice of refusal of approval

- (7) If the Minister refuses to approve for the purposes of a controlling provision the taking of an action by the person who proposed to take the action, the Minister must give the person notice of the refusal.

Note: Under section 13 of the *Administrative Decisions (Judicial Review) Act 1977*, the person may request reasons for the refusal, and the Minister must give them.

Definition

- (8) In this section:

assessment documentation, in relation to a controlled action, means:

- (a) if the action is the subject of an assessment report—that report; or
- (b) if Division 3A of Part 8 (assessment on referral information) applies to the action:
 - (i) the referral of the proposal to take the action; and
 - (ii) the finalised recommendation report relating to the action given to the Minister under subsection 93(5); or
- (c) if Division 4 of Part 8 (assessment on preliminary documentation) applies to the action:
 - (i) the documents given to the Minister under subsection 95B(1), or the statement given to the Minister under subsection 95B(3), as the case requires, relating to the action; and
 - (ii) the recommendation report relating to the action given to the Minister under section 95C; or
- (d) if Division 5 of Part 8 (public environment reports) applies to the action:
 - (i) the finalised public environment report relating to the action given to the Minister under section 99; and
 - (ii) the recommendation report relating to the action given to the Minister under section 100; or
- (e) if Division 6 of Part 8 (environmental impact statements) applies to the action:
 - (i) the finalised environmental impact statement relating to the action given to the Minister under section 104; and

- (ii) the recommendation report relating to the action given to the Minister under section 105.

134 Conditions of approval

Condition to inform persons taking action of conditions attached to approval

- (1A) An approval of the taking of an action by a person (the *first person*) is subject to the condition that, if the first person authorises, permits or requests another person to undertake any part of the action, the first person must take all reasonable steps to ensure:
 - (a) that the other person is informed of any condition attached to the approval that restricts or regulates the way in which that part of the action may be taken; and
 - (b) that the other person complies with any such condition.

For the purposes of this Chapter, the condition imposed by this subsection is attached to the approval.

Generally

- (1) The Minister may attach a condition to the approval of the action if he or she is satisfied that the condition is necessary or convenient for:
 - (a) protecting a matter protected by a provision of Part 3 for which the approval has effect (whether or not the protection is protection from the action); or
 - (b) repairing or mitigating damage to a matter protected by a provision of Part 3 for which the approval has effect (whether or not the damage has been, will be or is likely to be caused by the action).

Conditions to protect matters from the approved action

- (2) The Minister may attach a condition to the approval of the action if he or she is satisfied that the condition is necessary or convenient for:
 - (a) protecting from the action any matter protected by a provision of Part 3 for which the approval has effect; or

Section 134

- (b) repairing or mitigating damage that may or will be, or has been, caused by the action to any matter protected by a provision of Part 3 for which the approval has effect.

This subsection does not limit subsection (1).

Examples of kinds of conditions that may be attached

- (3) The conditions that may be attached to an approval include:
 - (aa) conditions requiring specified activities to be undertaken for:
 - (i) protecting a matter protected by a provision of Part 3 for which the approval has effect (whether or not the protection is protection from the action); or
 - (ii) repairing or mitigating damage to a matter protected by a provision of Part 3 for which the approval has effect (whether or not the damage may or will be, or has been, caused by the action); and
 - (ab) conditions requiring a specified financial contribution to be made to a person for the purpose of supporting activities of a kind mentioned in paragraph (aa); and
 - (a) conditions relating to any security to be given by the holder of the approval by bond, guarantee or cash deposit:
 - (i) to comply with this Act and the regulations; and
 - (ii) not to contravene a condition attached to the approval; and
 - (iii) to meet any liability of a person whose taking of the action is approved to the Commonwealth for measures taken by the Commonwealth under section 499 (which lets the Commonwealth repair and mitigate damage caused by a contravention of this Act) in relation to the action; and
 - (b) conditions requiring the holder of the approval to insure against any specified liability of the holder to the Commonwealth for measures taken by the Commonwealth under section 499 in relation to the approved action; and
 - (c) conditions requiring a person taking the action to comply with conditions specified in an instrument (including any kind of authorisation) made or granted under a law of a State or self-governing Territory or another law of the Commonwealth; and

- (d) conditions requiring an environmental audit of the action to be carried out periodically by a person who can be regarded as being independent from any person whose taking of the action is approved; and
- (e) conditions requiring the preparation, submission for approval by the Minister, and implementation of a plan for managing the impacts of the approved action on a matter protected by a provision of Part 3 for which the approval has effect such as a plan for conserving habitat of a species or ecological community; and
- (f) conditions requiring specified environmental monitoring or testing to be carried out; and
- (g) conditions requiring compliance with a specified industry standard or code of practice; and
- (h) conditions relating to any alternative proposals in relation to the taking of the action covered by the approval (as permitted by subsection 133(1A)).

This subsection does not limit the kinds of conditions that may be attached to an approval.

Certain conditions require consent of holder of approval

- (3A) The following kinds of condition cannot be attached to the approval of an action unless the holder of the approval has consented to the attachment of the condition:
 - (a) a condition referred to in paragraph (3)(aa), if the activities specified in the condition are not reasonably related to the action;
 - (b) a condition referred to in paragraph (3)(ab).
- (3B) If the holder of the approval has given consent, for the purposes of subsection (3A), to the attachment of a condition:
 - (a) the holder cannot withdraw that consent after the condition has been attached to the approval; and
 - (b) any person to whom the approval is later transferred under section 145B is taken to have consented to the attachment of the condition, and cannot withdraw that consent.

Conditions attached under paragraph (3)(c)

- (3C) A condition attached to an approval under paragraph (3)(c) may require a person taking the action to comply with conditions specified in an instrument of a kind referred to in that paragraph:
- (a) as in force at a particular time; or
 - (b) as is in force or existing from time to time;
- even if the instrument does not yet exist at the time the approval takes effect.

Considerations in deciding on condition

- (4) In deciding whether to attach a condition to an approval, the Minister must consider:
- (a) any relevant conditions that have been imposed, or the Minister considers are likely to be imposed, under a law of a State or self-governing Territory or another law of the Commonwealth on the taking of the action; and
 - (aa) information provided by the person proposing to take the action or by the designated proponent of the action; and
 - (b) the desirability of ensuring as far as practicable that the condition is a cost-effective means for the Commonwealth and a person taking the action to achieve the object of the condition.

Effect of conditions requiring compliance with conditions specified in another instrument

- (4A) If:
- (a) a condition (the **principal condition**) attached to an approval under paragraph (3)(c) requires a person taking the action to comply with conditions (the **other conditions**) specified in an instrument of a kind referred to in that paragraph; and
 - (b) the other conditions are in excess of the power conferred by subsection (1);
- the principal condition is taken to require the person to comply with the other conditions only to the extent that they are not in excess of that power.

Validity of decision

- (5) A failure to consider information as required by paragraph (4)(aa) does not invalidate a decision about attaching a condition to the approval.

135 Certain approvals and conditions must not give preference

- (1) This section deals with the approval:
- (a) for the purposes of section 21 or 22A of a nuclear action:
 - (i) by a person for the purposes of trade or commerce between Australia and another country or between 2 States; or
 - (ii) by a constitutional corporation; or
 - (b) for the purposes of section 25 of an action that is prescribed for the purposes of subsection 25(1) and is taken:
 - (i) by a person for the purposes of trade or commerce between Australia and another country or between 2 States; or
 - (ii) by a constitutional corporation.
- (2) The Minister must not grant the approval, or attach a condition to the approval, that has the effect of giving preference (within the meaning of section 99 of the Constitution) to one State or part of a State over another State or part of a State.

135A Publication of recommendation reports

- (1) This section applies in relation to the following reports:
- (a) a finalised recommendation report given to the Minister under subsection 93(5);
 - (b) a recommendation report given to the Minister under section 95C, 100 or 105.
- (2) Subject to subsections (3) and (4), the Secretary must provide a copy of a report to which this section applies to a person who asks for it (either at no charge or at a reasonable charge determined by the Secretary).
- (3) The Secretary is not required to provide a copy of the report under subsection (2) to anyone until after the Minister has decided, for

Section 136

the purposes of each controlling provision, whether or not to approve the taking of the action concerned.

