

# List of safeners and synergists

List of safeners and synergists contained in plant protection products authorised for the placing on the market in Member States on 19 June 2024

Safeners	CAS number	Article 4(1) request	Synergists	CAS number	Article 4(1) request
Benoxacor		No	Ammonium acetate		No
Cloquintocet	88349-88-6	Yes	Ethoxylated isodecyl alcohol		No
Cloquintocet mexyl	99607-70-2	Yes	Disodium EDTA		No
Cyprosulfamide	221667-31-8	Yes	Disodium EDTA dihydrate	6381-92-6	Yes
Fluxofenim		No	Edetic acid (EDTA)	60-00-4	Yes
Isoxadifen-ethyl	163520-33-0	Yes	Glycine		No
Mefenpyr-diethyl	135590-91-9	Yes	Piperonyl butoxide	51-03-6	Yes
Metcamifen	129531-12-0	Yes	Rapeseed oil	8002-13-9	Yes

With the adoption of the work programme for the gradual review of safeners and synergists by [Commission Regulation \(EU\) 2025/2274](#), the Commission has decided not to include the safeners benoxacor and fluxofenim and the synergists ammonium acetate, ethoxylated isodecyl alcohol, disodium EDTA and glycine in the work programme, as no request for inclusion of these

substances was receiv within the deadline set out in Article 4(1) of Commission Regulation (EU) 2024/1487
