

Radioactive Substances Act 1993

1993 CHAPTER 12

F1

F2

X1

An Act to consolidate certain enactments relating to radioactive substances with corrections and minor improvements made under the Consolidation of Enactments (Procedure) Act 1949. [27th May 1993]

Be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

[F4][F5]1A Meaning of “radioactive material” and “radioactive waste”

In this Act, except as provided by sections 1E, 1F, 1G [F6, 1GA] and 1H—

“radioactive material” means a substance or article which is not waste, and which satisfies the requirements of any of sections 1B, 1C and 1D as they apply to such a substance or article;

“radioactive waste” means a substance or article which is waste, and which satisfies the requirements of any of sections 1B, 1C and 1D; and

“Table 1”, “Table 2”, “Table 3” and “Table 4” mean the tables with those numbers in Schedule 1A.]

- (2) In subsection (1), “the excluded period” means the period—
 - (a) beginning at the relevant start time; and
 - (b) ending in the circumstances specified in subsection (4).
- (3) The relevant start time is—
 - (a) where the substance or article has been disposed of and—
 - (i) is solid at the time of the disposal;
 - (ii) is disposed of by burial (whether underground or otherwise) on premises in relation to which an authorisation under section 13 of this Act is held at the time of disposal; and
 - (iii) is disposed of in accordance with that authorisation, the time of the revocation of that authorisation;
 - (b) where the substance or article is contaminated by a substance or article to which paragraph (a) applies, including where such contamination occurs indirectly through another contaminated substance or article, the time of the revocation of the authorisation referred to in paragraph (a)(ii); or
 - (c) in relation to any other substance or article—
 - (i) the time of the disposal of it; or
 - (ii) where the substance or article is one to which subsection (1)(b) applies, the time of the disposal of the substance or article that caused it, directly or indirectly, to be contaminated.
- (4) The excluded period ends where, after the beginning of the excluded period, the substance or article is subject to a process which leads to an increase in the radiation exposure of the public or any plant or animal, at the time of that increase.]

F5[F147 Registration of users of radioactive material.

- (1) Any application for registration under this section shall be made to the chief inspector and shall—
 - (a) specify the particulars mentioned in subsection (2),
 - (b) contain such other information as may be prescribed, and
 - (c) be accompanied by the prescribed fee.
- (2) The particulars referred to in subsection (1)(a) are—
 - (a) the premises to which the application relates,
 - (b) the undertaking for the purposes of which those premises are used,
 - (c) the description or descriptions of radioactive material proposed to be kept or used on the premises, and the maximum quantity of radioactive material of each such description likely to be kept or used on the premises at any one time, and
 - (d) the manner (if any) in which radioactive material is proposed to be used on the premises.
- (3) On any application being made under this section, the chief inspector shall, subject to directions under section 25, send a copy of the application to each local authority in whose area the premises are situated.
- (4) Subject to the following provisions of this section, where an application is made to the chief inspector for registration under this section in respect of any premises, the chief inspector may either—
 - (a) register the applicant in respect of those premises and in respect of the keeping and use on those premises of radioactive material of the description to which the application relates, or
 - (b) if the application relates to two or more descriptions of radioactive material, register the applicant in respect of those premises and in respect of the keeping and use on those premises of such one or more of those descriptions of radioactive material as may be specified in the registration, or
 - (c) refuse the application.
- (5) An application for registration under this section which is duly made to the chief inspector may be treated by the applicant as having been refused if it is not determined within the prescribed period for determinations or within such longer period as may be agreed with the applicant.
- (6) Any registration under this section in respect of any premises may (subject to subsection (7)) be effected subject to such limitations or conditions as the chief inspector thinks fit, and in particular (but without prejudice to the generality of this subsection) may be effected subject to conditions of any of the following descriptions—
 - (a) conditions imposing requirements (including, if the chief inspector thinks fit, requirements involving structural or other alterations) in respect of any part of the premises, or in respect of any apparatus, equipment or appliance used or to be used on any part of the premises for the purposes of any use of radioactive material from which radioactive waste is likely to arise,
 - (b) conditions requiring the person to whom the registration relates, at such times and in such manner as may be specified in the registration, to furnish the chief inspector with information as to the removal of radioactive material from those premises to any other premises, and

