

Toxic Substances Control Act (TSCA): Substance Subject to Section 4 Test Rule (EPA Flag T)

Special flags are used throughout the TSCA Inventory to identify substances on the Inventory that are subject of the EPA rule or order promulgated under TSCA, as well as to indicate types of full or partial exemptions from TSCA reporting requirements.

The flag for **T** indicates a substance that is subject of a final TSCA section 4 test rule or order.

More information about the EPA Regulatory Flags and the TSCA Inventory can be found here: [How to Access the TSCA Inventory | US EPA](#).
