Whereas:

- (1) On 4 September 2024, Commission Implementing Regulation (EU) 2024/2205 ⁽²⁾ granted a Union authorisation with the authorisation number EU-0029486-0000 to the authorisation holder SICO for the making available on the market and use of the same biocidal product family ‘SICO Biocidal Product Family’ in accordance with Article 44(5), first subparagraph, of Regulation (EU) No 528/2012.
- (2) On 19 December 2025, SICO submitted to the European Chemicals Agency (‘the Agency’) a request to cancel that Union authorisation in accordance with Article 49 of Regulation (EU) No 528/2012. The request was recorded under case number BC-RS113426-19 in the Register for Biocidal Products. SICO also submitted a reasoning for the request for cancellation, providing that it had decided to discontinue the production of products included in the family ‘SICO Biocidal Product Family’ based on commercial considerations.
- (3) On 7 January 2026, the Agency forwarded the reasoned request to the Commission.
- (4) It is therefore appropriate to cancel the Union authorisation for the biocidal product family ‘SICO Biocidal Product Family’ at the reasoned request of the authorisation holder and consequently to repeal Implementing Regulation (EU) 2024/2205.
- (5) It is also appropriate to grant a period of grace for the making available on the market and the use of the existing stocks of ‘SICO Biocidal Product Family’, in accordance with Article 52 of Regulation (EU) No 528/2012,