- (1) The chief inspector shall require a person who holds an authorisation to carry on the radioactive substances activity described in section 13(3) (disposal of radioactive waste) or section 14(2) (accumulation of radioactive waste) to—
 - (a) achieve and maintain an optimal level of protection of members of the public;
 - (b) accept into service adequate equipment and procedures for measuring and assessing exposure of members of the public and radioactive contamination of the environment;
 - (c) check the effectiveness and maintenance of equipment as referred to in paragraph (b) and ensure the regular calibration of measuring instruments; and
 - (d) seek advice from a radioactive waste adviser in the performance of the tasks referred to in paragraphs (a), (b) and (c).
- (2) In this section “radioactive waste adviser” means a person with the knowledge, training and experience needed to give radioactive waste management and environmental radiation protection advice in relation to radioactive waste in order to ensure the effective protection of members of the public, and whose competence in that respect is recognised by the chief inspector.]

- (5) Before granting an authorisation under section 13(1) in respect of the disposal of radioactive waste on or from premises situated on a nuclear site, the chief inspector and, where the premises are in England, Wales or Northern Ireland, the appropriate Minister shall each consult with such local authorities, relevant water bodies or other public or local authorities as appear to him to be proper to be consulted by him.
- (6) On [^{F33} receipt of an application], the chief inspector shall, subject to directions under section 25, send a copy of the application to each local authority in whose area, in accordance with the authorisation applied for, radioactive waste is to be disposed of or accumulated.
- (7) An application for an authorisation (other than an application to which subsection (3) applies) which is duly made to the chief inspector may be treated by the applicant as having been refused if it is not determined within the prescribed period for determinations or such longer period as may be agreed with the applicant.
- (8) An authorisation may be granted—
 - (a) either in respect of radioactive waste generally or in respect of such one or more descriptions of radioactive waste as may be specified in the authorisation, and
 - (b) subject to such limitations or conditions as the chief inspector or, as the case may be, the chief inspector and the appropriate Minister think fit.
- [^{F34}(8A) In exercising the functions under this Act in relation to radioactive material and radioactive waste, the chief inspector shall observe the requirements of Article 30(4) of the Basic Safety Standards Directive.
- (8B) This subsection applies where the chief inspector is exercising functions under this Act in relation to radioactive substances activity where there are no radioactive discharges specified in conditions in the authorisation—
 - (a) the chief inspector shall impose appropriate conditions in the authorisation concerning—
 - (i) the monitoring, or the evaluation, of radioactive airborne or aqueous discharges into the environment; and
 - (ii) the reporting to the chief inspector of the results of such monitoring or evaluation;
 - (b) for the purposes of this subsection, where the chief inspector is exercising functions under this Act in relation to a nuclear power station or nuclear reprocessing plant, the conditions imposed in the authorisation shall require the monitoring of radioactive discharges and reporting to the chief inspector of such information on radioactive discharges as the appropriate Minister directs; and
 - (c) notification and recording of significant events to ensure compliance with Article 96 of the Basic Safety Standards Directive.]
- (9) Where any authorisation is granted, the chief inspector—
 - [^{F35}(a) shall furnish the person to whom the authorisation is granted with a certificate which contains all material particulars of the authorisation or gives sufficient information as to the particulars to enable them to be ascertained, and]
 - (b) shall, subject to directions under section 25, send a copy of the certificate—

^{F5}^{F36}^{F37} 15 Transfer of authorisations

- (1) This section applies where—
- (a) a person (“the transferor”) holds an authorisation granted under section 13 in respect of the disposal of radioactive waste on or from premises situated on a nuclear site; and
 - (b) an application is made under this section for a transfer (in whole or in part) of that authorisation to another person (“the transferee”).
- (2) An application under this section is one which—
- (a) is made to the authorising authority jointly by the transferor and the transferee;
 - (b) is accompanied by the appropriate amount; and
 - (c) in the case of an application for a transfer relating to part only of the premises, identifies the part in question.
- (3) The appropriate amount for the purposes of subsection (2) is—