- (4) The Secretary may refuse to provide, under subsection (2), a copy of so much of the report as:
- (a) is:
 - (i) an exempt document under subparagraph 33(a)(i) of the *Freedom of Information Act 1982* (documents affecting national security, defence or international relations); or
 - (ii) a conditionally exempt document under section 47C of that Act (deliberative processes) to which access would, on balance, be contrary to the public interest for the purposes of subsection 11A(5) of that Act; or
 - (b) the Secretary is satisfied is commercial-in-confidence.
- (5) The Secretary must not be satisfied that a part of the report is commercial-in-confidence unless a person demonstrates to the Secretary that:
- (a) release of the information in that part would cause competitive detriment to the person; and
 - (b) the information in that part is not in the public domain; and
 - (c) the information in that part is not required to be disclosed under another law of the Commonwealth, a State or a Territory; and
 - (d) the information in that part is not readily discoverable.

Subdivision B—Considerations for approvals and conditions

136 General considerations

Mandatory considerations

- (1) In deciding whether or not to approve the taking of an action, and what conditions to attach to an approval, the Minister must consider the following, so far as they are not inconsistent with any other requirement of this Subdivision:
- (a) matters relevant to any matter protected by a provision of Part 3 that the Minister has decided is a controlling provision for the action;
 - (b) economic and social matters.

Factors to be taken into account

- (2) In considering those matters, the Minister must take into account:
- (a) the principles of ecologically sustainable development; and
 - (b) the assessment report (if any) relating to the action; and
 - (ba) if Division 3A of Part 8 (assessment on referral information) applies to the action—the finalised recommendation report relating to the action given to the Minister under subsection 93(5); and
 - (bc) if Division 4 of Part 8 (assessment on preliminary documentation) applies to the action:
 - (i) the documents given to the Minister under subsection 95B(1), or the statement given to the Minister under subsection 95B(3), as the case requires, relating to the action; and
 - (ii) the recommendation report relating to the action given to the Minister under section 95C; and
 - (c) if Division 5 (public environment reports) of Part 8 applies to the action:
 - (i) the finalised public environment report relating to the action given to the Minister under section 99; and

143 Variation of conditions attached to approval

- (1) The Minister may, by written instrument, revoke, vary or add to any conditions (other than the condition referred to in subsection 134(1A)) attached to an approval under this Part of an action if:
- (a) any condition attached to the approval has been contravened;
or
 - (b) both of the following conditions are satisfied:
 - (i) the action has had a significant impact that was not identified in assessing the action on any matter protected by a provision of Part 3 for which the approval has effect, or the Minister believes the action will have such an impact;
 - (ii) the Minister believes it is necessary to revoke, vary or add a condition to protect the matter from the impact; or
 - (ba) all of the following conditions are satisfied:
 - (i) the action has had a significant impact on a matter protected by a provision of Part 3 for which the approval has effect, or the Minister believes the action will have such an impact;
 - (ii) the Minister is satisfied that the impact is substantially greater than the impact that was identified in assessing the action;
 - (iii) the Minister believes it is necessary to revoke, vary or add a condition to protect the matter from the impact; or
 - (c) the holder of the approval agrees to the proposed revocation, variation or addition, or the Minister has extended the period for which the approval has effect under section 145D, and the Minister is satisfied that any conditions attached to the approval after the proposed revocation, variation or addition are necessary or convenient for:
 - (i) protecting a matter protected by any provision of Part 3 for which the approval has effect; or
 - (ii) repairing or mitigating damage to a matter protected by a provision of Part 3 for which the approval has effect

(whether or not the damage has been, will be or is likely to be caused by the action).

- (2) The Minister may, by written instrument, revoke any condition (other than the condition referred to in subsection 134(1A)) attached to an approval under this Part of an action if the Minister is satisfied that the condition is not needed to protect any matter protected by a provision of Part 3 for which the approval has effect.
- (3) In deciding whether or not to revoke, vary or add to any conditions attached to the approval of the taking of an action by a person, the Minister may have regard to:
 - (a) the person's history in relation to environmental matters; and

- (5) As soon as possible after making the instrument, the Minister must:
 - (a) give a copy of it to the holder of the approval; and
 - (b) publish the instrument in accordance with the regulations.

Note: If the holder is not satisfied with changed conditions attached to the approval of the holder's action, he or she can ask the Minister to reverse the change by making another change to the conditions under this section.
- (6) However, the Minister must not publish so much of the instrument as:
 - (a) is:
 - (i) an exempt document under section 47 of the *Freedom of Information Act 1982* (trade secrets etc.); or
 - (ii) a conditionally exempt document under section 47G of that Act (business documents) to which access would, on balance, be contrary to the public interest for the purposes of subsection 11A(5) of that Act; or

- (b) the Minister believes it is in the national interest not to publish.

The Minister may consider the defence or security of the Commonwealth when determining what is in the national interest. This does not limit the matters the Minister may consider.

144 Suspension of approval

- (1) The Minister may, by written instrument, suspend the effect of an approval under this Part for the purposes of a specified provision of Part 3 for a specified period (which must not start before the day on which the instrument is made) if the Minister believes on reasonable grounds that:
 - (a) a significant impact on the matter protected by the provision has occurred because of the contravention of a condition attached to the approval; or
 - (b) the conditions specified in subsection (2) are satisfied.
- (2) The conditions are that:
 - (a) the action has had, or the Minister believes that the action will have, a significant impact that was not identified in assessing the action on a matter protected by a provision of Part 3 for which the approval has effect; and
 - (b) the approval would not have been granted if information that the Minister has about that impact had been available when the decision to approve the action was made.
- (2A) The Minister may, by written instrument, suspend the effect of an approval under this Part for the purposes of a specified provision of Part 3 for a specified period (which must not start before the day on which the instrument is made) if:
 - (a) either:
 - (i) the Minister believes on reasonable grounds that there has been a contravention of a condition attached to the approval; or
 - (ii) if a condition attached to the approval is to the effect that the approval is subject to a thing being done within a particular time—the Minister believes on reasonable grounds that the thing has not been done within that time; and
 - (b) the Minister is satisfied that:

- (i) the approval would not have been granted without that condition being attached; or
 - (ii) because of the failure to comply with the requirement, the suspension is reasonably necessary to protect a matter protected by a provision of Part 3 for which the approval has effect.
- (3) In deciding whether or not to suspend an approval of the taking of an action by a person, the Minister may have regard to:
 - (a) the person's history in relation to environmental matters; and
 - (b) if the person is a body corporate—the history of its executive officers in relation to environmental matters; and
 - (c) if the person is a body corporate that is a subsidiary of another body or company (the *parent body*)—the history in relation to environmental matters of the parent body and its executive officers.
- (4) During the specified period, the specified provision of Part 3 applies as if the Minister had not given the approval.
- (5) As soon as possible after making the instrument, the Minister must:
 - (a) give a copy of it to the holder of the approval; and
 - (b) publish the instrument in accordance with the regulations.

145 Revocation of approval

- (1) The Minister may, by written instrument, revoke an approval under this Part for the purposes of a specified provision of Part 3 if:
 - (a) a significant impact on the matter protected by the provision has occurred because of the contravention of a condition attached to the approval; or
 - (b) the conditions specified in subsection (2) are satisfied.
- (2) The conditions are that:
 - (a) the action has had, or the Minister believes that the action will have, a significant impact that was not identified in assessing the action on a matter protected by a provision of Part 3 for which the approval has effect; and
 - (b) the approval would not have been granted if information that the Minister has about that impact had been available when the decision to approve the action was made.

Section 145

- (2A) The Minister may, by written instrument, revoke an approval under this Part of an action for the purposes of a specified provision of Part 3 if he or she believes that:
- (a) the impacts that the action has had, will have or is likely to have were not accurately identified in information available to the Minister when the approval was given; and
 - (b) the information did not accurately identify those impacts because of negligence or a deliberate act or omission by the person proposing to take the action or the designated proponent of the action.
- (2B) The Minister may, by written instrument, revoke an approval under this Part for the purposes of a specified provision of Part 3 if:
- (a) either:
 - (i) the Minister believes on reasonable grounds that there has been a contravention of a condition attached to the approval; or
 - (ii) if a condition attached to the approval is to the effect that the approval is subject to a thing being done within a particular time—the Minister believes on reasonable grounds that the thing has not been done within that time; and
 - (b) the Minister is satisfied that:
 - (i) the approval would not have been granted without that condition being attached; or
 - (ii) because of the failure to comply with the requirement, the revocation is reasonably necessary to protect a matter protected by a provision of Part 3 for which the approval has effect.
- (3) In deciding whether or not to revoke an approval of the taking of an action by a person, the Minister may have regard to:
- (a) the person's history in relation to environmental matters; and
 - (b) if the person is a body corporate—the history of its executive officers in relation to environmental matters; and
 - (c) if the person is a body corporate that is a subsidiary of another body or company (the *parent body*)—the history in relation to environmental matters of the parent body and its executive officers.

