## **Licensing of Businesses Regulations (Disposal of Hazardous Substances Waste), 5751-1990**

By the power vested in me under Section 10 of the Licensing of Businesses Law, 5728-1968 (hereinafter – “the Law”), and in accordance with Section 62B of the Public Health Ordinance, 1940, I hereby enact the following Regulations:

Definitions

1. In these Regulations:

Amendment  
5754-1994

“Plant owner” – including one or more of the following:

- 1) Holder of the business license or applicant for the license, as the case may be;
- 2) A person under whose supervision, control or management the plant operates;

Amendment  
5754-1994

“The Director” – The Director General of the Ministry of Environmental Protection, or any person authorized by him for the purpose of these Regulations, in whole or in part;

“The Orange Book” – The most updated version of the United Nation’s book - *“Recommendations of the Transport of Dangerous Goods”* which is available for viewing by the public, during customary work hours, in the Ministry of Environmental Protection in Jerusalem and in the Ministry’s District Offices;

Amendment  
5754-1994

“Hazardous substance” - a substance in any state of aggregation that has a U.N Number, as specified in the Orange Book, and as described in Part A of the First Appendix to the Inspection of Goods and Services Order (Transport and Trailer Services), 5739-1978 (hereinafter – “the Trailer Order”);

“U.N Number” – as defined in the Trailer Order;

Amendment  
5754-1994

“Plant” – a business requiring licensing, as per its meaning in the Law, or any other place that is not a household in which hazardous substances or the waste of such substances, are dealt with, transported, stored, sold, processed or produced, or in which hazardous substances are generated during processing or production processes;

“Disposal” – including the treatment of a hazardous substance or waste, and their transfer from the place they are situated;

“Waste” – a substance of any type that contains a hazardous substance which is disposed of, or which is designated for disposal, or which is to be disposed of by the Director's determination.

Disposal of  
hazardous  
substances waste

2.

- a) A plant owner shall dispose of all waste that originates in a plant or is found therein, as soon as possible and not later than six month from the time of its generation, to the plant for the neutralization and treatment of industrial wastes and hazardous substances wastes in Ramat Hovav (hereinafter – “the Hazardous Waste Site”), and it shall be packed and transported in accordance with the provisions of any law and subject to the guidelines of the Director.
- b) A plant owner shall not dispose of and shall not allow another to dispose of waste from his plant, in a manner, or to a place, that is not stipulated in these regulations, unless the disposal is for the purpose of waste recycling or reuse, or for another reason, subject to the prior approval of the Director.

Preserving of  
documents

3. A plant owner shall maintain and preserve in his offices the invoices of the Hazardous Waste Site or of the place of recycling or reuse, as the case may be, and present them to the Director, to the Licensing Authority or to anyone acting on their behalf, as proof that the waste was disposed of according to requirements.

Commencement

4. These regulations shall enter into force sixty days after their date of publication.