- (a) if the application is made to the appropriate Agency, the amount of the charge (if any) that is prescribed for the purpose by a charging scheme under section 41 of the Environment Act 1995; and
 - (b) if it is made to the chief inspector, the prescribed fee.
- (4) The authorising authority must, on receipt of the application (but subject to directions under section 25 and to subsection (6)), send a copy of the application to every local authority in whose area radioactive waste may be disposed of under the authorisation to which the application relates.
- (5) Before granting the application, the authorising authority must (subject to subsection (6)) consult everyone whom it would have been required to consult under section 16(4A) and (5) if—
 - (a) the transferee had applied for the grant of the authorisation that he would hold were the application to be granted; and
 - (b) in the case of a partial transfer, the transferor had applied for the grant (in place of his existing authorisation) of the authorisation he would hold in those circumstances.
- (6) The authorising authority may proceed with the application without—
 - (a) sending a copy of the application to a local authority mentioned in subsection (4), or
 - (b) consulting an authority or body mentioned in section 16(5) about the proposed transfer,if it appears to the authorising authority that arrangements for the disposal of radioactive waste are unlikely to be changed, as a result of the transfer, in a way that would be of interest to that authority or body.
- (7) The authorising authority may grant the application if, and only if, it is satisfied—
 - (a) that the transferee has or will have operational control over the disposals to which the transferred authorisation will relate;
 - (b) that he is able and willing to ensure compliance with the limitations and conditions of the authorisation that he will hold if the application is granted; and
 - (c) that no other grounds exist on which it would be reasonable to refuse to grant the application.
- (8) Where the authorising authority grants the application, it must—
 - (a) fix the date from which the transfer applied for is to have effect;
 - [^{F38}(b) furnish the transferee with a certificate which contains all material particulars of the authorisation he holds as a result of the transfer or gives sufficient information as to the particulars to enable them to be ascertained;]
 - (c) in the case of a partial transfer, furnish the transferor with a similar certificate as respects the authorisation he holds as a result of the transfer; and
 - (d) subject to directions under section 25, send a copy of the certificate furnished to the transferee, and of any certificate furnished to the transferor—
 - (i) to every local authority in whose area radioactive waste may be disposed of under the authorisation to which the certificate relates; and
 - (ii) to every person consulted about the transfer under so much of subsection (5) as requires consultation in accordance with section 16(5).

(2) Subsection (1) applies—

- (a) to any premises in respect of which a person is for the time being registered under section 7,
- (b) to any premises in respect of which a person is exempted from such registration by section 8(1), and
- (c) to any premises in respect of which an authorisation granted under section 13(1) or 14 is for the time being in force.

(3) In relation to premises belonging to or used for the purposes of the United Kingdom Atomic Energy Authority, subsection (1) shall have effect subject to section 6(3) of the ^{M10}Atomic Energy Authority Act 1954 (which restricts entry to such premises where they [^{F93}are prohibited places within the meaning of Part 1 of the National Security Act 2023].)

(4) Where an inspector has reasonable grounds for believing—

- (a) that radioactive material has been or is being kept or used on any premises to which subsection (1) does not apply, or
- (b) that radioactive waste has been or is being disposed of or accumulated on or from any such premises,

the inspector may exercise, in relation to those premises, any of the powers which are conferred by subsection (1) in relation to premises to which that subsection applies, but this subsection has effect subject to subsection (6) unless the premises fall within subsection (7).

(5) Any person authorised in that behalf by the Secretary of State may at any reasonable time enter upon any premises for the purpose of disposing of radioactive waste in the exercise of the powers conferred by section 30, but this subsection has effect subject to subsection (6) unless the premises fall within subsection (7).

(6) Subject to subsection (7), no power shall be exercisable by virtue of subsection (4) or (5) in respect of any premises except—

- (a) with consent given by or on behalf of the occupier of the premises, or
- (b) under the authority of a warrant granted under the provisions of Schedule 2, or
- (c) where entry is required in a case of emergency.

