

COMMISSION IMPLEMENTING REGULATION (EU) No 686/2012**of 26 July 2012****allocating to Member States, for the purposes of the renewal procedure, the evaluation of active substances**

(Text with EEA relevance)

*Article 1*

For the purposes of the renewal procedure, the evaluation of each active substance set out in the first column of the Annex is allocated either to a rapporteur Member State, as set out in the second column of that Annex, and to a co-rapporteur Member State, as set out in the third column of that Annex, or to a group of Member States acting jointly as rapporteur Member State, as set out in the fourth column of that Annex, where applicable. In the latter case, no co-rapporteur is appointed.

*Article 2*

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

*ANNEX***PART A****Allocation of the evaluation of active substances whose approval expires by 31 December 2018 at the latest**