- (4) The revocation takes effect on the day specified in the instrument. The Minister must not specify a day earlier than the day the instrument is made.
- (5) As soon as possible after making the instrument, the Minister must:
 - (a) give a copy of it to the person who was the holder of the approval; and
 - (b) publish the instrument in accordance with the regulations.

145A Reinstating suspended or revoked approval

Application

- (1) This section applies if the Minister has, by written instrument:
 - (a) suspended an approval under this Part of the taking of an action by a person; or
 - (b) revoked an approval under this Part of the taking of an action by a person.

Requesting reinstatement of approval

- (2) Within 2 months after receiving a copy of the instrument under this Division, the person who was the holder of the approval may request the Minister to reinstate the approval.

- (3) Within 20 business days of receiving the request, the Minister must decide whether or not to reinstate the approval.

Considerations for decision

- (4) Subdivision B of Division 1 applies to the decision whether or not to reinstate the approval in the same way as it applies to a decision whether or not to approve the taking of an action.

Extra time for decision

- (5) A day is not to be counted for the purposes of subsection (3) if:
 - (a) the Minister and the person who was the holder of the approval agree in writing that it should not be counted; or
 - (b) the Minister has requested the person to provide information under subsection (6) and the day is on or before the day on

Section 145A

which the Minister receives the last of the information requested.

Requesting information for decision

- (6) If the Minister believes on reasonable grounds that he or she does not have enough information to make an informed decision whether or not to reinstate the approval, the Minister may request the person who was the holder of the approval to provide specified information relevant to making the decision.

Reversal of decision to suspend or revoke approval

- (7) If the Minister decides to reinstate the approval, it and any conditions attached to it immediately before the suspension or revocation have effect on and after the day of the decision (subject to any future suspension or revocation under this Division).

Notice of decision about reversal

- (8) The Minister must:
- (a) give the person who was the holder of the approval written notice of the Minister's decision; and
 - (b) publish notice of the decision in accordance with the regulations.

Division 4—Transfer of approvals

145B Transfer with Minister’s consent

Transfer by written agreement

- (1) A person (the *transferor*) who is the holder of an approval under this Part for the purposes of a provision of Part 3 may transfer the approval to another person (the *transferee*) by written agreement, subject to the Minister’s consent.

Transfer ineffective until Minister consents

- (2) The transfer does not have effect for the purposes of this Act until the Minister consents in writing to the transfer. To avoid doubt, the Minister’s consent to a transfer cannot take effect before the Minister gives the consent.

Effect of consent

- (3) If the Minister consents to the transfer:
 - (a) this Act (except Division 3) operates in relation to the transferor as if the Minister had revoked the approval when the Minister’s consent took effect; and
 - (b) this Act operates in relation to the transferee as if, when the Minister’s consent to the transfer took effect, he or she:
 - (i) had approved under this Part for the purposes of the provision of Part 3 the taking of the action by the transferee; and
 - (ii) had attached to the approval the conditions that were attached to the approval of the taking of the action by the transferor.

Considerations in deciding whether to consent

- (4) In deciding whether or not to consent to the transfer, the Minister may consider:
 - (a) whether the transferee would be a suitable person to be granted the approval, having regard to:
 - (i) the transferee’s history in relation to environmental matters; and

Section 145B

- (ii) if the transferee is a body corporate—the history of its executive officers in relation to environmental matters; and
 - (iii) if the transferee is a body corporate that is a subsidiary of another body or company (the *parent body*)—the history in relation to environmental matters of the parent body and its executive officers; and
- (b) whether the transferee can comply with the conditions attached to the approval.

Giving copies of consents to transferor and transferee

- (5) The Minister must give the transferor and the transferee a copy of the consent each.

Division 5—Extension of period of effect of approval

145C Application to Minister to extend period of effect of approval

- (1) Subject to subsection (2), the holder of an approval under this Part may apply, in writing, to the Minister to extend the period (the *approval period*) for which the approval has effect.
- (2) Subsection (1) does not apply if:
 - (a) the approval has been suspended or revoked under this Part and has not been reinstated; or
 - (b) the approval has otherwise ceased to have effect.
- (3) An application under subsection (1) must include the information (if any) prescribed by the regulations.

145D Minister must decide whether or not to extend approval period

- (1) Within 20 business days after receiving an application under subsection 145C(1), the Minister must decide, in writing, whether or not to extend the approval period.

Note: The Minister may request further information for the purpose of making a decision under this subsection. See section 145E.
- (2) The Minister may decide to extend the approval period only if the Minister is satisfied that the extension will not result in a substantial increase in, or substantial change in the nature of, the adverse impacts (if any) the action:
 - (a) has or will have; or
 - (b) is likely to have;on the matter protected by each provision of Part 3 for which the approval has effect.
- (3) In considering the matter referred to in subsection (2), the Minister must consider the following, so far as they are not inconsistent with any other requirement of this Division:
 - (a) matters relevant to any matter protected by a provision of Part 3 for which the approval has effect;
 - (b) economic and social matters.

Section 145E

- (4) As soon as possible after deciding whether or not to extend the approval period, the Minister must:
 - (a) give a copy of the decision to the holder of the approval; and
 - (b) if the decision is to extend the approval period—publish the decision in accordance with the regulations.

145E Minister may request further information for making decision

- (1) If the Minister believes on reasonable grounds that he or she does not have enough information to decide whether or not to extend the approval period, the Minister may request the holder of the approval to provide specified information relevant to making the decision.
- (2) If the Minister has requested more information under subsection (1), a day is not to be counted as a business day for the purposes of subsection 145D(1) if it is:
 - (a) on or after the day the Minister requested the information; and
 - (b) on or before the day on which the Minister receives the last of the information requested.

 - (1A) The agreement may also provide for the assessment of other certain and likely impacts of actions under the policy, plan or program if:
 - (a) the actions are to be taken in a State or self-governing Territory; and
 - (b) the appropriate Minister of the State or Territory has asked the Minister administering this section to ensure that the assessment deal with those other impacts to help the State or Territory, or an agency of the State or Territory, make decisions about the actions; and

- Note: Paragraph (1A)(a) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.
- (1B) The agreement must provide for:

 - (ii) either the recommended modifications of the policy, plan or program (if any) have been made or any modifications having the same effect have been made; and
 - (g) any other matter prescribed by the regulations.

Note 1: If the impacts of actions under a policy, plan or program are assessed under an agreement under this Part, the Minister may decide on a less onerous approach for an assessment relating to an individual action under the policy, plan or program. See section 87.

Note 2: If the Minister endorses a policy, plan or program embodied in a management arrangement or an authorisation process, the Minister may declare under section 33, or make a bilateral agreement declaring,

that actions approved in accordance with the management arrangement or authorisation process do not need approval for the purposes of a specified provision of Part 3.

- (3) If the agreement relates to actions to be taken in a State or self-governing Territory, the Minister must tell the appropriate Minister of the State or Territory:
- (a) that the agreement has been made; and
 - (b) what those actions are (in general terms).

Subdivision B—Approval of taking of actions in accordance with endorsed policy, plan or program

146A Definition

In this Subdivision and Subdivision C:

146B Minister may approve taking of actions in accordance with endorsed policy, plan or program

- (1) Subject to Subdivision C, the Minister may approve the taking of an action or a class of actions in accordance with an endorsed policy, plan or program.

Note: Subdivision C sets out matters that the Minister must take into account in deciding whether or not to approve the taking of an action or a class of actions in accordance with an endorsed policy, plan or program.

- (2) An approval of the taking of an action or a class of actions in accordance with an endorsed policy, plan or program must:

 - (b) provide a copy of the approval to a person who asks for it (either at no charge or for a reasonable charge determined by the Minister).
- (4) However, the Minister must not provide under subsection (3) a copy of so much of the approval as:
- (a) is:
 - (i) an exempt document under section 47 of the *Freedom of Information Act 1982* (trade secrets); or
 - (ii) a conditionally exempt document under section 47G of that Act (business documents) to which access would, on balance, be contrary to the public interest for the purposes of subsection 11A(5) of that Act; or
 - (b) the Minister believes it is in the national interest not to provide.
- The Minister may consider the defence or security of the Commonwealth when determining what is in the national interest. This does not limit the matters the Minister may consider.
- (5) An approval given under subsection (1) is not a legislative instrument.

146C Inviting comments from other Ministers before deciding whether or not to approve taking of actions in accordance with endorsed policy, plan or program

- (1) Before the Minister (the *Environment Minister*) decides whether or not to approve the taking of an action or a class of actions in accordance with an endorsed policy, plan or program, he or she must:

Division 2—Assessment of Commonwealth-managed fisheries

147 Simplified outline of this Division

The following is a simplified outline of this Division:

The Australian Fisheries Management Authority must make agreements under Division 1 for the assessment of actions in fisheries managed under the *Fisheries Management Act 1991*. An agreement must be made whenever it is proposed to make a management plan or a determination not to have a plan. An agreement must be made within 5 years of the commencement of this Act for all fisheries that did not have plans at that commencement.