(7) Subsection (6) does not apply in respect of—

- (a) premises in respect of which—
 - (i) a person has been (but is no longer) registered under section 7, or
 - (ii) an authorisation has been (but is no longer) in force under section 13(1) or 14, or

- (9) An inspector appointed under section 4 or 5 shall not be liable in any civil or criminal proceedings for anything done in the purported exercise of his powers under this section if the court is satisfied that the act was done in good faith and that there were reasonable grounds for doing it.
- (10) The provisions of Schedule 2 shall have effect for the purposes of this section.
- (11) In this section any reference to a case of emergency is a reference to a case where a person requiring entry to any premises in pursuance of this section has reasonable cause to believe—
- (a) that circumstances exist which are likely to endanger life or health, and
 - (b) that immediate entry to the premises is necessary to verify the existence of those circumstances or to ascertain their cause or to effect a remedy.
- (12) In the application of this section to Northern Ireland—
- (a) references to the Secretary of State shall have effect as references to the Department of the Environment for Northern Ireland, and

- (1) Any notice required or authorised by or under this Act to be served on or given to any person may be served or given by delivering it to him, or by leaving it at his proper address, or by sending it by post to him at that address.
- (2) Any such notice may—
 - (a) in the case of a body corporate, be served on or given to the secretary or clerk of that body;
 - (b) in the case of a partnership, be served on or given to a partner or a person having the control or management of the partnership business.
- (3) For the purposes of this section and of section 7 of the ^{M14}Interpretation Act 1978 (service of documents by post) in its application to this section, the proper address of any person on or to whom any such notice is to be served or given shall be his last known address, except that—
 - (a) in the case of a body corporate or their secretary or clerk, it shall be the address of the registered or principal office of that body;
 - (b) in the case of a partnership or person having the control or the management of the partnership business, it shall be the principal office of the partnership;and for the purposes of this subsection the principal office of a company registered outside the United Kingdom or of a partnership carrying on business outside the United Kingdom shall be their principal office within the United Kingdom.
- (4) If the person to be served with or given any such notice has specified an address in the United Kingdom other than his proper address within the meaning of subsection (3) as the one at which he or someone on his behalf will accept notices of the same description as that notice, that address shall also be treated for the purposes of this section and section 7 of the ^{M15}Interpretation Act 1978 as his proper address.
- (5) The preceding provisions of this section shall apply to the sending or giving of a document as they apply to the giving of a notice.]

- (2) Subsection (1) does not apply in relation to premises—
- (a) occupied on behalf of the Crown for naval, military or air force purposes or for the purposes of the department of the Secretary of State having responsibility for defence, or
 - (b) occupied by or for the purposes of a visiting force.
- (3) No contravention by the Crown of any provision of this Act shall make the Crown criminally liable; but the High Court or, in Scotland, the Court of Session may, on the application of any authority charged with enforcing that provision, declare unlawful any act or omission of the Crown which constitutes such a contravention.
- (4) Notwithstanding anything in subsection (3), the provisions of this Act shall apply to persons in the public service of the Crown as they apply to other persons.
- (5) If the Secretary of State certifies that it appears to him requisite or expedient in the interests of national security that the powers of entry conferred by section 31 should not be exercisable in relation to any Crown premises specified in the certificate, those powers shall not be exercisable in relation to those premises; and in this subsection “Crown premises” means premises held or used by or on behalf of the Crown.
- (6) Where, in the case of any such premises as are mentioned in subsection (2)—
- (a) arrangements are made whereby radioactive waste is not to be disposed of from those premises except with the approval of the chief inspector, and
 - (b) in pursuance of those arrangements the chief inspector proposes to approve, or approves, the removal of radioactive waste from those premises to a place provided by a local authority as a place for the deposit of refuse,
- the provisions of section 18 shall apply as if the proposal to approve the removal of the waste were an application for an authorisation under section 13 to remove it, or (as the case may be) the approval were such an authorisation.
- (7) Nothing in this section shall be taken as in any way affecting Her Majesty in her private capacity; and this subsection shall be construed as if section 38(3) of the ^{M16}Crown Proceedings Act 1947 (interpretation of references in that Act to Her Majesty in her private capacity) were contained in this Act.
- (8) In this section “visiting force” means any such body, contingent or detachment of the forces of any country as is a visiting force for the purposes of any of the provisions of the ^{M17}Visiting Forces Act 1952.
- (9) In the application of this section to Northern Ireland—
- (a) references to the Crown shall include references to the Crown in right of Her Majesty’s Government in Northern Ireland, and
 - (b) the reference in subsection (5) to the Secretary of State shall have effect as a reference to the Department of the Environment for Northern Ireland.]

