Non-compliance penalties

24.—(1) If a person fails to comply with a compliance notice, a third party undertaking or an enforcement undertaking, the regulator may serve a notice on that person imposing a monetary penalty (a “non-compliance penalty”) in respect of the same offence.

(2) The amount of the penalty must be determined by the regulator, and must be a percentage of the costs of fulfilling the remaining requirements of the compliance notice or third party undertaking.

(3) The percentage must be determined by the regulator having regard to all the circumstances of the case and may, if appropriate, be 100%.

(4) The notice must include information as to—

- (a) the grounds for imposing the non-compliance penalty;
- (b) the amount to be paid;
- (c) how payment may be made;
- (d) the period in which payment must be made, which must not be less than 28 days;
- (e) rights of appeal;
- (f) the consequences of failure to make payment in the specified period; and
- (g) any circumstances in which the regulator may reduce the amount of the penalty.

(5) If the requirements of the compliance notice are complied with or the third party undertaking is fulfilled before the time set for payment of the non-compliance penalty, the penalty is not payable.

Appeals against non-compliance penalties

25.—(1) The person on whom the notice imposing the non-compliance penalty is served may appeal against it.

(2) The grounds of appeal are—

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which apply in relation to England, prohibit the supply of single-use vapes.

Part 2 prohibits the supply, offer for supply or possession for supply of single-use vapes. Breach of these prohibitions is an offence (regulation 4), subject to the mutual recognition principle in the United Kingdom Internal Market Act 2020 (c. 27) where applicable.

A civil sanctions regime enables regulators to impose a range of civil sanctions (regulation 9 and the Schedule). These are fixed monetary penalties, compliance notices, stop notices and enforcement undertakings. The Regulations make provision for the procedure relating to these sanctions and the available appeal mechanisms. Failure to comply with a stop notice is an offence (paragraph 16 of the Schedule). All appeals relating to a civil sanction are to the First-tier Tribunal.

Regulations 8 and 10 provide for enforcement officers to have powers of entry to carry out the necessary investigations in order to determine whether an offence has been committed.

Regulation 11 provides for the Secretary of State to give a direction for the disposal or other treatment of single-use vapes in respect of which an offence has been committed. Regulation 12 provides for publication of information on enforcement action taken by regulators. Regulation 13 provides that guidance relating to the use of civil sanctions must be prepared and consulted on, and specifies information to be included in such guidance. Regulation 14 contains provision for review of the Regulations.

Regulators are able to recover the costs of enforcement (paragraph 27 of the Schedule) in the case of compliance notices and stop notices and must issue guidance about their use of enforcement cost recovery notices.