The Minister administering the *Torres Strait Fisheries Act 1984* must make agreements under Division 1 for the assessment of actions permitted by policies or plans for managing fishing in Torres Strait. All policies or plans must be covered by an agreement within 5 years after the commencement of this Act.

A further agreement for assessment must be made if the impact of the actions is significantly greater than assessed under an earlier agreement.

If the Minister endorses a policy or plan assessed under an agreement under Division 1, the Minister must make a declaration that actions under the policy or plan do not need approval under Part 9 for the purposes of section 23 or 24A (which protect the marine environment).

148 Assessment before management plan is determined

Plans under the Fisheries Management Act 1991

- (1) Before the Australian Fisheries Management Authority determines a plan of management for a fishery under section 17 of the *Fisheries Management Act 1991*, the Authority must:

Section 149

- (a) make an agreement with the Minister under section 146 for assessment of the impacts of actions under the plan on each matter protected by a provision of Part 3; and
- (b) consider any recommendations made by the Minister under the agreement.

Plans under the Torres Strait Fisheries Act 1984

- (2) Before the Minister administering the *Torres Strait Fisheries Act 1984* determines a plan of management for a fishery under section 15A of that Act, he or she must:
 - (a) make an agreement under section 146 with the Minister (the ***Environment Minister***) administering this section for assessment of the impacts of actions under the plan on each matter protected by a provision of Part 3; and
 - (b) consider any recommendations made by the Environment Minister under the agreement.

149 Assessment before determination that no plan required

Before the Australian Fisheries Management Authority determines under subsection 17(1A) of the *Fisheries Management Act 1991* that a plan of management is not warranted for a fishery, the Authority must:

- (a) make an agreement with the Minister under section 146 for assessment of the impacts of actions on each matter protected by a provision of Part 3, being actions permitted under the Authority's policy for managing the fishery; and
- (b) consider any recommendations made by the Minister under the agreement.

150 Assessment of all fisheries without plans must be started within 5 years

Fisheries managed under the Fisheries Management Act 1991

- (1) This section applies to fisheries (as defined in the *Fisheries Management Act 1991*):
 - (a) that are managed under that Act (whether as a result of arrangements under section 71 or 72 of that Act or not); and

- (b) for which there were not plans of management in force under that Act when this Act commenced.

Two-thirds of fisheries to be covered by agreements in 3 years

- (2) Before the day that is the third anniversary of this Act commencing, the Australian Fisheries Management Authority must make agreements with the Minister under section 146 for assessment of the impacts of actions on each matter protected by a provision of Part 3, being actions that are permitted under the Authority's policies for managing at least $\frac{2}{3}$ of the fisheries.

All fisheries to be covered by agreements in 5 years

- (3) Before the day that is the fifth anniversary of this Act commencing, the Australian Fisheries Management Authority must make agreements with the Minister under section 146 for assessment of the impacts of actions on each matter protected by a provision of Part 3, being actions that are permitted under the Authority's policies for managing the fisheries.

Agreement not needed if fishery already subject to agreement

- (4) However, subsection (3) does not require another agreement to be made in relation to a fishery if an agreement relating to the fishery has been made, before the day mentioned in that subsection, by the Authority and the Minister under section 146 because of subsection 148(1) or section 149.

151 Assessment of all Torres Strait fisheries to be started within 5 years

Fisheries managed under the Torres Strait Fisheries Act 1984

- (1) This section applies to actions that:
- (a) are involved in fishing (as defined in the *Torres Strait Fisheries Act 1984*) in an area of Australian jurisdiction (as defined in that Act); and
 - (b) were not covered by a plan of management in force under section 15A of that Act when this Act commenced.

Section 152

Policies for all actions to be covered by agreements in 5 years

- (2) Before the day that is the fifth anniversary of this Act commencing, the Minister administering the *Torres Strait Fisheries Act 1984* must make agreements under section 146 with the Minister administering this section for assessment of the impacts of the actions on each matter protected by a provision of Part 3, being actions that are permitted by policies under that Act.

Agreement not needed if fishery already subject to agreement

- (3) However, subsection (2) does not require another agreement to be made in relation to actions if an agreement covering them has been made under section 146, before the day mentioned in that subsection, by the Ministers mentioned in that subsection because of subsection 148(2).

152 Further assessment if impacts greater than previously assessed

Application

- (1) This section applies if the Minister (the *Environment Minister*) and the Minister administering the *Fisheries Management Act 1991* agree that the impacts that actions:
- (a) included in a fishery managed under that Act; or
 - (b) permitted under a policy or plan for managing fishing (as defined in the *Torres Strait Fisheries Act 1984*) in an area of Australian jurisdiction (as defined in that Act);
- have, will have or are likely to have on a matter protected by a provision of Part 3 are significantly greater than the impacts identified in the most recent report provided to the Environment Minister under an agreement made under section 146 relating to the fishery, policy or plan.

Further assessment for management arrangements under the Fisheries Management Act 1991

- (2) The Australian Fisheries Management Authority must make another agreement with the Minister under section 146 in relation to the Authority's policy for managing the fishery.

Further assessment for policy or plan for Torres Strait fishing

- (3) The Minister administering the *Torres Strait Fisheries Act 1984* must make another agreement under section 146 in relation to the policy or plan for managing fishing (as defined in the *Torres Strait Fisheries Act 1984*) in an area of Australian jurisdiction (as defined in that Act).

153 Minister must make declaration if he or she endorses plan or policy

- (1) This section applies if:
- (a) the Minister makes an agreement under section 146 as required by this Division and endorses under the agreement:
 - (i) a plan of management under the *Fisheries Management Act 1991* for a fishery; or
 - (ii) policies of the Australian Fisheries Management Authority for managing a fishery for which there is not a plan of management under the *Fisheries Management Act 1991*; or
 - (iii) a plan of management under the *Torres Strait Fisheries Act 1984* for a fishery; or
 - (iv) policies for managing fishing under the *Torres Strait Fisheries Act 1984*; and
 - (b) the Minister accredits, under subsection 33(3) of this Act, as an accredited arrangement a management plan or regime consisting of the endorsed plan or policies.
- (2) The Minister must make a declaration under section 33 that actions approved in accordance with the accredited arrangement do not require an approval under Part 9 for the purposes of subsection 23(1), (2) or (3) or subsection 24A(1), (2), (3), (4), (5) or (6).

Note: The declaration and accreditation will allow actions that would otherwise be prohibited by sections 23 and 24A to be taken without approval if they are taken in accordance with the accredited arrangement. See section 32.

154 This Division does not limit Division 1

This Division does not limit Division 1.

Part 11—Miscellaneous rules about assessments and approvals

Division 1—Rules about timing

155 This Chapter ceases to apply to lapsed proposals

- (1) If:
- (a) a person who proposes to take a controlled action or is the designated proponent of an action is required or requested under this Chapter to do something; and
 - (b) the person does not do the thing within a period that the Minister believes is a reasonable period;
- the Minister may give the person a written notice inviting the person to satisfy the Minister within a specified reasonable period that assessment of the action should continue or that the Minister should make a decision about approving the action.
- Note: Sections 28A and 29 of the *Acts Interpretation Act 1901* explain how documents may be served and when they are taken to be served.
- (2) If, by the end of the specified period, the person fails to satisfy the Minister that assessment of the action should continue or that the Minister should make a decision about approving the action, the Minister may declare in writing that this Chapter no longer applies to the action.
- (3) This Chapter (apart from this section) ceases to apply in relation to the action on the date specified in the declaration. The Minister must not specify a date earlier than the date of making of the declaration.
- (4) The Minister must:
- (a) give a copy of the declaration to the person and to the Secretary; and
 - (b) publish the declaration in accordance with the regulations.

156 General rules about time limits

- (1) If this Chapter specifies a time limit in business days in relation to a controlled action (or an action that the Minister believes may be or is a controlled action), the limit is to be worked out by reference to what is a business day in the place where the action is to be taken.
- (2) A day is not to be counted as a business day for the purposes of subsection (1) if it is not a business day in all the places in which the action is to be taken.
- (3) Failure to comply with a time limit set in this Chapter does not affect the validity of:
 - (a) a decision under this Chapter; or
 - (b) an assessment or approval under this Chapter.

Note: The Minister must make a statement to Parliament about some failures to comply with time limits. See section 518.