47 General interpretation provisions.

[^{F1}(1) In this Act, except in so far as the context otherwise requires—

[^{F123}“the appropriate Agency” means—

- (a) in relation to England and Wales, the Environment Agency; and
- (b) in relation to Scotland, SEPA;]

[^{F124}“the appropriate Minister” means, in relation to Northern Ireland, the Department of Agriculture, Environment and Rural Affairs;]

[^{F125}“high-activity sealed source” means a sealed source for which the activity of the contained radionuclide is equal to or exceeds the relevant activity value laid down in Annex III of the Basic Safety Standards Directive;]

“article” includes a part of an article,

[^{F126}“the Basic Safety Standards Directive” means Council [Directive 2013/59/EURATOM](#) laying down basic safety standards for protection against the dangers arising from the exposure to ionising radiation and repealing Directives 89/618/Euratom, 90/641/Euratom, 96/29/Euratom, 97/43/Euratom and 2003/122/Euratom;]

“the chief inspector” means—

- (a) ^{F127}
- (b) ^{F127}
- (c) in relation to Northern Ireland, the chief inspector for Northern Ireland appointed under section 4(7),

“disposal”, in relation to waste, includes its removal, deposit, destruction, discharge (whether into water or into the air or into a sewer or drain or otherwise) or burial (whether underground or otherwise) and “dispose of” shall be construed accordingly,

[^{F128}[^{F129}“the HASS Directive” means Council Directive 2003/122/EURATOM on the control of high-activity sealed radioactive sources and orphan sources;]

[^{F130} “high-activity source” has the same meaning as it has in the HASS Directive but excluding any such source once its activity level has fallen below the exemption levels specified in column 2 of Table A to Annex I to Council Directive 96/29/EURATOM laying down basic safety standards for the protection of the health of workers and the general public against the dangers arising from ionising radiation,]]

“local authority” (except where the reference is to a public or local authority) means—

Status: Point in time view as at 20/12/2023.

Changes to legislation: Radioactive Substances Act 1993 is up to date with all changes known to be in force on or before 10 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) in England ^{F131}..., the council of a county, district or London borough or the Common Council of the City of London or an authority established by the ^{M21}Waste Regulation and Disposal (Authorities) Order 1985,
 - (aa) [^{F132}in Wales, the council of a county or county borough;]
 - (b) in Scotland, a [^{F133}council constituted under section 2 of the Local Government etc. (Scotland) Act 1994], and
 - (c) in Northern Ireland, a district council,
- [^{F134}“m”, where it appears after a radionuclide, means a radionuclide in a metastable state of radioactive decay in which gamma photons are emitted;]
- [^{F134}“NORM industrial activity” means the industrial activities involving radionuclides of natural terrestrial or cosmic origin, which activities are listed in Table 1, but not including any such activity where radionuclides of natural terrestrial or cosmic origin are processed for their radioactive, fissile or fertile properties;]
- “nuclear site” means—
- (a) any site in respect of which a nuclear site licence is for the time being in force, or
 - (b) any site in respect of which, after the revocation or surrender of a nuclear site licence, the period of responsibility of the licensee has not yet come to an end,
- “nuclear site licence”, “licensee” and “period of responsibility” have the same meaning as in the ^{M22}Nuclear Installations Act 1965,
- [^{F135}[^{F136}“orphan source” has the same meaning as it has in the HASS Directive,]] [^{F135}“orphan source” has the same meaning as in the Basic Safety Standards Directive;]
- “premises” includes any land, whether covered by buildings or not, including any place underground and any land covered by water,
- [^{F137}“prescribed”—
- (a) in relation to a charging scheme under section 41 of the Environment Act 1995, has the same meaning as in that section;
 - (b) in relation to fees or charges payable in Northern Ireland in accordance with a scheme under section 43 of this Act, means prescribed under that scheme; and
 - (c) in other contexts, means prescribed by regulations under this Act.]
- “the prescribed period for determinations”, in relation to any application under this Act, means, subject to subsection (2), the period of four months beginning with the day on which the application was received,
- “public or local authority”, in relation to England and Wales, includes a water undertaker or a sewerage undertaker,
- [^{F134}“relevant liquid” means a liquid which—
- (a) is non-aqueous; or
 - (b) is classified (or would be so classified in the absence of its radioactivity) under Council Regulation No. 1272/2008 as having any of the following hazard classes and hazard categories (as defined in that Regulation)—
 - (i) acute toxicity: categories 1, 2 or 3;
 - (ii) skin corrosion/irritation: category 1 corrosive, sub-categories: 1A, 1B or 1C; or
 - (iii) hazardous to the aquatic environment: acute category 1 or chronic categories 1 or 2;]

