COMMISSION IMPLEMENTING REGULATION (EU)  
No 686/2012

of 26 July 2012

allocating to Member States, for the purposes of the renewal  
procedure, the evaluation of active substances

▼B

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 1107/2009 of the European  
Parliament and of the Council of 21 October 2009 concerning the  
placing of plant protection products on the market and repealing  
Council Directives 79/117/EEC and 91/414/EEC <sup>(1)</sup>, and in particular  
Article 19, thereof,

Whereas:

- (1) For active substances whose approval expires by 31 December  
2018 at the latest, it is appropriate to allocate the evaluation for  
the purposes of the renewal procedures to the Member States,  
naming for each active substance a rapporteur and a co-  
rapporteur. That allocation should be made in such a way that  
a balance is achieved as regards the distribution of the responsi-  
bilities and the work between Member States.
- (2) The measures provided for in this Regulation are in accordance  
with the opinion of the Standing Committee on the Food Chain  
and Animal Health,

HAS ADOPTED THIS REGULATION:

*Article 1*

For the purposes of the renewal procedure, the evaluation of each active  
substance set out in the first column of the Annex, is allocated to a  
rapporteur Member State, as set out in the second column of that  
Annex, and to a co-rapporteur Member State, as set out in the third  
column of that Annex.

*Article 2*

This Regulation shall enter into force on the twentieth day following  
that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in  
all Member States.

<sup>(1)</sup> OJ L 309, 24.11.2009, p. 1.