Division 1A—Variation of proposals to take actions

156A Request to vary proposal to take an action

- (1) If:
- (a) a proposal (the *original proposal*) by a person to take an action has been referred to the Minister under Division 1 of Part 7; and
 - (b) after the referral is made, the person wishes to change the original proposal;
- the person may, subject to subsection (2), request the Minister to accept a variation (a *varied proposal*) of the original proposal.
- (2) Subsection (1) does not apply if:
- (a) the Minister has made a decision under section 74A to not accept the referral of the original proposal; or
 - (b) the Minister has made a decision under section 75 that the proposed action is not a controlled action; or
 - (c) a particular manner for taking the proposed action is identified under subsection 77A(1) in the notice given under section 77 in relation to the action; or

 - (e) the referral of the original proposal has been withdrawn under section 170C.
- (3) A request under subsection (1) must:
- (a) be made in a way prescribed by the regulations; and
 - (b) include the information prescribed by the regulations.
- (4) If a request is made under subsection (1), any provisions of this Chapter that would, apart from this subsection, have applied in relation to the original proposal cease to apply to that proposal.
- Note: Provisions that have ceased to apply in relation to the original proposal under subsection (4) will start to apply to that proposal, or to the varied proposal, after the Minister has decided whether or not to accept the varied proposal. See section 156D.

156B Minister must decide whether or not to accept a varied proposal

- (1) Within 20 business days after receiving a request under subsection 156A(1) to accept a varied proposal to take an action, the Minister must decide whether or not to accept the varied proposal.

Note: The Minister may request further information for the purpose of making a decision under this subsection. See section 156C.

- (2) The Minister must not decide to accept the varied proposal unless the Minister is satisfied that the character of the varied proposal is substantially the same as the character of the original proposal. This subsection does not limit the matters the Minister may consider in deciding whether or not to accept the varied proposal.
- (3) In considering, for the purposes of subsection (2), whether or not the character of the varied proposal is substantially the same as the character of the original proposal, the Minister must have regard to the change (if any) in:
- (a) the nature of the activities proposed to be carried out in taking the action; and
 - (b) the nature and extent of the impacts (if any) the action:
 - (i) has or will have; or
 - (ii) is likely to have;on the matter protected by each provision of Part 3.

156C Minister may request further information in relation to a varied proposal

- (1) If the Minister believes on reasonable grounds that a request under subsection 156A(1) to accept a varied proposal to take an action does not include enough information for the Minister to decide whether or not to accept the varied proposal, the Minister may request the person proposing to take the action to provide specified information relevant to making the decision.
- (2) If the Minister has requested more information under subsection (1), a day is not to be counted as a business day for the purposes of subsection 156B(1) if it is:
- (a) on or after the day the Minister requested the information;
- and

Section 156D

- (b) on or before the day on which the Minister receives the last of the information requested.

- (2) If the Minister decides not to accept a varied proposal to take an action, any provisions of this Chapter that, because of subsection 156A(4), have ceased to apply in relation to the original proposal start to apply in relation to that proposal.
- (3) For the purpose of the application of the provisions of this Chapter in relation to the varied proposal under subsection (1), or in relation to the original proposal under subsection (2), a day is not to be counted as a business day if it is:
 - (a) on or after the day the Minister received the request under subsection 156A(1) to accept the varied proposal; and

 - (a) the person proposing to take the action; and
 - (b) the designated proponent of the action (if the designated proponent of the action is not the person proposing to take the action).
- (2) If:
 - (a) the request to accept the varied proposal related to an action that is to be taken in a State or self-governing Territory; and

- (b) a controlling provision for the action is in Division 1 of Part 3 (which deals with matters of national environmental significance); and
 - (c) the Minister decided to accept the varied proposal; the Minister must also, within the period referred to in subsection (1), give written notice of the decision to the appropriate Minister of the State or Territory.

Note: The giving of an authorisation for an action may be constituted by the renewal of an authorisation of the action or the variation of an authorisation for a different action.

Minister may decide advice is not required

- (1A) Subsection (1) does not apply in relation to an authorisation of an action if:
 - (a) the agency or employee has referred a proposal to give the authorisation to the Minister under subsection 161(1); and
 - (b) the Minister has decided under subsection 161A(1) that this Subdivision does not apply in relation to the referral or the action.

Relevant actions

- (2) Subsection (1) applies in relation to:
 - (a) the entry by the Commonwealth, under Australia's foreign aid program, into a contract, agreement or arrangement for the implementation of a project that has, will have or is likely to have a significant impact on the environment anywhere in the world; and
 - (b) the adoption or implementation of a plan for aviation airspace management involving aircraft operations that have,

will have or are likely to have a significant impact on the environment; and

- (c) the adoption or implementation of a major development plan (as defined in the *Airports Act 1996*); and
- (d) any other action prescribed by the regulations for the purposes of this paragraph.

(2A) Regulations may prescribe an action for the purposes of paragraph (2)(d):

- (a) partly by reference to the action's having, or being likely to have, a significant impact on the environment; or
- (b) partly by reference to a specified person believing that the action has, will have or is likely to have a significant impact on the environment; or
- (c) wholly or partly by reference to legislation under which the authorisation of the action is to be granted.

This does not limit the ways in which regulations may prescribe an action.

This section does not apply to actions like those already assessed

- (3) Subsection (1) does not apply in relation to a particular authorisation (the **later authorisation**) if the agency or employee has complied with, or is complying with, this Subdivision in relation to another authorisation or proposed authorisation and is satisfied of one or both of the matters in subsection (4).

Which actions are like actions?

- (4) For the purposes of subsection (3), the agency or employee must be satisfied that:
 - (a) the Minister's advice relating to the other authorisation deals or will deal with all the impacts that the action to which the later authorisation relates has, will have or is likely to have on the environment; or
 - (b) the impacts that the action to which the later authorisation relates has, will have or is likely to have on the environment:
 - (i) are an extension of the corresponding impacts of the action to which the other authorisation relates; and
 - (ii) are not significantly different in nature from those corresponding impacts; and

Section 161

- (iii) do not significantly add to those corresponding impacts.

State law excluded in relation to aviation

- (5) A law of a State or Territory does not apply in relation to the assessment of the certain or likely environmental impacts of an action described in paragraph (2)(b) if subsection (1) applies in relation to authorisation of the action, or would apply apart from subsection (3).

161 Seeking the Minister's advice

Requirement for referral

- (1) If a Commonwealth agency or employee of the Commonwealth proposing to give an authorisation (however described) of an action thinks the agency or employee is required by section 160 (disregarding subsection 160(1A)) to obtain and consider the Minister's advice before giving the authorisation, the agency or employee must:

- (3) The Commonwealth agency or employee must comply with the Minister's request.

Content of referral

- (4) A referral must include the information prescribed by the regulations.

161A Minister may decide that advice is not required

- the Minister may decide, in writing, that this Subdivision does not apply in relation to the referral or the action.
- (2) If the Minister decides that this Subdivision does not apply in relation to the referral or the action, this Act (other than Divisions 2 and 3 of Part 7) applies as if the Minister had decided under Division 2 of Part 7 that the action is not a controlled action.

161B Certain provisions of other Acts not to apply if Minister decides that advice is not required

- (1) This section applies in relation to a provision of another Act that is expressed to apply if:

 - (b) a proposal to give an authorisation (however described) of an action is referred to the Minister under this Subdivision.

Section 162

- (2) The provision does not apply in relation to an action if:
- (a) a proposal to give an authorisation (however described) of the action has been referred to the Minister under section 161; and

- (b) the Minister had decided under Division 2 of Part 7 that the action was a controlled action when the proposal to give the authorisation was referred to the Minister; and
- (c) the person nominated to act as the designated proponent had been designated as the proponent of the action by the Minister under section 75; and
- (d) a reference in Part 8 or those provisions to the relevant impacts of the action were a reference to the impact that the action has, will have or is likely to have on the environment; and
- (e) a reference in Part 8 or those provisions to making an informed decision on approving under Part 9 (for the purposes of each controlling provision) the taking of the action were a reference to giving informed advice about the proposal to give an authorisation of the action.

 - (i) the species is a species of fish;
 - (ii) the species is the focus of a plan of management that provides for management actions necessary to stop the decline of, and support the recovery of, the species so that its chances of long term survival in nature are maximised;
 - (iii) the plan of management is in force under a law of the Commonwealth or of a State or Territory;
 - (iv) cessation of the plan of management would adversely affect the conservation status of the species.
- (7) In subsection (6):

fish includes all species of bony fish, sharks, rays, crustaceans, molluscs and other marine organisms, but does not include marine mammals or marine reptiles.