“relevant water body” means—

- (a) in England and Wales, ^{F138}..., a water undertaker, a sewerage undertaker ^{F139}or an inshore fisheries and conservation authority ^{F140}...,
- (b) in Scotland, ^{F138}..., a district salmon fishery board established under section 14 of the ^{M23}Salmon Act 1986 or ^{F141}[Scottish Water], and
- (c) in Northern Ireland, the Fisheries Conservation Board for Northern Ireland, ^{F142}or a water undertaker or a sewerage undertaker within the meaning of the Water and Sewerage Services (Northern Ireland) Order 2006]

^{F143}“SEPA” means the Scottish Environment Protection Agency;]

“substance” means any natural or artificial substance, whether in solid or liquid form or in the form of a gas or vapour,

“undertaking” includes any trade, business or profession and—

- (a) in relation to a public or local authority, includes any of the powers or duties of that authority, and
- (b) in relation to any other body of persons, whether corporate or unincorporate, includes any of the activities of that body, and

“waste” includes any substance which constitutes scrap material or an effluent or other unwanted surplus substance arising from the application of any process, and also includes any substance or article which requires to be disposed of as being broken, worn out, contaminated or otherwise spoilt.

^{F144}(1A) Any reference to “the HASS Directive” in this Act shall be deemed to be a reference to the Basic Safety Standards Directive.

(1B) Any reference to “high-activity source” in this Act shall be deemed to be a reference to “high-activity sealed source”.]

(2) The Secretary of State may by order substitute for the period for the time being specified in subsection (1) as the prescribed period for determinations such other period as he considers appropriate.

(3) In determining, for the purposes of this Act, whether any radioactive material is kept or used on any premises, no account shall be taken of any radioactive material kept or used in or on any railway vehicle, road vehicle, vessel or aircraft if either—

- (a) the vehicle, vessel or aircraft is on those premises in the course of a journey, or
- (b) in the case of a vessel which is on those premises otherwise than in the course of a journey, the material is used in propelling the vessel or is kept in or on the vessel for use in propelling it.

(4) Any substance or article which, in the course of the carrying on of any undertaking, is discharged, discarded or otherwise dealt with as if it were waste shall, for the purposes of this Act, be presumed to be waste unless the contrary is proved.

(5) Any reference in this Act to the contamination of a substance or article is a reference to its being so affected by either or both of the following, that is to say,—

- (a) absorption, admixture or adhesion of radioactive material or radioactive waste, and
- (b) the emission of neutrons or ionising radiations,

as to become radioactive or to possess increased radioactivity.

^{F145}(5A) A reference in this Act to the keeping or use of radioactive material means, in relation to a high-activity source, any practice in relation to that source except

the disposal or accumulation of the source: and “practice” must be construed in accordance with [F146Council Directive 96/29/EURATOM][F146Council Directive 2013/59/EURATOM] laying down basic safety standards for the protection of the health of workers and the general public against the dangers arising from ionising radiation.]

[F147(5B) Where any radionuclide carries the suffix “+” or “sec” in this Act—

- (a) that radionuclide represents the parent radionuclide in secular equilibrium with the corresponding daughter radionuclides which are identified in column 2 of Table 4 in Schedule 1A adjacent to the description of that parent radionuclide; and
- (b) a concentration value given in a table in Schedule 1A in relation to such a parent radionuclide refers to the value for the parent radionuclide alone, but already takes into account the daughter radionuclides present.

