

List or group	Substance identifier	Substance identifier (2)	Substance name	Additional information
Ministerial Conditions	151789-08-1		1,3-Propanediamine, N-[3-(C11-14-isoalkyloxy)propyl] derivs., C13-rich, acetates	The manufacture or import of this substance is subject to ministerial conditions following a joint assessment by Environment and Climate Change Canada and Health Canada. When a substance is suspected of being toxic or capable of becoming toxic under the Canadian Environmental Protection Act, 1999, control measures are imposed to address risks to the environment or human health. Under ministerial conditions, the notifier can manufacture or import a substance, subject to restrictions. Any other person who wishes to manufacture or import this substance may be required to submit a New Substances Notification under the New Substances Notification Regulations (Chemicals and Polymers) or the New Substances Notification Regulations (Organisms). This may result in similar conditions being imposed. To access all ministerial condition notices published under the authority of CEPA, refer to Canada's Open Government Portal (https://open.canada.ca/data/en/dataset/a8801112-5564-4e7b-842f-838294b77f70).

Ministerial Conditions	68650-79-3	Amides, tall-oil fatty, N-[3-(dimethylamino)propyl]	The manufacture or import of this substance is subject to ministerial conditions following a joint assessment by Environment and Climate Change Canada and Health Canada. When a substance is suspected of being toxic or capable of becoming toxic under the Canadian Environmental Protection Act, 1999, control measures are imposed to address risks to the environment or human health. Under ministerial conditions, the notifier can manufacture or import a substance, subject to restrictions. Any other person who wishes to manufacture or import this substance may be required to submit a New Substances Notification under the New Substances Notification Regulations (Chemicals and Polymers) or the New Substances Notification Regulations (Organisms). This may result in similar conditions being imposed. To access all ministerial condition notices published under the authority of CEPA, refer to Canada's Open Government Portal (https://open.canada.ca/data/en/dataset/a8801112-5564-4e7b-842f-838294b77f70).