180 Native species of marine fish

- (1) A native species of marine fish is eligible to be included in a category mentioned in a paragraph of subsection 178(1) at a particular time if, at that time, the species meets the prescribed criteria for that category.
- (2) A subsection of section 179 referring to a category (the *relevant category*) does not apply to a native species of marine fish if regulations are in force for the purposes of subsection (1) of this section prescribing criteria for the relevant category.

181 Listing of threatened ecological communities

- (1) The Minister must, by instrument published in the *Gazette*, establish a list of threatened ecological communities divided into the following categories:
 - (a) critically endangered;
 - (b) endangered;

- (c) vulnerable.
- (2) Subject to subsection (3), the Minister must not include an ecological community in a particular category of the list, as first established, unless satisfied that the ecological community is eligible to be included in that category when the list is first published.
- (3) The list, as first established, must contain only the ecological communities listed in Schedule 2 to the *Endangered Species Protection Act 1992* immediately before the commencement of this Act, and they must be listed in the endangered category.
- (4) If the Minister is satisfied that an ecological community included in the endangered category of the list, as first established under subsection (3), is not eligible to be included in that or any other category, or is eligible to be included in another category, the Minister must, within 6 months after the commencement of this Act, amend the list accordingly in accordance with this Subdivision.
- (5) An instrument (other than an instrument establishing the list mentioned in subsection (3)) is a disallowable instrument for the purposes of section 46A of the *Acts Interpretation Act 1901*.

182 Critically endangered, endangered and vulnerable communities

- (1) An ecological community is eligible to be included in the ***critically endangered*** category at a particular time if, at that time, it is facing an extremely high risk of extinction in the wild in the immediate future, as determined in accordance with the prescribed criteria.
- (2) An ecological community is eligible to be included in the ***endangered*** category at a particular time if, at that time:
- (a) it is not critically endangered; and
 - (b) it is facing a very high risk of extinction in the wild in the near future, as determined in accordance with the prescribed criteria.
- (3) An ecological community is eligible to be included in the ***vulnerable*** category at a particular time if, at that time:
- (a) it is not critically endangered nor endangered; and

Section 183

- (b) it is facing a high risk of extinction in the wild in the medium-term future, as determined in accordance with the prescribed criteria.

183 Listing of key threatening processes

- (1) The Minister must, by instrument published in the *Gazette*, establish a list of threatening processes that are key threatening processes.
- (2) The list, as first established, must contain only the key threatening processes contained in Schedule 3 to the *Endangered Species Protection Act 1992*, as in force immediately before the commencement of this Act.

184 Minister may amend lists

- (1) Subject to this Subdivision, the Minister may, by legislative instrument, amend a list referred to in section 178, 181 or 183 by:
 - (a) including items in the list in accordance with Subdivision AA; or
 - (aa) including items in the list in accordance with subsection 186(3), (4) or (5); or
 - (b) deleting items from the list; or
 - (c) in the case of the list referred to in section 178 or 181—transferring items from one category in the list to another category in the list in accordance with Subdivision AA; or
 - (d) correcting an inaccuracy or updating the name of a listed threatened species or listed threatened ecological community.
- (2) Part 6 of the *Legislative Instruments Act 2003* does not apply to an instrument made under subsection (1).

186 Amending list of threatened native species

Including native species in a category

- (1) Subject to subsections (3), (4) and (5), the Minister must not include (whether as a result of a transfer or otherwise) a native species in a particular category unless satisfied that the native species is eligible to be included in that category.

- (2) In deciding whether to include a native species in a particular category (whether as a result of a transfer or otherwise), the only matters the Minister may consider are matters relating to:
- (a) whether the native species is eligible to be included in that category; or
 - (b) the effect that including the native species in that category could have on the survival of the native species.

Deleting native species from a category

- (2A) The Minister must not delete (whether as a result of a transfer or otherwise) a native species from a particular category unless satisfied that:
- (a) the native species is no longer eligible to be included in that category; or
 - (b) the inclusion of the native species in that category is not contributing, or will not contribute, to the survival of the native species.
- (2B) In deciding whether to delete a native species from a particular category (whether as a result of a transfer or otherwise), the only matters the Minister may consider are matters relating to:
- (a) whether the native species is eligible to be included in that category; or
 - (b) the effect that the inclusion of the native species in that category is having, or could have, on the survival of the native species.

Including similar species to an eligible species

- (3) The Minister may include a native species in the critically endangered category if satisfied that:
- (a) it so closely resembles in appearance, at any stage of its biological development, a species that is eligible to be included in that category (see subsection 179(3)) that it is difficult to differentiate between the 2 species; and
 - (b) this difficulty poses an additional threat to the last-mentioned species; and
 - (c) it would substantially promote the objects of this Act if the first-mentioned species were regarded as critically endangered.

- (4) The Minister may include a native species in the endangered category if satisfied that:
 - (a) it so closely resembles in appearance, at any stage of its biological development, a species that is eligible to be included in that category (see subsection 179(4)) that it is difficult to differentiate between the 2 species; and
 - (b) this difficulty poses an additional threat to the last-mentioned species; and
 - (c) it would substantially promote the objects of this Act if the first-mentioned species were regarded as endangered.
- (5) The Minister may include a native species in the vulnerable category if satisfied that:
 - (a) it so closely resembles in appearance, at any stage of its biological development, a species that is eligible to be included in that category (see subsection 179(5)) that it is difficult to differentiate between the 2 species; and
 - (b) this difficulty poses an additional threat to the last-mentioned species; and
 - (c) it would substantially promote the objects of this Act if the first-mentioned species were regarded as vulnerable.

187 Amending list of ecological communities

Including ecological communities in a category

- (1) The Minister must not include (whether as a result of a transfer or otherwise) an ecological community in a particular category unless satisfied that the ecological community is eligible to be included in that category.
- (2) In deciding whether to include an ecological community in a particular category (whether as a result of a transfer or otherwise), the only matters the Minister may consider are matters relating to:
 - (a) whether the ecological community is eligible to be included in that category; or
 - (b) the effect that including the ecological community in that category could have on the survival of the ecological community.

Deleting ecological communities from a category

- (3) The Minister must not delete (whether as a result of a transfer or otherwise) an ecological community from a particular category unless satisfied that:
 - (a) the ecological community is no longer eligible to be included in that category; or
 - (b) the inclusion of the ecological community in that category is not contributing, or will not contribute, to the survival of the ecological community.
- (4) In deciding whether to delete an ecological community from a particular category (whether as a result of a transfer or otherwise), the only matters the Minister may consider are matters relating to:
 - (a) whether the ecological community is eligible to be included in that category; or
 - (b) the effect that the inclusion of the ecological community in that category is having, or could have, on the survival of the ecological community.

188 Amending list of key threatening processes

- (1) The Minister must not add a threatening process to the list unless satisfied that it is eligible to be treated as a key threatening process.
- (2) The Minister must not delete a threatening process from the list unless satisfied that it is no longer eligible to be treated as a key threatening process.
- (3) A process is a *threatening process* if it threatens, or may threaten, the survival, abundance or evolutionary development of a native species or ecological community.
- (4) A threatening process is eligible to be treated as a key threatening process if:
 - (a) it could cause a native species or an ecological community to become eligible for listing in any category, other than conservation dependent; or
 - (b) it could cause a listed threatened species or a listed threatened ecological community to become eligible to be listed in another category representing a higher degree of endangerment; or

Section 189

- (c) it adversely affects 2 or more listed threatened species (other than conservation dependent species) or 2 or more listed threatened ecological communities.

189 Minister must consider advice from Scientific Committee

- (1) In deciding whether to make an amendment covered by paragraph 184(1)(aa), (b) or (d), the Minister must, in accordance with the regulations (if any), obtain and consider advice from the Scientific Committee on the proposed amendment.

(1A) Subsection (1) has effect subject to section 192.

- (1B) If advice from the Scientific Committee for the purposes of subsection (1) is to the effect that a particular native species, or a particular ecological community, is eligible to be included in the relevant list in a particular category, the advice must also contain:

- (a) a statement that sets out:

- (i) the grounds on which the species or community is eligible to be included in the category; and
- (ii) the main factors that are the cause of it being so eligible; and

- (b) either:

- (i) information about what could appropriately be done to stop the decline of, or support the recovery of, the species or community; or
- (ii) a statement to the effect that there is nothing that could appropriately be done to stop the decline of, or support the recovery of, the species or community; and

- (c) a recommendation on the question whether there should be a recovery plan for the species or community.

- (2) In preparing advice under subsection (1), the Scientific Committee may obtain advice from a person with expertise relevant to the subject matter of the proposed amendment.