(5C) Where any reference is made to a substance or article possessing a concentration of radioactivity which exceeds the value shown in a particular column of a table in Schedule 1A, that value is exceeded if—

- (a) where only one radionuclide which is included in that table is present in the substance or article, the concentration of that radionuclide exceeds the concentration specified in the appropriate entry in the appropriate column of that table; or
- (b) where more than one such radionuclide is present, the sum of the quotient values of all such radionuclides in the substance or article, as determined by the summation rule following that table as it applies to that column, is greater than one.]

[F148(6) In the application of this section to Northern Ireland, the reference in subsection (2) to the Secretary of State shall have effect as a reference to the Department of Agriculture, Environment and Rural Affairs.]]

F165 SCHEDULE 2

Section 31.

EXERCISE OF RIGHTS OF ENTRY AND INSPECTION

Textual Amendments

F165 Sch. 2 repealed (E.W.S.) (1.4.1996) by 1995 c. 25, s. 120(1)(3), Sch. 22 para. 229, **Sch. 24** (with ss. 7(6), 115, 117); S.I. 1996/186, **art. 3**

- 1 A person entering upon any premises in the exercise of any power conferred by this Act shall, if so required, produce written evidence of his authority before entering.
- 2 Where it is shown to the satisfaction of a justice of the peace, on sworn information in writing, that admission to premises specified in the information is reasonably required by a person for the purpose of exercising a power conferred by this Act in respect of the premises, the justice, subject to paragraph 3, may by warrant under his hand authorise that person to enter upon the premises.
- 3 A justice of the peace shall not grant a warrant under paragraph 2 unless he is satisfied—
 - (a) that admission to the premises for the purpose of exercising the power in question was sought—
 - (i) in the case of premises to which section 31(1) applies, after not less than twenty-four hours' notice of the intended entry had been given to the occupier, or
 - (ii) in the case of any other premises, after not less than seven days' notice of the intended entry had been so given, or

Status: Point in time view as at 20/12/2023.

Changes to legislation: Radioactive Substances Act 1993 is up to date with all changes known to be in force on or before 10 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) that admission to the premises for that purpose was sought in a case of emergency and was refused by or on behalf of the occupier, or
 - (c) that the premises are unoccupied, or
 - (d) that an application for admission would defeat the object of the entry.
- 4 Every warrant granted under this Schedule shall remain in force until the purpose for which the entry is required has been satisfied.
- 5 Any person who, in the exercise of a power conferred by this Act, enters any premises which are unoccupied, or of which the occupier is temporarily absent, shall leave the premises as effectually secured against unauthorised entry as he found them.
- 6 Before a person carries out any test on any premises, in the exercise of any power conferred by this Act, he shall consult with such persons having duties on the premises as may appear to him to be appropriate in order to secure that the carrying out of the test does not create any danger.
- 7 Any power of entry conferred by this Act shall, if exercised under the authority of a warrant granted under this Schedule or in a case of emergency, but not in any other case, include power to enter, if need be, by force.
- 8 Any power of entry, or of carrying out tests or inspections, or of obtaining or taking away samples, conferred on any person by this Act may be exercised by him either alone or together with any other persons.
- 9 In this Schedule any reference to a case of emergency shall be construed in accordance with section 31(11).
- 10 This Schedule shall have effect in relation to Scotland with the substitution for any reference to a justice of the peace of a reference to the sheriff.

GENERAL TRANSITIONAL PROVISIONS AND SAVINGS

- 1
- The substitution of this Act for the enactments repealed by this Act does not affect the continuity of the law.
- 2
- Any reference, whether express or implied, in this Act or any other enactment, instrument or document to a provision of this Act shall, so far as the context permits, be construed as including, in relation to the times, circumstances and purposes in relation to which the corresponding provision of the enactments repealed by this Act has effect, a reference to that corresponding provision.
- 3
- Any document made, served or issued after the commencement of this Act which contains a reference to any of the enactments repealed by this Act shall be construed, except so far as a contrary intention appears, as referring or, as the case may require, including a reference to the corresponding provision of this Act.