- (3) In preparing advice for a proposed amendment to delete an item:

- (a) included in a category of a list referred to in section 178 or 181; and
- (b) that had not been included in that category in accordance with subsection 186(3), (4) or (5);

the only matters the Scientific Committee may consider are matters relating to:

- (c) the survival of the native species or ecological community concerned; or
 - (d) the effect that the inclusion in the list of the native species or ecological community concerned is having, or could have, on the survival of that native species or ecological community.
- (3A) In preparing advice for a proposed amendment to:
- (a) include a native species in a category of the list referred to in section 178 in accordance with subsection 186(3), (4) or (5) because of the species' resemblance to another species; or
 - (b) delete a native species from a category of the list referred to in section 178 that had been included in that category in accordance with subsection 186(3), (4) or (5) because of the species' resemblance to another species;

the only matters the Scientific Committee may consider are matters relating to:

- (c) the survival of either species; or
- (d) the effect that the inclusion in the list of the first-mentioned species is having, or could have, on the survival of either species.

189A Certain information may be kept confidential

- (1) This section applies if the Minister considers that the survival of a native species or ecological community could be threatened by the disclosure of some or all of the following information, or by the presence or actions of persons if some or all of the following information were disclosed publicly:
 - (a) the precise location of the species in the wild, or of the community;
 - (b) any other information about the species or community.
- (2) It is sufficient compliance with this Act if only a general description of the location of the species or community is included in an instrument or other document created for the purposes of this Act.

Section 189B

189B Disclosure of Scientific Committee's assessments and advice

- (1) A member of the Scientific Committee has a duty not to disclose the following to a person other than the Minister, an employee in the Department whose duties relate to the Committee or another member of the Committee:
 - (a) an assessment under section 194N in relation to whether an item is eligible for inclusion (whether as a result of a transfer or otherwise) in a list referred to in section 178, 181 or 183, any information relating to the assessment or any information about the nomination (if any) that led to the making of the assessment;
 - (b) advice under section 189 concerning an amendment covered by subsection 189(1) or any information relating to the advice.
- (2) However:
 - (a) the duty not to disclose a thing described in paragraph (1)(a) in relation to an item does not exist after:
 - (i) registration under Division 3 of Part 4 of the *Legislative Instruments Act 2003* of an instrument made under section 189 in relation to the item; or
 - (ii) the Minister decides under paragraph 194Q(1)(b) not to include the item in a list referred to in section 178, 181 or 183; and
 - (b) the duty not to disclose a thing described in paragraph (1)(b) in relation to an amendment does not exist after:
 - (i) registration under Division 3 of Part 4 of the *Legislative Instruments Act 2003* of an instrument made under section 189 relating to the amendment; or
 - (ii) the Minister decides under this Subdivision not to remove the item from a list referred to in section 178, 181 or 183.
- (3) Subsection (1) does not apply to a disclosure of particular information if:
 - (a) the Chair of the Scientific Committee requests the Minister to give permission to disclose that information to a particular person (or persons within a particular group of persons); and
 - (b) the Minister gives that permission; and

- (c) the disclosure is made to that person (or a person within that group).
- (4) After a member of the Scientific Committee has ceased under subsection (2) to have a duty not to disclose:
 - (a) an assessment under section 194N in relation to whether an item is eligible for inclusion (whether as a result of a transfer or otherwise) in a list referred to in section 178, 181 or 183; or
 - (b) advice under section 189 concerning an amendment covered by subsection 189(1);the member must give a copy of the assessment or advice to anyone who asks for it.
- (5) If:
 - (a) a member of the Scientific Committee proposes to give a person under subsection (4):
 - (i) a copy of an assessment relating to an item concerning a native species or ecological community; or
 - (ii) a copy of advice relating to an amendment concerning a native species or ecological community; and
 - (b) the member is aware that, under section 189A, it would be sufficient compliance with this Act if the copy included only a general location of the species or community;the member must take reasonable steps to ensure that the copy given to the person does not include a more detailed description than is necessary for sufficient compliance with this Act under that section.

190 Scientific Committee may provide advice about species or communities becoming threatened

- (1) If the Scientific Committee is of the opinion that a native species or ecological community is not eligible to be included in any category of the list mentioned in section 178 or 181, the Committee may give advice to the Minister concerning any action that is necessary to prevent the species or community becoming threatened.
- (2) The Minister is to have regard to any advice given under subsection (1) in performing any function, or exercising any power, under this Act relevant to the species or community.

192 Rediscovery of threatened species that were extinct

- (1) If the Minister is satisfied that a native species that is listed in the extinct category has been definitely located in nature since it was last listed as extinct, the Minister may, under section 184, transfer the species from the extinct category to another category without considering advice from the Scientific Committee.
- (2) Subsection (1) does not prevent the Minister from making such an amendment after having considered advice from the Scientific Committee.

193 Species posing a serious threat to human health

- (1) If the Minister is satisfied that a native species poses a serious threat to human health, the Minister may, by instrument published in the *Gazette*, determine that the species is not appropriate for inclusion in any of the categories of the list referred to in section 178.
- (2) While the determination is in force, the species is not to be added to that list.
- (3) A determination is a disallowable instrument for the purposes of section 46A of the *Acts Interpretation Act 1901*.
- (4) The Minister must cause a notice summarising the information contained in an instrument to be published in accordance with the regulations (if any).

194 Lists must be publicly available

The Minister must ensure that:

- (a) up-to-date copies of the lists referred to in sections 178, 181 and 183 are available for free to the public on request; and
- (b) an up-to-date copy of the lists are available on the internet.

Note: The copies of the lists made publicly available may not contain certain information kept confidential under section 189A.

Subdivision AA—The nomination and listing process

194A Simplified outline

The following is a simplified outline of this Subdivision:

This Subdivision sets out the usual process for including an item in a list referred to in section 178, 181 or 183, or transferring an item from one category in one of those lists to another category in the list.

The usual process involves an annual cycle that revolves around 12-month periods known as assessment periods. The Minister determines the start of the first assessment period (see section 194C).

The usual process involves the following steps for each assessment period for a list:

- (a) the Minister may determine conservation themes (this step is optional) (see section 194D);
- (b) the Minister invites people to nominate items for inclusion in the list referred to in section 178, 181 or 183, and gives the nominations to the Scientific Committee (see sections 194E and 194F);
- (c) the Scientific Committee prepares, and gives to the Minister, a list of items (which will mostly be items that have been nominated) that it thinks should be assessed (see sections 194G to 194J);
- (d) the Minister finalises the list of items that are to be assessed (see sections 194K and 194L);
- (e) the Scientific Committee invites people to make comments about the item in the finalised list (see section 194M);
- (f) the Scientific Committee assesses the item in the finalised list, and gives the assessments to the Minister (see sections 194N and 194P);

Section 194B

- (g) the Minister decides whether an item that has been assessed should be included in the list referred to in section 178, 181 or 183 (see section 194Q).

The steps mentioned in paragraphs (a) to (d) will generally be completed before the start of the assessment period.

194B Definitions

- (1) In this Subdivision:

assessment period has the meaning given by subsection 194C(1).

eligible for assessment consideration, in relation to an assessment period, has the meaning given by subsection 194G(3).

finalised priority assessment list for an assessment period has the meaning given by subsection 194K(4).

includes has a meaning affected by subsection (2).

proposed priority assessment list for an assessment period has the meaning given by subsection 194G(1).

Subdivision A List means a list referred to in section 178, 181 or 183.

- (2) A reference in this Subdivision to including an item in a list referred to in section 178 or 181 includes a reference to transferring the item from one category in the list to another category in the list.

194C Meaning of *assessment period*

- (1) For the purposes of this Subdivision, each of the following is an *assessment period* for a Subdivision A List:
- (a) the period of 12 months starting on the day determined in writing by the Minister for the purposes of this paragraph in relation to the Subdivision A List;
 - (b) each period of 12 months starting on an anniversary of the day so determined.

- (2) The Minister must make a determination under paragraph (1)(a) within 3 months after the commencement of this section. The day so determined must not be more than 12 months after that commencement.
- (3) A determination under paragraph (1)(a) is a legislative instrument, but neither section 42 nor Part 6 of the *Legislative Instruments Act 2003* applies to the determination.

194D Minister may determine conservation themes for an assessment period

- (1) Before the Minister invites nominations for an assessment period for a Subdivision A List under section 194E, the Minister may determine one or more conservation themes that the Minister considers should be given priority in relation to the assessment period for the Subdivision A List.
- (2) Without limiting subsection (1), the Minister may determine as a conservation theme that priority should be given to the conservation of:
 - (a) particular groups of species; or
 - (b) particular species; or
 - (c) particular regions of Australia.
- (3) The Minister may request advice from the Scientific Committee for the purpose of making a determination under subsection (1), and may have regard to any advice the Committee provides in response to the request.
- (4) A determination under subsection (1) is a legislative instrument, but section 42 of the *Legislative Instruments Act 2003* does not apply to the determination.

194E Minister to invite nominations for each assessment period

- (1) Before the start of each assessment period for a Subdivision A List, the Minister must publish a notice inviting people to nominate items for inclusion in the Subdivision A List.

Note: Nominations can be for the transfer of an item already on a list covered by section 178 or 181 from one category in the list to another category in the list (see subsection 194B(2)).

Section 194F

- (2) A notice under subsection (1):
- (a) must be published in accordance with the regulations referred to in paragraph (3)(a); and
 - (b) must invite people to nominate, to the Minister, items for inclusion in the Subdivision A List; and
 - (c) must identify the assessment period to which the notice relates; and
 - (d) must specify a date (the *cut-off date*) by which nominations must be received, which must be at least 40 business days after the notice has been published as required by paragraph (a); and
 - (e) must specify, or refer to, the information requirements, and the manner and form requirements, that, under regulations referred to in paragraphs (3)(b) and (c), apply to making nominations; and
 - (f) may also include:
 - (i) information related to any conservation themes that the Minister has determined under section 194D should be given priority in relation to the assessment period for the Subdivision A List; and
 - (ii) any other information that the Minister considers appropriate.
- (3) The regulations must provide for the following:
- (a) how a notice under subsection (1) is to be published;
 - (b) the manner and form for making nominations;
 - (c) what information is to be included in a nomination.

194F Minister to give nominations to Scientific Committee

Nominations in relation to first assessment period

- (1) Within 30 business days after the cut-off date specified in the notice under subsection 194E(1) for the first assessment period, the Minister must give the Scientific Committee the nominations that the Minister:
- (a) had received before the end of that cut-off date; and
 - (b) had not already forwarded to the Scientific Committee, under section 191 (as in force before the commencement of this section), to assess; and

- (c) had not already rejected under section 191 (as in force before the commencement of this section); and
- (d) does not reject under subsection (3).

Nominations in relation to later assessment periods

- (2) Within 30 business days after the cut-off date (the **current cut-off date**) specified in the notice under subsection 194E(1) for an assessment period (other than the first) for a Subdivision A List, the Minister must give the Scientific Committee the nominations that were received by the Minister in the period:
 - (a) starting immediately after the end of the cut-off date specified in the notice under subsection 194E(1) for the immediately preceding assessment period for the Subdivision A List; and
 - (b) ending at the end of the current cut-off date for the Subdivision A List;other than any such nominations that the Minister has rejected under subsection (3).

Minister may reject nominations

- (3) The Minister may, in writing, reject a nomination if the Minister considers that:
 - (a) the nomination is vexatious, frivolous or not made in good faith; or
 - (b) the Minister considers that regulations referred to in paragraph 194E(3)(b) or (c) have not been complied with in relation to the nomination.
- (4) If a nomination is rejected under paragraph (3)(b), the Minister must, if practicable, notify the person who made the nomination of the rejection of the nomination and the reason for the rejection.

Definition

- (5) In this section:
nomination means a nomination of an item for inclusion in a Subdivision A List.

194G Scientific Committee to prepare proposed priority assessment list

- (1) Within 40 business days after the Scientific Committee receives the nominations as required by subsection 194F(1) in relation to an assessment period for a Subdivision A List, the Committee must prepare and give to the Minister a list (the *proposed priority assessment list*) for the assessment period for the Subdivision A List.
- (2) The proposed priority assessment list for the Subdivision A List is to consist of such of the items that are eligible for assessment consideration in relation to the assessment period for the Subdivision A List as the Scientific Committee considers it appropriate to include in the proposed priority assessment list, having regard to:
 - (a) any conservation themes determined by the Minister under section 194D in relation to the assessment period for the Subdivision A List; and
 - (b) the Committee's own views about what should be given priority in relation to the assessment period for the Subdivision A List; and
 - (c) the Committee's capacity to make assessments under this Division while still performing its other functions; and
 - (d) any other matters that the Committee considers appropriate.
- (3) An item is *eligible for assessment consideration* in relation to the assessment period for a Subdivision A List if:
 - (a) the item has been nominated by a nomination referred to in subsection (1); or
 - (b) the Committee itself wishes to nominate the item for inclusion in the Subdivision A List; or
 - (c) the item was eligible for assessment consideration, otherwise than because of this paragraph, in relation to the immediately preceding assessment period (if any) for the Subdivision A List but was not included in the finalised priority assessment list for that assessment period for the Subdivision A List.
- (4) Without limiting the generality of the Scientific Committee's discretion under subsection (2), the Committee does not have to include in the proposed priority assessment list an item that has been nominated if the Committee considers that:

- (a) if the item is not on the Subdivision A List concerned—it is unlikely that the item is eligible to be included in the Subdivision A List; or
 - (b) if the nomination is for the transfer of the item to another category in the Subdivision A List concerned—it is unlikely that the item is eligible to be included in that other category of the Subdivision A List.
- (5) For the purposes of subsection (4), the Committee is not required to have regard to any information beyond the information that was included in the nomination.
- (6) The proposed priority assessment list is not a legislative instrument.

194H Matters to be included in proposed priority assessment list

- (1) The proposed priority assessment list for an assessment period for a Subdivision A List is to include, for each item in the proposed priority assessment list:
- (a) a description of the item; and
 - (b) an assessment completion time; and
 - (c) any other information required by the regulations.
- (2) The assessment completion time for an item must be either:
- (a) a time that is at or before the end of the assessment period for the proposed priority assessment list; or
 - (b) if the Scientific Committee considers it likely that making an assessment in relation to the item will take a period that is longer than 12 months—the end of that longer period (calculated from the start of the assessment period for the proposed priority assessment list).

194J Statement to be given to Minister with proposed priority assessment list

- (1) When the Scientific Committee gives the Minister the proposed priority assessment list for an assessment period for a Subdivision A List, the Committee must also give the Minister a statement setting out such information as the Committee considers appropriate relating to:

Section 194K

- (a) for each item that is included in the proposed priority assessment list—why the Committee included the item in the list; and
 - (b) for each item that is not included in the proposed priority assessment list but that was eligible for assessment consideration because of paragraph 194G(3)(a) or (c)—why the Committee did not include the item in the proposed priority assessment list.
- (2) The statement must also identify, as items nominated by the Scientific Committee, any items that are included in the proposed priority assessment list because the Committee itself wishes to nominate them (see paragraph 194G(3)(b)).

194K The finalised priority assessment list

- (1) Within 20 business days after the Minister, under section 194G, receives the proposed priority assessment list for an assessment period for a Subdivision A List, the Minister may, in writing, make changes to the proposed priority assessment list as mentioned in subsection (2).
- (2) The changes the Minister may make are as follows:
- (a) including an item in the proposed priority assessment list (and also including the matters referred to in subsection 194H(1));
 - (b) omitting an item from the proposed priority assessment list (and also omitting the matters referred to in subsection 194H(1));
 - (c) changing the assessment completion time for an item in the proposed priority assessment list;
 - (d) any other changes of a kind permitted by the regulations.
- (3) In exercising the power to make changes, the Minister may have regard to any matters that the Minister considers appropriate.
- (4) At the end of the period of 20 business days referred to in subsection (1), the proposed priority assessment list, as changed (if at all) by the Minister, becomes the ***finalised priority assessment list*** for the assessment period for the Subdivision A List.
- (5) The Minister must notify the Scientific Committee of all changes that the Minister makes to the proposed priority assessment list.

- (6) The finalised priority assessment list is not a legislative instrument.

194L Publication of finalised priority assessment list

- (1) The Scientific Committee must publish the finalised priority assessment list for an assessment period for a Subdivision A List on the internet.
- (2) The Scientific Committee must also publish the finalised priority assessment list in accordance with any requirements of the regulations.

194M Scientific Committee to invite comments on items in finalised priority assessment list

- (1) In relation to each item included in the finalised priority assessment list for an assessment period for a Subdivision A List, the Scientific Committee must publish a notice inviting people to make comments on the item.
- (2) The Scientific Committee may, under subsection (1), publish a single notice relating to all of the items on the finalised priority assessment list, or may publish a number of separate notices, each of which relates to one or more of the items.
- (3) A notice under subsection (1), in relation to an item or items:
- (a) must be published in accordance with the regulations referred to in paragraph (4)(a); and
 - (b) must identify the item or items to which the notice relates; and
